

acres of land being transferred by the BLM was identified for disposal in the 2010 Resource Management Plan by the Yuma Field Office.

Both the Fish and Wildlife Service and the BLM, in addition to the private landowner, support the exchange as proposed by my legislation.

Both land transfers will be subject to valid existing rights, rights-of-way, utility lines, and any valid encumbrances on the land as of the date of the conveyance. As was mentioned, furthermore, the value of the lands to be exchanged will be equalized so the Federal Government will not incur any expenses resulting from this exchange. The legislation represents a net reduction of lands managed by the Federal Government.

The congressional coalition supporting this bill speaks for itself. Its sponsor and three original cosponsors include one Republican and one Democrat from California, as well as one Republican and one Democrat from Arizona.

I am pleased that the House will be taking action on this bill, H.R. 3006, today, and I would encourage all my colleagues to support this common-sense measure.

In closing, Mr. Speaker, I want to thank Natural Resources Committee Chairman DOC HASTINGS and the Subcommittee on Public Lands and Environmental Regulation Chairman ROB BISHOP for their continued leadership on public lands issues that are especially critical to those of us from the West.

I thank my friend from Arizona for leading his side on this bill and look forward to its passage.

Mr. GRIJALVA. Mr. Speaker, I have no further speakers, and with that, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 3006, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

#### THE CHESAPEAKE AND OHIO CANAL NATIONAL HISTORICAL PARK COMMISSION EXTENSION ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (S. 476) to amend the Chesapeake and Ohio Canal Development Act to extend to the Chesapeake and Ohio Canal National Historical Park Commission.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 476

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. CHESAPEAKE AND OHIO CANAL NATIONAL HISTORICAL PARK COMMISSION.

The Chesapeake and Ohio Canal National Historical Park Commission (referred to in this Act as the "Commission") is authorized in accordance with the provisions of section 6 of the Chesapeake and Ohio Canal Development Act (16 U.S.C. 410y-4), except that the Commission shall terminate 10 years after the date of enactment of this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

#### GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 476 would extend the authorization of the Chesapeake and Ohio Canal National Historical Park Commission for another 10 years. The Commission advises the Secretary of the Interior on matters related to the park which stretches 185 miles through three States and the District of Columbia.

The Commission is intended to provide the diverse governmental jurisdictions a seat at the table on topics involving the canal.

I urge passage, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. GRIJALVA asked and was given permission to revise and extend his remarks.)

Mr. GRIJALVA. Mr. Speaker, S. 476 will amend the Chesapeake and Ohio Canal Development Act to extend the Chesapeake and Ohio Canal National Historical Park Commission.

Extension of the authorization date will allow the continued involvement of the park advisory commission in the decisions that affect this National Historical Park. The advisory commission is now more than 40 years old and serves as an important link between the adjacent communities and the National Park Service.

S. 476 is the companion bill to H.R. 2255 introduced by Representative VAN HOLLEN and is supported by a bipartisan group of Members. Representative VAN HOLLEN is to be commended for his leadership and dedication in seeing this bill through.

With that, Mr. Speaker, I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I reserve the balance of my time.

Mr. GRIJALVA. With that, I yield as much time as he may consume to the gentleman from Maryland, Representative VAN HOLLEN, the sponsor of the legislation.

Mr. VAN HOLLEN. Mr. Speaker, I thank my friend, Mr. GRIJALVA, for his assistance on this bill and his leadership on so many other important issues.

Mr. Speaker, I join my colleagues in rising in strong support of S. 476, a bill to restore the authority of the C&O Canal National Historical Park Commission.

I joined with Congressman FRANK WOLF and Congressman JOHN DELANEY to introduce companion legislation to this bill in the House and appreciate the work of my friend Senator CARDIN in the Senate and Chairman HASTINGS and Ranking Member DEFAZIO of the Natural Resources Committee in bringing this bill to the floor of the House today.

The C&O Canal National Historical Park begins just a few miles from this Capitol and follows the old C&O Canal and towpath for about 185 miles to reach Cumberland, Maryland.

Along the way, as Congressman HASTINGS says, it passes through three States, and it passes through the District of Columbia and many cities and towns in rural areas. It is a treasure of the National Park System, providing a place for visitors to learn about the history of the canal and enjoy the scenic views from the towpath.

The C&O Canal National Historical Park Commission was established along with the park in 1971, an idea of my former boss, Senator Mac Mathias of Maryland, and former Congressman Gilbert Gude of Maryland.

They believed that a park spanning so many diverse communities should have a formal channel through which park management could seek advice and input on park policy from its many neighbors. For years, this model worked well, and then the authority for the Commission expired in 2011.

Mr. Speaker, the legislation before us today would reestablish the Commission, allowing it to resume its critical service. While the Commission would have no authority to make binding park policy, it would serve an important advisory role and strengthen the relationship between the park and its neighbors.

Mr. Speaker, I urge my colleagues to support this legislation today and thank the Natural Resources Committee for bringing this to the floor in a bipartisan basis.

