ANNOUNCEMENT BY THE ACTING CHAIR

The Acting CHAIR (during the vote).
There is 1 minute remaining.

□ 1707

Mr. GINGREY of Georgia changed his vote from “aye” to “no.”

So the amendment was rejected.

The result of the vote was announced as above recorded.

Stated for:

Mr. MCINTYRE. Mr. Chair, during rollcall vote No. 487 on September 9, 2014, I was unavoidably detained. Had I been present, I would have voted “yes.”

The Acting CHAIR. There being no further amendments, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. YODER) having assumed the chair, Mr. COLLINS of Georgia, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 5078) to preserve existing rights and responsibilities with respect to waters of the United States, and for other purposes, and, pursuant to House Resolution 715, he reported the bill back to the House.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. HUFFMAN. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. HUFFMAN. I am opposed in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Huffman moves to recommit the bill H.R. 5078 to the Committee on Transportation and Infrastructure with instructions to report the same back to the House forthwith with the following amendment:

At the end of the bill, add the following:

SEC. ____ . PROTECTING THE QUALITY OF WATER FOR PUBLIC WATER SUPPLIES AND AGRICULTURAL USES AND TO MITIGATE AGAINST DROUGHT.

Nothing in this Act affects the authority of the Secretary or Administrator to protect the quality of surface water that is available—

(1) for public water supplies, which are a significance source of drinking water for municipalities;

(2) for agricultural uses, including irrigation; or

(3) to mitigate against the harmful impact of drought.

The SPEAKER pro tempore. The gentleman from California is recognized for 5 minutes.

Mr. HUFFMAN. Mr. Speaker, this is the final amendment to the bill. It will not kill the bill or send it back to committee. If adopted, the bill will immediately proceed to final passage, as amended.

Mr. Speaker, the underlying bill before us today will make it harder for the Army Corps of Engineers and the EPA to clarify the jurisdictional coverage of the Clean Water Act, leaving watersheds across the country in continued legal limbo.

Now, I have visited with ranchers, landowners, and folks from around my district. I understand the anxieties that have been expressed about what the Waters of the United States rule-making means, but the solution to this situation is to seek tighter definitions and clearer rules, not to prohibit agencies from further developing an important proposal.

In particular, I am concerned that H.R. 5078 could have unintended consequences for those who rely on healthy watersheds. We need clarity in the law, so that we can protect water quality for drinking water supplies and for agricultural uses.

We are suffering from a historic drought in California, and the current legal mess—the ambiguity of what qualifies as waters of the U.S. under the Clean Water Act—actually makes it harder to know which water bodies are covered by the law.

It makes it harder to protect upstream wetlands that reach our groundwater supplies. The importance of these intermittent streams and wetlands is most notable during extreme

weather events like torrential rains or droughts because wetlands and streams can absorb and then release water gradually to surrounding streams and aquifers.

This underlying bill would keep regulatory uncertainty in place, and it could leave upstream water sources subject to expensive and long-lasting litigation. That situation is not good for the communities in my district who need clean drinking water and clean water for their businesses. It is not good for my downstream ranchers who are already facing water shortages and are hurting from rising feed prices.

Now, remember, Mr. Speaker and colleagues, that the current proposal from the EPA and the Army Corps is actually very narrowly targeted.

Under President Reagan, the Clean Water Act covered any body of water that could serve as habitat for migratory birds, a much more far-reaching standard than the one the Obama administration is considering.

The GAO determined in 2004 that the Reagan rule would have allowed the Army Corps to regulate almost any body of water or wetland. Let's remember that when we hear the characterizations of the Obama administration's proposal as some vast overreach, it is far more narrowly tailored than what existed under President Reagan.

Right now, the Federal agencies have a proposal—again, much less expansive than President Reagan's—that they are reviewing with ranchers, with water utilities, and with States. It should be, it can be, and I believe it will be a workable proposal. We should let that process play out.

Let's not make the current situation worse. Let's ensure that this bill doesn't harm drinking water or water supplies for irrigation needs. Let's ensure that we aren't making it harder to respond to an extreme drought. I ask my colleagues to support this motion to recommit.

I yield back the balance of my time.

