PERSONAL EXPLANATION

Mr. DUFFY. Mr. Speaker, on Wednesday, May 7, 2014, I was at home in Wisconsin taking care of my amazing wife and our new baby daughter. Had I been present, I would have voted in the following ways: H. Res. 574—A Resolution Recommending that the House of Representatives find Lois G. Lerner, Former Director, Exempt Organizations, Internal Revenue Service, in contempt of Congress for refusal to comply with a subpoena duly issued by the Committee on Oversight and Government Reform “*yea*,” H.R. 863—To establish the Commission to Study the Potential Creation of a National Women’s History Museum of 2013, as amended “*yea*,” H. Con. Res. 83—Authorizing the use of Emancipation Hall in the Capitol Visitor Center for an event to celebrate the birthday of King Kamehameha “*yea*,” H. Res. 565—Calling on Attorney General Eric H. Holder, Jr., to appoint a special counsel to investigate the targeting of conservative non-profit groups by the Internal Revenue Service “*yea*.”

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE ACTIONS OF THE GOVERNMENT OF SYRIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 113-108)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To The Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d), provides for the automatic termination of a national emergency, unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the actions of the Government of Syria declared in Executive Order 13338 of May 11, 2004—as modified in scope and relied upon for additional steps taken in Executive Order 13399 of April 25, 2006, Executive Order 13460 of February 13, 2008, Executive Order 13572 of April 29, 2011, Executive Order 13573 of May 18, 2011, Executive Order 13582 of August 17, 2011, Executive Order 13606 of April 22, 2012, and Executive Order 13608 of May 1, 2012—is to continue in effect beyond May 11, 2014.

The regime’s brutal war on the Syrian people, who have been calling for freedom and a representative government, endangers not only the Syrian people themselves, but could yield greater instability throughout the region. The Syrian regime’s actions and policies, including supporting terrorist organizations and impeding the Lebanese government’s ability to function effectively, continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue in effect the national emergency declared with respect to this threat and to maintain in force the sanctions to address this national emergency.

In addition, the United States condemns the Assad regime’s use of brutal violence and human rights abuses and calls on the Assad regime to stop its violent war and allow a political transition in Syria that will forge a credible path to a future of greater freedom, democracy, opportunity, and justice.

The United States will consider changes in the composition, policies, and actions of the Government of Syria in determining whether to continue or terminate this national emergency in the future.

BARACK OBAMA.
THE WHITE HOUSE, May 7, 2014.

ELECTRIFY AFRICA ACT OF 2014

Mr. ROYCE. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2548) to establish a comprehensive United States Government policy to assist countries in sub-Saharan Africa to develop an appropriate mix of power solutions for more broadly distributed electricity access in order to
