

Here is a Palestinian summer camp named after Wafa Idris, the first woman suicide bomber who murdered one and injured 150 in Jerusalem January 27, 2002. It is a girl's camp naming it after a woman who went out and killed an innocent person and injured 150 innocent people.

A Palestinian soccer tournament is named after a suicide bomber. This is a camp for 14-year-old Palestinian boys and it is named: "The Tul Karem Shahids Memorial Soccer Championship Tournament." He was a suicide terrorist who killed 31 on Passover, and the children are participating in this tournament named for this horrendous human being who thought it so grand to kill 31 innocent people on a religious holiday of Passover.

People from the PLO want to try to tell me that they are not using hatred.

For heaven's sake, start spending some of that money to teach love and affection, and we will have peace in the Middle East. As Netanyahu said right here at this podium: If the Palestinians lay down their arms, there will be peace in Israel and among the Palestinians, and if the Israelis lay down their weapons, there will not be an Israel in which there are Jews.

Now, I get it. The PLO and others say: Oh, yeah, we recognize Israel's right to exist. The Prime Minister of the Palestinians told me that years ago: Oh, yeah, we recognize their right to exist.

As a Jewish state, that is why they were created after the Holocaust killed 6 million Jews in Europe. That hatred of Jews is arising again in Europe among academics in the United States. Shame on you. You are allowing that

hatred to grow, and it is fermenting more hatred. It has to be stopped—talking about a boycott of anything Israel. So you want the Jews out there without a country so they can be killed in another Holocaust, or you want Iran to have a nuclear weapon so they can with one weapon have another Holocaust? This is where it is going.

If people's voices are not heard as the Iranian gas chambers are being constructed now despite this ridiculous deal that is allowing them to keep the centrifuges going and developing, then the blood will be on our hands, and Mr. Speaker, we should not—cannot—allow that.

With that, I yield back the balance of my time.
