

DHS with a business-model approach and we are.

Last year, the House passed H.R. 2719, the “Transportation Security Acquisition Reform Act” to improve TSA technology acquisition programs and today’s bill builds upon that effort with cost savings through better management policies and strategies across the Department. While I’m encouraged by a recent memo from Secretary Johnson to his DHS leadership team calling for greater component agency collaboration and accountability, more work is still needed.

H.R. 4228 safeguards taxpayer dollars, increases accountability for DHS’s big-ticket acquisition purchases, and takes important steps to improve communication with industry to ensure DHS is fully leveraging the private sector to protect the homeland.

I appreciate the hard work of my colleagues on the Committee and I’d like to especially thank the gentleman from South Carolina, Mr. DUNCAN, and the gentleman from Arizona, Mr. BARBER for the bipartisan approach that they took in crafting this important piece of legislation, and the collaborative, deliberative process they followed to bring it to the floor.

There are many more opportunities for cost savings at DHS and through continued oversight, investigations and legislation, my Committee will continue to find them and present solutions. Taxpayers deserve no less.

I urge all my colleagues to join us in passing this vital piece of legislation that will further protect our Nation and the American taxpayer.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. SMITH) that the House suspend the rules and pass the bill, H.R. 4228, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, proceedings will resume on the motion to suspend the rules previously postponed.

MOMENT OF SILENCE TO HONOR THE VICTIMS OF THE JUNE 8, 2014, LAS VEGAS SHOOTING

(Ms. TITUS asked and was given permission to address the House for 1 minute.)

Ms. TITUS. Mr. Speaker, the Nevada delegation comes before you with a heavy heart this evening in the wake of yesterday’s tragic events in Las Vegas.

On a beautiful Sunday afternoon, two individuals who had recently moved to southern Nevada and participated in the Cliven Bundy resistance walked into a neighborhood pizza parlor. Carrying swastikas and the Gadsden flag and spouting antigovernment rhetoric, they shot and killed two police officers having lunch. They then killed an innocent bystander shopping at a nearby department store.

The officers, Alyn Beck and Igor Soldo, were both veterans of the Las Vegas Metropolitan Police Department, with a combined 21 years on the force. Officer Beck leaves behind a wife and three children, and Officer Soldo leaves behind a wife and a baby.

Joseph Robert Wilcox, 31, also of Las Vegas, was shopping when the two killers entered the department store and lost his life attempting to intervene.

Tonight, we ask you to join us in honoring the lives of these three victims of senseless violence, in mourning their family's devastating loss, in praying for all who have suffered as a result of these horrible events, and in commending Metro for its effective action and steadfast commitment to protecting our community even under the worst of circumstances.

I ask that the Members join us in a moment of silence.

The SPEAKER pro tempore (Mr. BYRNE). Members will rise for a moment of silence.
