

PETITIONS, ETC.

Under clause 3 of rule XII, petitions and papers were laid on the clerk's desk and referred as follows:

75. The SPEAKER presented a petition of the Delaware County Board of Supervisors,

New York, relative to Resolution No. 56 urging the Congress to restore the presumption of a service connection for Agent Orange exposure to veterans who served on the inland waterways, in the territorial waters, and the airspace over the combat zone; to the Committee on Veterans' Affairs.

76. Also, a petition of the National Federation of Republican Women, Virginia, relative to a resolution urging the federal government to expedite the resources necessary to finally secure United States borders; to the Committee on the Judiciary.
