

## LEGISLATIVE PROGRAM

(Mr. McCARTHY of California asked and was given permission to address the House for 1 minute.)

Mr. McCARTHY of California. Mr. Speaker, I rise for the purpose of an announcement.

Mr. Speaker, just a short time ago, I, along with other leaders, committee chairs, and ranking members, received a classified briefing from the administration regarding a significant piece of the President's strategy to confront the international terrorist organization known as ISIL.

This piece involves a request for additional authority to be included in the continuing resolution. Tonight the country will hear from the President of the United States as he addresses the Nation on this situation.

Additionally, all Members of the House will receive a classified briefing from the administration tomorrow morning on both the threat and the strategy to confront it.

I think I speak for my colleagues on both sides of the aisle when I say that we stand ready to listen and work with the President to confront this growing threat.

Now, given the severity of the situation and the need for all Members to properly evaluate the President's request, the House will postpone consideration of the continuing resolution which was originally scheduled for tomorrow.

However, votes on other measures will still take place tomorrow after the classified briefing, and all Members are encouraged to be in attendance.

Mr. Speaker, I rise today in support of H.R. 3522, the Employee Health Care Protection Act of 2014, sponsored by my good friend and colleague and important member of the Health Subcommittee, Dr. BILL CASSIDY of Louisiana.