Mr. GRIJALVA. Mr. Speaker, I have no further speakers on the legislation, and I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I urge adoption of the legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, S. 476.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. HASTINGS of Washington. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### GUN LAKE TRUST LAND REAFFIRMATION ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (S. 1603) to reaffirm that certain land has been taken into trust for the benefit of the Match-E-Be-Nash-She-Wish Band of Pottawatami Indians, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 1603

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. SHORT TITLE.

This Act may be cited as the “Gun Lake Trust Land Reaffirmation Act”.

#### SEC. 2. REAFFIRMATION OF INDIAN TRUST LAND.

Reg. 25596 (May 13, 2005)) is reaffirmed as trust land, and the actions of the Secretary of the Interior in taking that land into trust are ratified and confirmed.

(b) NO CLAIMS.—Notwithstanding any other provision of law, an action (including an action pending in a Federal court as of the date of enactment of this Act) relating to the land described in subsection (a) shall not be filed or maintained in a Federal court and shall be promptly dismissed.

(c) RETENTION OF FUTURE RIGHTS.—Nothing in this Act alters or diminishes the right of the Match-E-Be-Nash-She-Wish Band of Pottawatami Indians from seeking to have any additional land taken into trust by the United States for the benefit of the Band.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

#### GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 1603 ratifies a decision of the Secretary of the Interior to acquire land and place it in trust for the Gun Lake Tribe of Michigan.

The 147-acre parcel of land, often called the Bradley Property, is located south of the city of Grand Rapids and within the district of our colleague from Michigan, the chairman of the Energy and Commerce Committee, Mr. UPTON, who does support this legislation.

The Bradley Property is the site of a casino operated by the Gun Lake Tribe pursuant to the Indian Gaming Regulatory Act of 1988. The Bradley Property must be held in Federal trust for the tribe to operate its casino.

This bill is necessary to confirm the trust status of the Gun Lake Tribe's land because the United States Supreme Court ruling holding in *Carcieri v. Salazar* casts doubt on the lawfulness of the Secretary's acquisition of the trust property.

The Gun Lake Tribe was recognized in 1999, but the Secretary acquired land for the tribe pursuant to the Indian Reorganization Act of 1934. This act was intended to benefit tribes recognized and under Federal jurisdiction in 1934.

Mr. Speaker, the bill passed the Senate by unanimous consent, and the Department of the Interior supports the bill. I urge passage of S. 1603, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself as much time as I may consume.

(Mr. GRIJALVA asked and was given permission to revise and extend his remarks.)

Mr. GRIJALVA. Mr. Speaker, since the Supreme Court's decision in 2009, the *Carcieri* decision, the status of Indian lands across the country have been undermined, and there has been an uptick in frivolous suits against tribal lands. One such lawsuit, the Patchak case, has put a Michigan tribe's trust land, upon which its casino supports approximately 1,000 much-needed jobs was constructed, very much in jeopardy.

S. 1603, the Gun Lake Trust Land Reaffirmation Act, simply affirms that the land taken into trust for the Gun Lake Tribe in Michigan is Indian land and is rightfully held in trust by the United States for the tribe's benefit. The bill passed the Senate by unanimous consent, and it passed House committee markup without event.

Mr. Speaker, I fully support this legislation, as does the tribe, the entire Michigan delegation, and the administration, and I look forward to its passing the House and being signed into law.

I am glad this bill has passed through the legislative process so quickly. That said, I think unless and until we have a *Carcieri*-fix legislation enacted, these types of piecemeal bills will become routinely needed to protect tribal lands that are rightfully held in trust.

I call upon all of my colleagues in this body and in the Senate to work together to obtain that fix.

With that, Mr. Speaker, we have no further speakers, and I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I urge adoption of this legislation, and I yield back the balance of my time.

Mr. UPTON. Mr. Speaker, I rise in strong support of the Gun Lake Trust Land Reaffirmation Act, a bipartisan bill that will preserve 1,000 jobs in Michigan's 6th district. I would like to thank Chairman DOC HASTINGS for allowing this piece of legislation to move forward through the Natural Resources Committee.

This bill is really quite simple. It merely reaffirms the U.S. Department of Interior's action of taking this land into trust for the Gun Lake Tribe and prevents any future frivolous legal action on this matter.

On these lands, the Tribe opened a gaming and entertainment facility that has created over 1,000 jobs. For a small community, really for any community, 1,000 new jobs is an incredible feat. The local government and schools also benefit from the facility's revenues. This is quite the advantage in a time when municipalities are slashing services due to deficits. Reaffirmation of this land into trust has the utmost support of our local law enforcement, elected officials, and business leaders.

The Gun Lake Trust Land Reaffirmation Act is a good thing for the folks in my district and it is just the right thing to do. I urge you to help pass legislation that will allow jobs to flourish and provide resources for our schools and communities.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, S. 1603.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. HASTINGS of Washington. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### RECESS