□ 1715

Mr. SHUSTER. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. SHUSTER. Mr. Speaker, I must strongly oppose this motion to recommit because it basically aims to gut the underlying bill. The purpose of H.R. 5078 is to uphold the Federal-State partnership in regulating the Nation's waters by maintaining a balance between the States and the Federal Government in carrying out the Clean Water Act.

H.R. 5078 restricts the administration's current administrative efforts to expand Federal jurisdiction under the Clean Water Act, and requires the agencies to engage in a federalism consultation with the State and local government partners in implementing the Clean Water Act. However, this motion is designed to undermine the legislation by giving the EPA unfettered discretion in making State water quality

determinations in order to allow the administration to continue implementing its flawed rule. In effect, the amendment says that the underlying bill will not apply virtually anywhere the EPA decides that the bill should not apply. This amendment would further erode the Federal and State partnership that H.R. 5078 seeks to preserve.

I would urge all 435 Members of this body to take notice. This is another attempt by the executive branch to take Congress' constitutional authority away from us. We should all take this as a serious challenge to us. For too long, this body has allowed the executive branch to take our authority granted to us by the Constitution. I say whether it is a Republican or a Democrat administration, we have to stop that. This bill, H.R. 5078, is a step in the right direction.

H.R. 5078 is a good bill that maintains the balance of our Nation's water. We must preserve the State and Federal partnership that has existed under the Clean Water Act until this administration chose to impose an overbearing EPA on our States.

I urge a "no" vote, and I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. HUFFMAN. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—ayes 177, noes 235, not voting 19, as follows:

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

EXTENSION OF ENFORCEMENT INSTRUCTION FOR OUTPATIENT THERAPEUTIC SERVICES IN CRITICAL ACCESS AND SMALL RURAL HOSPITALS THROUGH 2014

Mr. BURGESS. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4067) to provide for the extension of the enforcement instruction on supervision requirements for outpatient therapeutic services in critical access and small rural hospitals through 2014.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 4067

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. EXTENSION OF ENFORCEMENT INSTRUCTION ON SUPERVISION REQUIREMENTS FOR OUTPATIENT THERAPEUTIC SERVICES IN CRITICAL ACCESS AND SMALL RURAL HOSPITALS THROUGH 2014.

The Secretary of Health and Human Services shall continue to apply through calendar year 2014 the enforcement instruction described in the notice of the Centers for Medicare & Medicaid Services entitled “Enforcement Instruction on Supervision Requirements for Outpatient Therapeutic Services in Critical Access and Small Rural Hospitals for CY 2013”, dated November 1, 2012 (providing for an exception to the restatement and clarification under the final rulemaking changes to the Medicare hospital outpatient prospective payment system and calendar year 2009 payment rates (published in the Federal Register on November 18, 2008, 73 Fed. Reg. 68702 through 68704) with respect to requirements for direct supervision by physicians for therapeutic hospital outpatient services).

The SPEAKER pro tempore (Mr. WENSTRUP). Pursuant to the rule, the gentleman from Texas (Mr. BURGESS) and the gentleman from New Jersey (Mr. PALLONE) each will control 20 minutes.

The Chair recognizes the gentleman from Texas.

GENERAL LEAVE

Mr. BURGESS. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and insert extraneous materials in the RECORD on the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. BURGESS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 4067, which provides for the extension of the enforcement instruction on supervision requirements for outpatient therapeutic services in critical access and small rural hospitals through 2014. This was a bill introduced by Congresswoman JENKINS of Kansas.

Mr. Speaker, this is a commonsense solution to a problem that has the potential to limit or delay access to health care for America's seniors in rural communities.

The bill would delay until the end of the year enforcement of supervision requirements for outpatient therapeutic services in critical access hospitals. This delay would give the Centers for Medicaid and Medicare Services and provider groups time to identify which services will eventually fall under the requirement.

I ask my colleagues to support this important piece of legislation and reserve the balance of my time.

Mr. PALLONE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4067 would suspend current enforcement of Medicare rules relating to physician supervision of staff in rural and critical access hospitals for certain outpatient therapeutic services. Enforcement of these rules was delayed from 2009 through 2013, but began again in January of this
