So we have some rigorous steps in here in this bill, and they will be ordered to be removed, unless, of course, if the alien claims an intention to apply for asylum or a fear of persecution. Well, that lets him sidestep some of those requirements.

Page 11, if the officer determines credible fear of persecution, the alien shall be held in the custody of the Secretary for Health and Human Services. Really, I thought that had been one of the problems created by prior law, of giving custody to Health and Human Services. For heaven's sake, let's leave custody with the people dealing with the immigration issues. Let's leave it in Homeland Security. Let's not be transferring people to another department because we have seen what HHS does. They transfer them all over the country, and there are consequences there because now we find out that under a HUD requirement, those people may be eligible for housing which will allow the government to rezone your neighborhood.

With that, I yield back the balance of my time.
