**CONDEMNING THE ACTIONS OF THE RUSSIAN FEDERATION**

Ms. ROS-LEHTINEN. Mr. Speaker, I move to suspend the rules and agree to the resolution (H. Res. 758) strongly condemning the actions of the Russian Federation, under President Vladimir Putin, which has carried out a policy of aggression against neighboring countries aimed at political and economic domination, as amended.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

**H. RES. 758**

Whereas the Russian Federation has subjected Ukraine to a campaign of political, economic, and military aggression for the purpose of establishing its domination over the country and progressively erasing its independence;

Whereas the Russian Federation's invasion of, and military operations on, Ukrainian territory represent gross violations of Ukraine's sovereignty, independence, and territorial integrity and a violation of international law, including the Russian Federation's obligations under the United Nations Charter;

Whereas the Russian Federation has, since February 2014, violated each of the 10 principles of the 1975 Helsinki Accords in its relations with Ukraine;

Whereas the Russian Federation's forcible occupation and illegal annexation of Crimea and its continuing support for separatist and paramilitary forces in eastern Ukraine are violations of its obligations under the 1994 Budapest Memorandum on Security Assurances, in which it pledged to respect the independence and sovereignty and the existing borders of Ukraine, and to refrain from the threat or use of force against the territorial integrity or political independence of Ukraine;

Whereas the Russian Federation has provided military equipment, training, and other assistance to separatist and paramilitary forces in eastern Ukraine that has resulted in over 4,000 civilian deaths, hundreds of thousands of civilian refugees, and widespread destruction;

Whereas the Ukrainian military remains at a significant disadvantage compared to the armed forces of the Russian Federation in terms of size and technological sophistication;

Whereas the United States strongly supports efforts to assist Ukraine to defend its territory and sovereignty against military aggression by the Russian Federation and by separatist forces;

Whereas the terms of the cease-fire specified in the Minsk Protocol that was signed on September 5, 2014, by representatives of the Government of Ukraine, the Russian Federation, and the Russian-led separatists in the eastern area of Ukraine have been repeatedly violated by the Russian Federation and the separatist forces it supports;

Whereas separatist forces in areas they controlled in eastern Ukraine prevented the holding of elections on May 25, 2014, for a new President of Ukraine and on October 26, 2014, for a new Rada, thereby preventing the

people of eastern Ukraine from exercising their democratic right to select their candidates for office in free and fair elections;

Whereas on November 2, 2014, separatist forces in eastern Ukraine held fraudulent and illegal elections in areas they controlled for the supposed purpose of choosing leaders of the illegitimate local political entities they have declared;

Whereas the Russian Federation continues to provide the military, political, and economic support without which the separatist forces could not continue to maintain their areas of control;

Whereas the reestablishment of peace and security in Ukraine requires the full withdrawal of Russian forces from Ukrainian territory, the resumption of the Government of Ukraine's control over all of the country's international borders, the disarming of the separatist and paramilitary forces in the east, an end to Russia's use of its energy exports and trade barriers to apply economic and political pressure, and an end to Russian interference in Ukraine's internal affairs;

Whereas Malaysia Airlines Flight 17, a civilian airliner, was destroyed by a missile fired by Russian-backed separatist forces in eastern Ukraine, resulting in the loss of 298 innocent lives;

Whereas the Russian Federation continues to supply the vast majority of arms purchases, which include anti-aircraft missile systems and other lethal weapons, to the Bashar Assad regime in Syria, a state sponsor of terrorism that is actively backed by Hezbollah, a sophisticated terrorist group hostile to the United States and its close allies;

Whereas the Russian Federation has protected the Assad regime and backed its brutal assault against the Syrian people;

Whereas the Russian Federation has used and is continuing to use coercive economic measures, including the manipulation of energy prices and supplies, as well as trade restrictions, to place political and economic pressure on Ukraine;

Whereas France agreed to sell to the Russian Federation two Mistral-class amphibious assault ships in 2011 for \$1.7 billion;

Whereas Russian possession of these ships would be a destabilizing addition to the Russian military, which would likely have boosted its ability to invade Crimea;

Whereas given the Russian invasion of sovereign territory of the Republic of Ukraine in Crimea and elsewhere and its dangerous behavior throughout the region, France decided to suspend delivery of the Mistral-class warships to the Russian Federation;

Whereas purchase of the two Mistral-class warships by North Atlantic Treaty Organization (NATO) countries would expand NATO's capabilities, resolve France's legitimate concern over the cost of the ships, and eliminate a potential threat to countries in Eastern Europe;

Whereas the Russian Federation invaded the Republic of Georgia in August 2008, continues to station military forces in the regions of Abkhazia and South Ossetia, and is implementing measures intended to progressively integrate these regions into the Russian Federation, including by signing a “treaty” between Georgia's Abkhazia Region and the Russian Federation on November 24, 2014;

Whereas the Russian Federation continues to subject the Republic of Georgia to political and military intimidation, economic coercion, and other forms of aggression in an effort to establish its control of the country and to prevent Georgia from establishing closer relations with the European Union and the United States;

Whereas the Russian Federation continues to station military forces in the
