CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE DISPOSITION OF RUSSIAN HIGHLY ENRICHED URANIUM—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 113–122)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the emergency declared in Executive Order 13617 of June 25, 2012, with respect to the disposition of Russian highly enriched uranium is to continue in effect beyond June 25, 2014.

The risk of nuclear proliferation created by the accumulation of a large volume of weapons-usable fissile material in the territory of the Russian Federation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13617 with respect to the disposition of Russian highly enriched uranium.

BARACK OBAMA.

THE WHITE HOUSE, June 19, 2014.
