She developed and executed itineraries compatible with the scope of the visit, to include social events, ceremonies, briefings, lodging, transportation, courtesy and office calls, and tours. She planned and supervised countless renderings of honors, awards, promotions, retirements, change of command ceremonies, dining outs, airshows, intra-service competitions, parades, and other recognitions.

As chief of public relations, Ms. Smith-Tallan planned, organized and directed the activities of the 92nd Air Refueling Wing Public Affairs office to provide installation-level multimedia activities composed of media, community relations, photography and videography. She developed the community relations program and ran the Honorary Commanders and Eagles program to ensure continual outreach of installation commanders with civic leaders. Ms. Smith-Tallan also served as the wing foreign disclosure officer.

Ms. Smith-Tallan consistently goes above and beyond, as exemplified by her multiple Civilian of the Year and Civilian of the Quarter awards, an Exemplary Civilian Service Award, and many more awards she received while serving on Active Duty. Her record of achievement would not have been possible without the love and support of her husband, Robert "Bob" Tallan. We thank her family for sharing her with us. Mr. President, I ask that you and my other distinguished colleagues join me in congratulating Ms. Smith-Tallan on her 38 years of outstanding service. For her commitment to the people of Fairchild Air Force Base and the greater Spokane area, she is worthy of the highest praise.●

RECOGNIZING BEST BATH SYSTEMS

● Mr. RISCH. Mr. President, too often we think of business owners as only being concerned with profit. However, countless enterprises have been started based on an idea or a goal to solve a problem or to improve peoples' lives, and often times this is inspired by a need of someone close. It is a privilege to recognize such a company, Idaho's own Best Bath Systems, Inc.

Gary Multanen founded Best Bath Systems in 1971 with the goal of designing and producing baths and showers to help those with special needs. Mr. Multanen was especially motivated to find a solution to his mother's difficulty in using conventional tubs. Over the years, Best Bath Systems has created improvements for nearly every conceivable part of a shower or tub, and has been a leader for walk-in tub design.

It is one thing to tout Mr. Multanen as being an innovator, but the real proof is in the demand from bath product sellers across the country. With \$20 million in sales last year to a network of 490 dealers across North America,

Best Bath Systems has clearly earned a reputation for quality. In addition to making bath products that help people meet their basic needs, Best Bath Systems also does well by their employees, providing a profit-sharing program.

The Small Business Administration recognized Best Bath Systems' impressive track record and named Mr. Multanen and his family the 2014 Idaho Small Business Person of the Year and is sharing their accomplishments at the National Small Business Week events being held this week in Washington. This award celebrates their continued sales growth, superior customer service, and commitment to their community.

Best Bath Systems has been an active fixture in the Caldwell and Boise communities for a long time with Mr. Multanen serving on the boards of Boise City Parks & Recreation and the Treasure Valley Air Quality Council. In addition, since 2000, Best Bath Systems has a built robust relationship with the Idaho Small Business Development Center, SBDC, where Mr. Multanen currently serves as the chairman of the advisory council and uses his business' success story with the SBDC to motivate other Idaho entrepreneurs. Concern for the environment is also part of Best Bath Systems' community commitment. Best Bath Systems' 106,000 square foot facility in Caldwell, ID uses just 28 percent of their Federal emissions allowance, and they have promoted similar standards for the industry through their trade association, which Mr. Multanen co-founded.

I wish to congratulate Mr. Multanen on being named the 2014 Idaho Small Business Person of the Year and everyone at Best Bath Systems for their 43 years of sales, innovation, and bettering the quality of life for many.●
