PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-196. A resolution adopted by the House of Representatives of the Legislature of the State of Iowa requesting the United States Congress to immediately enact a new federal food, farm, and jobs bill; to the Committee on Agriculture, Nutrition, and Forestry.

HOUSE RESOLUTION No. 102

Whereas, the United States Congress regularly establishes agricultural and food policy in an omnibus farm bill in a bipartisan spirit of cooperation, exemplified by the federal Food, Conservation, and Energy Act of 2008, Pub. L. No. 110-246 which originally was to expire in 2012, but was extended by the 112th

Congress in the American Taxpayer Relief Act of 2012, Pub. L. No. 112-240; and

Whereas, a new food, farm, and jobs bill is critical to maintaining a strong agricultural economy and an abundant food supply that benefits all Americans, including by providing programs relating to farm commodity support, horticulture, livestock, conservation, nutrition assistance, trade, and international food aid, agricultural research, farm credit, rural development, bioenergy, forestry, and innovative strategies to revitalize this nation's rural economy by creating jobs in small towns and rural communities; and

Whereas, in Iowa, agricultural producers have faced a multitude of disasters, including drought, flood, and blizzard conditions which have been alleviated by disaster assistance under farm bill programs; and

Whereas, during 2013, the United States Senate and House of Representatives have been engaged in prolonged negotiations to enact a new food, farm, and jobs bill that is now in conference committee which is considering differences between the Senate version, titled the Agriculture Reform, Food, and Jobs Act of 2013 (S. 954), and the House version, titled the Federal Agriculture Reform and Risk Management (FARRM) Act of 2013 (H.R. 2642); and

Whereas, without the passage of a new food, farm, and jobs bill the United States will be subject to previously enacted permanent law, including commodity price support statutes effective in 1949; and

Whereas, the prolonged delay in passing a new food, farm, and jobs bill has created uncertainty for agricultural producers and will negatively impact the nation's overseas trade; and

Whereas, without the immediate passage of a new food, farm, and jobs bill consumers will increasingly suffer economic consequences: Now, therefore, be it

Resolved by the House of Representatives, That with the reconvening of the United States Congress after its holiday recess, the United States House of Representatives and the United States Senate should enact a new food, farm, and jobs bill with all possible speed but no later than January 31, 2014; and be it further

Resolved, That a copy of this resolution shall be transmitted to the President of the United States Senate and the Speaker of the United States House of Representatives; and be it further

Resolved, That a copy of this resolution shall be transmitted to the Honorable Debbie Stabenow, Chairwoman of the Committee on Agriculture, Nutrition, and Forestry of the United States Senate, and the Honorable Frank Lucas, Chairman of the Committee on Agriculture of the United States House of Representatives; and be it further

Resolved, That a copy of this resolution shall be transmitted to each member of the Iowa congressional delegation; and be it further

Resolved, That a copy of this resolution shall be transmitted to the Honorable Tom Vilsack, Secretary of the United States Department of Agriculture.

POM-197. A joint resolution adopted by the General Assembly of the State of Ohio urging the Congress of the United States to propose a balanced budget amendment to the United States Constitution and applying to the Congress, pursuant to Article V of the United States Constitution, to call a convention for proposing a balanced budget amendment; to the Committee on the Judiciary.

JOINT RESOLUTION No. 5

Be it resolved by the General Assembly of the State of Ohio:

The General Assembly of the State of Ohio urges the Congress of the United States to propose a balanced budget amendment to the United States Constitution and hereby applies to the Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing an amendment to the United States Constitution requiring that in the absence of a national emergency the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate Fiscal restraints; and

It is the intention of the General Assembly that matters shall not be considered at the convention that do not pertain to an amendment requiring that, in the absence of a national emergency, the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints; and be it further

Resolved, The Secretary of State is hereby directed to transmit copies of this application to the President and Secretary of the Senate and to the Speaker and Clerk of the House of Representatives of the Congress, and copies to the members of the Senate and House of Representatives from the State of Ohio; also to transmit copies of this application to the presiding officers of each of the legislative houses of the several states, requesting their cooperation; and be it further

Resolved, This application is to be considered as covering the balanced budget amendment language of the presently outstanding balanced budget applications from other states, including previously adopted applications from Alabama, Alaska, Arkansas, Colorado, Delaware, Florida, Indiana, Iowa, Kansas, Maryland, Mississippi, Missouri, Nebraska, Nevada, New Hampshire, New Mexico, North Carolina, Pennsylvania, and Texas. This application shall be aggregated with those other applications for the purpose of attaining the two-thirds of states necessary to require the calling of a convention for proposing a balanced budget amendment, but shall not be aggregated with any applications on any other subject; and be it further

Resolved, If the convention called by the Congress is not limited to considering a balanced budget amendment, then any delegates, representatives, or participants from the State of Ohio asked to participate in the convention are authorized to debate and vote only on a proposed amendment or amendments to the United States Constitution requiring that in the absence of a national emergency the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year, together with any related and appropriate fiscal restraints; and be it further

Resolved, This application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject or the Congress has proposed an amendment to the United States Constitution equivalent to the amendment proposed in this resolution. This application supersedes all previous applications by the General Assembly of the State of Ohio on the same subject.
