STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. MCCONNELL (for himself and Mr. PAUL):

S. 1916. A bill to amend the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide for an application process for interested parties to apply for a county to be designated as a rural area, and for other purposes; to the Committee on Banking, Housing, and Urban Affairs.

Mr. MCCONNELL. Mr. President, I have spoken often on the floor about the challenges and opportunities for the future that the people of eastern Kentucky and rural parts of the Commonwealth face. Many of these challenges stem from this administration's regulatory overreach, whether it is a war on coal, ObamaCare or Dodd-Frank. Too many people are out of work, which has placed a drastic burden on the coal mining industry, and harshly cut the number of jobs available in the coal mining industry and related industries.

In spite of the challenges the people of eastern Kentucky face, I have great confidence we can overcome that and succeed. I was pleased to be able to assist the Kentucky Highlands Investment Corporation in receiving a Promise Zone designation, which was awarded just last week. That is why I wrote the administration in support of this designation last year. This economic initiative is just one way to help jumpstart the region's journey out of economic distress.

But we need more than that. My friend and colleague in the other Chamber, Representative HAL ROGERS, is leading an effort to identify ways to lift Appalachia out of the cycle of poverty and unemployment through the SOAR Initiative, and I applaud his efforts.

To offer yet another possibility for eastern Kentucky, my friend and colleague Senator RAND PAUL and I introduced the Economic Freedom Zones Act, to further enable eastern Kentucky to lift the burdens of some of the poorest families in the country. Our legislation would roll back government regulations and tax barriers to spur job creation and reform failed educational systems to aid disadvantaged children.

So continuing my efforts to find ways to assist these rural counties and give these communities a voice, I am pleased to introduce today, along with Senator PAUL, the Helping Expand Lending Practices in Rural Communities Act or simply the HELP Rural
