A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. DESJARLAIS. Mr. Speaker, today, the fourth day of March 2014, I was unable to cast votes on the following recorded votes. My flight from Chattanooga, Tennessee was delayed due to mechanical issues. Had I been present, on rollcall vote No. 91, H.R. 3370, I would have voted “no;” on rollcall vote No. 92, H. Res. 488, I would have voted “aye.”

AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 3370, HOMEOWNER FLOOD INSURANCE AFFORDABILITY ACT OF 2014

Mrs. CAPITO. Mr. Speaker, I ask unanimous consent that, in the engrossment of H.R. 3370, the Clerk be authorized to make the corrections now at the desk.

The SPEAKER pro tempore. The Clerk will report the corrections.

The Clerk read as follows:

On page 4, line 6, strike “promulgate such regulations, and”.

On page 4, line 12, strike “Implementation” and insert “Implementation”.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from West Virginia?

There was no objection.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 3826, ELECTRICITY SECURITY AND AFFORDABILITY ACT, AND PROVIDING FOR CONSIDERATION OF H.R. 4118, SUSPENDING THE INDIVIDUAL MANDATE PENALTY LAW EQUALS FAIRNESS ACT

Mr. BURGESS, from the Committee on Rules, submitted a privileged report

(Rept. No. 113-373) on the resolution (H. Res. 497) providing for consideration of the bill (H.R. 3826) to provide direction to the Administrator of the Environmental Protection Agency regarding the establishment of standards for emissions of any greenhouse gas from fossil fuel-fired electric utility generating units, and for other purposes, and providing for consideration of the bill (H.R. 4118) to amend the Internal Revenue Code of 1986 to delay the implementation of the penalty for failure to comply with the individual health insurance mandate, which was referred to the House Calendar and ordered to be printed.

FLOOD INSURANCE BILL

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today as an original cosponsor of H.R. 3370, the Homeowner Flood Insurance Affordability Act of 2014.

Over the past decade, the National Flood Insurance Program has bordered on insolvency, and today it is over \$24 million in debt. Congress, in 2012, passed the Biggert-Waters Act, which created much-needed reforms to the program that were designed to more accurately reflect insurance risks and create fiscal solvency. The law mandated that the Federal Emergency Management Agency perform an affordability study before transitioning to the newly weighted system, which they failed to do and has led to devastating flood insurance premium increases.

Mr. Speaker, there are those who think we should do nothing and let government mismanagement ruin the economic health of our communities. We cannot run away from pressing challenges. To the contrary, we must correct this policy failure in a manner that strikes a balanced solution without adding one dime to the Federal deficit.

H.R. 3370 enables Congress to develop a long-term solution that protects local economies and holds government accountable.

RECOGNIZING GABBIE ST. PETER AND ALICE WILLETTE

(Ms. PINGREE of Maine asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PINGREE of Maine. Mr. Speaker, I want to talk for a minute about two very special young girls from Waterville, Maine.

Gabbie St. Peter and Alice Willette both celebrated their eighth birthdays last month and are in the second grade at the George J. Mitchell Elementary School. Since their birthdays are just a day apart, they decided to have a joint birthday party. But instead of pre-

sents, these two extraordinary girls asked their friends to bring the items most in need at their school's food pantry.

This amazing act of generosity and community spirit came straight from Gabbie and Alice themselves. There was never a suggestion from a parent or a teacher to do this. They planned it all themselves.

I would have to agree with their teacher, Sherril Saulter, who said these two girls have some of the biggest hearts she has ever seen. Their compassion and generosity is inspiring, and I want to recognize and thank these two emerging leaders from Maine, Gabbie St. Peter and Alice Willette, for recognizing not only that no one in their community should go hungry, but also that they have the power to effect change.

THE REPUBLIC OF TEXAS

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, on March 2, 1836, 178 years ago, the Republic of Texas was born with the signing of the Texas Declaration of Independence. The last paragraph on the sacred document reads:

We, therefore, the delegates with plenary powers of the people of Texas, in solemn convention assembled, appealing to a candid world for the necessities of our condition, do hereby resolve and declare, that our political connection with the Mexican nation has forever ended, and that the people of Texas do now constitute a free, Sovereign, and independent republic, and are fully invested with all the rights and attributes which properly belong to independent nations; and, conscious of the rectitude of our intentions, we fearlessly and confidently commit the issue to the decision of the Supreme arbiter of the destinies of nations.

May God always bless and never forget the Republic of Texas.

CONGRATULATING SCHENECTADY GREENMARKET ON THEIR 5-YEAR ANNIVERSARY

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Mr. Speaker, I rise today to congratulate Schenectady Greenmarket on their 5-year anniversary. In the half-decade since they opened their doors to the Capital Region of New York, the Schenectady Greenmarket has worked to prove that our economy and nutrition benefit when we eat local and buy local.

Schenectady Greenmarket continues to find ways to bolster public health by providing farm-to-table meals to our friends and neighbors in the Capital Region and, most recently, partnering with MVP Health Care to build a healthier, more nutrition-focused community.

I had the privilege of attending Schenectady Greenmarket's 5-year anniversary last Sunday, and was pleased to see firsthand the good work and services this nonprofit organization provides our area.

I applaud the many farmers, producers, vendors, certainly musicians, volunteers, and staff who make the Greenmarket successful.

Again, I congratulate Schenectady Greenmarket on their anniversary, and I look forward to celebrating many more milestones to come.

PRESERVING ACCESS TO SLEEPING BEAR DUNES

(Mr. HUIZENGA of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HUIZENGA of Michigan. Mr. Speaker, tonight the House passed legislation addressing an issue that is near and dear to my heart and very important to Michigan involving Sleeping Bear Dunes National Park.

For years, there has been a back and forth between the community surrounding Sleeping Bear Dunes and the National Park Service over the best way to make sure that this pristine treasure is accessible to the public.

I have personally been involved in this process for over a decade, and I am glad to see my friend and colleague, Dr. DAN BENISHEK, who now represents the area, pick up the legislative torch that my friend Pete Hoekstra and I—we introduced bills to protect the Sleeping Bear Dunes, and Dan has finally been able to take it across the finish line.

This bipartisan and bicameral solution ensures that beaches will remain open, public roads can be improved, hunting and fishing will continue to be allowed, and private property rights are actually protected.

Tonight's legislative achievement would not be possible without the hard work and tireless efforts of local citizens, local business owners, and local advocacy groups such as the Coalition for Access to the Lakeshore.

I look forward to President Obama signing this much-needed piece of legislation and the benefits that there will be for the visitors to the park, the local residents, and small businesses throughout northern Michigan.

Most importantly, let's see Sleeping Bear Dunes preserved for generations to come.

COAL-FIRED POWER UNIT SHUTDOWN

(Mrs. LUMMIS asked and was given permission to address the House for 1 minute.)

Mrs. LUMMIS. Mr. Speaker, later this month, in the State of Wyoming, a coal-fired power unit is going to shut down production for the very last time. This is going to happen 10 years before its useful life has diminished.

This is happening because of Federal regulations. This is inexpensive, abundant, coal-fired power which serves the
