The **SPEAKER** pro tempore. Pursuant to House Resolution 628, the motion shall be debatable for 1 hour equally divided and controlled by the chair and ranking minority member of the Committee on Veterans' Affairs.

The gentleman from Florida (Mr. MILLER) and the gentleman from Maine (Mr. MICHAUD) each will control 30 minutes.

The Chair recognizes the gentleman from Florida.

Mr. MILLER of Florida. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this motion is to help us go to conference and to quickly work out the differences between the House and Senate bills that would provide meaningful reform to the Department of Veterans Affairs.

This motion also ensures that the House has a position from which to begin negotiations with the Senate in a conference.

Mr. Speaker, I reserve the balance of my time.

Mr. MICHAUD. Mr. Speaker, I support the motion to concur in the Senate amendments, and a further amendment, and I support the motion to go to conference.

The crisis within the VA is of national interest and must be a congressional priority. America's veterans deserve timely access to the care and benefits they have earned. They fought for us. Now is the time that we fight for them.

But our fight should not be just about the failures in Phoenix and other facilities. The House has worked hard to develop important and much-needed legislation to address other failures within the VA. Enhanced programs ensure the VA is working on behalf of the veterans.

I am disappointed that we have not included in this amendment all relevant bills that have passed the House to ensure that these important matters are included. I am disappointed that we are not moving forward with a more comprehensive package of reforms.

I am also disappointed that the House amendment is limited to two measures we have recently passed, H.R. 4031 and H.R. 4810. Limiting ourselves

to just Republican-sponsored legislation, no matter how widely supported, runs counter to the bipartisan spirit of the committee and fails to recognize the great work of all committee Members. Republicans and Democrats have worked together to improve programs for the VA.

Finally, I am disappointed that H.R. 4399 was not included in the House amendment to H.R. 3230. Without it, we are falling short of our responsibility to hold all VA executives—I want to emphasize all VA executives—accountable for the grave failures lately.

□ 1330

I will work with Chairman MILLER and my Senate colleagues to ensure that the final agreement we reach regarding the accountability provisions of H.R. 3230 are as comprehensive and effective as possible.

I urge all conferees, once appointed, to adopt the spirit of bipartisanship that is the tradition of the House Veterans' Affairs Committee.

When our servicemembers do their jobs to earn these veterans benefits, they work together in a spirit of cooperation toward a national goal. We should do no less as we move forward with legislation to address reforms within the Department of Veterans Affairs.

Mr. Speaker, I urge my colleagues to support the motion to concur with the Senate amendments with a further amendment and the motion to go to conference.

Let us work together quickly and effectively to begin to address the problems facing the VA.

With that, I yield back the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to House resolution 628, the previous question is ordered.

The question is on the motion offered by the gentleman from Florida.

The motion was agreed to.

A motion to reconsider was laid on the table.

#### APPOINTMENT OF CONFEREES ON H.R. 3230, PAY OUR GUARD AND RESERVE ACT

Mr. MILLER of Florida. Mr. Speaker, pursuant to House Resolution 628, I offer a motion.

The SPEAKER pro tempore. The Clerk will report the motion.

The Clerk read as follows:

Mr. Miller of Florida moves that the House insist on its amendment to the Senate amendment to H.R. 3230 and request a conference with the Senate thereon.

The SPEAKER pro tempore. The gentleman from Florida is recognized for 1 hour.

Mr. MILLER of Florida. Mr. Speaker, this motion is to authorize a conference to combine our two bills into something that is focused on the access

and accountability crisis that exists at VA.

I yield back the balance of my time, and I move the previous question on the motion.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida.

The motion was agreed to.

A motion to reconsider was laid on the table.

#### MOTION TO INSTRUCT

Ms. SINEMA. Mr. Speaker, I offer a motion.

The SPEAKER pro tempore. The Clerk will report the motion.

The Clerk read as follows:

Ms. Sinema moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the House amendment to the Senate amendment to the bill H.R. 3230 (an Act to improve the access of veterans to medical services from the Department of Veterans Affairs, and for other purposes) be instructed to recede from the House amendment and concur in the Senate amendment.

The SPEAKER pro tempore. Pursuant to clause 7 of rule XXII, the gentleman from Arizona (Ms. SINEMA) and the gentleman from Florida (Mr. MILLER) each will control 30 minutes.

The Chair recognizes the gentleman from Arizona.

Ms. SINEMA. Mr. Speaker, I offer this motion to instruct because veterans in Arizona and across the country need action from Congress and from the Department of Veterans Affairs.

Our motion instructs House conferees to accept the bipartisan bill, drafted by Senator JOHN MCCAIN and Senator BERNIE SANDERS and overwhelmingly approved by the Senate, so that we can immediately send a bill to the President's desk that will provide relief for our Nation's veterans.

The revelations that veterans at the Phoenix VA and veterans at other VA facilities across the country were placed on secret lists and had to wait months before seeing a doctor are immoral, irresponsible, and un-American. That veterans who served our country honorably may have died while waiting for care is unconscionable.

Ongoing audits by the VA and the VA Office of Inspector General revealed systemic problems with wait times, with the scheduling process, and with the honesty and integrity of the system. Those responsible for this disaster must be held accountable.

Many dedicated VA employees, many of them veterans themselves, work tirelessly to provide the best care to our veterans, but they are limited by this broken system, which is failing millions of our veterans.

The first priority of the VA and Congress must be to provide our veterans the care they need. This challenge does not need a Democratic or a Republican response. It demands an American response, and I appreciate the bipartisan leadership and work of Chairman MIL-

LER and Ranking Member MICHAUD. In fact, I cosponsored and voted for both of Chairman MILLER's bills.

I supported bipartisan legislation to give the Secretary of the VA a greater ability to hold underperforming senior executives accountable and to fire managers, like those in Phoenix who manipulated wait times and put veterans at risk.

I also supported bipartisan legislation directing the VA to use non-VA community providers to cut those wait times and increase the capacity and capabilities of the VA health care system.

In Phoenix, we have established a working group of community providers, veterans service organizations, and the local VA to work together to improve access to services.

We joined with the American Legion to establish a veterans crisis center to provide service to our veterans, and I would say thank you to the American Legion for moving so quickly and working with our community.

We have also started to fully utilize programs, like the Patient-Centered Community Care contract, which cuts into wait times for specialty and mental health care at the Phoenix VA. A new contract for primary care should be in place by the end of this month, but more action is required.

This conference should move quickly to accept the Senate language, which passed 93-3.

In addition to the good provisions in the House bill to improve access and accountability, the Senate language directs the VA to hire more doctors and nurses. It invests in 26 new VA facilities.

It provides for instate tuition for veterans, regardless of their home concept, a concept that the House overwhelmingly supported earlier this year. It extends post-9/11 GI Bill education benefits to surviving spouses of veterans who died in the line of duty. It improves access to health care for military sexual assault survivors. It was scored as costing less than the House bill.

Both Republicans and Democrats want to provide the best possible care for our veterans and their families, and we want to move quickly to provide this care. That is why I urge my colleagues to accept this motion to instruct, so we can move a bill to the President's desk quickly, and we can provide the care and services our veterans have earned and deserve.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, I yield myself such time as I might consume.

Mr. Speaker, I rise in opposition to the motion to instruct.

As our committee works in a bipartisan fashion in an ongoing investigation of the Department of Veterans Affairs, we have continued to work and will continue to work in that bipartisan manner through legislation and aggressive oversight.
