HOUSE CONCURRENT RESOLUTION NO. 21

Whereas, The men and women of the United States armed forces have bravely and selflessly served our country; and

Whereas, The United States Department of Veterans Affairs disability benefits program provides monetary support to veterans whose military service has caused or aggravated a disabling medical condition; and

Whereas, The number of veterans applying for disability benefits has increased in recent years because of the large number of new veterans and the expansion of eligibility for benefits for certain service-connected diseases; and

Whereas, The United States Government Accountability Office reports that between fiscal years 2009 and 2012, the average length of time for the Department of Veterans Affairs to complete a disability claim increased from 161 days to 260 days; that the number of backlogged claims, which have been awaiting a decision for more than 125 days, has more than tripled since September 2009; and that appeals processing at the Department's regional offices has slowed by 56 per cent over the last several years: Now, therefore, be it

Resolved, That we, the members of the 130th General Assembly of the State of Ohio, urge the President of the United States, the United States Secretary of Veterans Affairs, and the Congress of the United States to take prompt action to reduce the processing time for veterans' disability benefit claims; and be it further

Resolved, That the Clerk of the House of Representatives transmit duly authenticated copies of this resolution to the President of the United States, the United States Secretary of Veterans Affairs, the President Pro Tempore and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Ohio Congressional delegation, and the news media of Ohio.
