

without encouraging law-abiding, decent activity in places where evil radical Islam is reigning supreme, we will be held accountable. This country will suffer for its negligent and intentional neglect in following the law that has made us so great.

To those who want to descend to Third World status, this is how you do it: you just stop following your own laws, you start ruling by how you feel about things, instead of what the law says.

We have an oath to do better. We have an obligation to the past generations who have sacrificed the last full measure of devotion, as Lincoln said, and our failure will cause future generations to rise up and curse our names if we don't start forcing people to follow the law.

Mr. Speaker, tonight, I yield back the balance of my time with a broken heart.
