

LEGISLATIVE PROGRAM

(Mr. McCARTHY of California asked and was given permission to address the House for 1 minute.)

Mr. McCARTHY of California. Mr. Speaker, I rise for the purpose of an announcement.

Mr. Speaker, just a short time ago, I, along with other leaders, committee chairs, and ranking members, received a classified briefing from the administration regarding a significant piece of the President's strategy to confront the international terrorist organization known as ISIL.

This piece involves a request for additional authority to be included in the continuing resolution. Tonight the country will hear from the President of the United States as he addresses the Nation on this situation.

Additionally, all Members of the House will receive a classified briefing from the administration tomorrow morning on both the threat and the strategy to confront it.

I think I speak for my colleagues on both sides of the aisle when I say that we stand ready to listen and work with the President to confront this growing threat.

Now, given the severity of the situation and the need for all Members to properly evaluate the President's request, the House will postpone consideration of the continuing resolution which was originally scheduled for tomorrow.

However, votes on other measures will still take place tomorrow after the classified briefing, and all Members are encouraged to be in attendance.

This Act may be cited as the "Employee Health Care Protection Act of 2014".

SEC. 2. IF YOU LIKE YOUR GROUP HEALTH INSURANCE PLAN, YOU CAN KEEP IT.

(a) *IN GENERAL.*—Notwithstanding any provision of the Patient Protection and Affordable Care Act (including any amendment made by such Act or by the Health Care and Education Reconciliation Act of 2010), a health insurance issuer that has in effect health insurance coverage in the group market on any date during 2013 may after such date offer such coverage for sale through December 31, 2018, in such market outside of an Exchange established under section 1311 or 1321 of such Act (42 U.S.C. 18031, 18041). The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

Mr. PITTS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 3522, the Employee Health Care Protection Act of 2014, sponsored by my good friend and colleague and important member of the Health Subcommittee, Dr. BILL CASSIDY of Louisiana.
