LEGISLATIVE SESSION

The PRESIDING OFFICER. The Senate will resume legislative session.

AMENDING THE CLEAN AIR ACT

Mr. REID. Madam President, I ask unanimous consent the Senate proceed to Calendar No. 342.

The PRESIDING OFFICER. The clerk will report the bill by title.

The assistant legislative clerk read as follows:

A bill (H.R. 724) to amend the Clean Air Act to remove the requirement for dealer certification of new light-duty motor vehicles.

There being no objection, the Senate proceeded to consider the bill.

Ms. STABENOW. Madam President, I am pleased the Senate is considering H.R. 724, a bill to remove a redundant paperwork requirement whenever a customer buys a new car.

Every new vehicle must comply with the Clean Air Act when it is manufactured and H.R. 724 will not change this. H.R. 724 simply eliminates an out-of-date requirement that auto dealers provide a piece of paper to each customer to certify that a new car or truck complies with the Clean Air Act's emissions requirements. Information confirming that the vehicle complies with all applicable emission requirements is already available under the hood of the vehicle and on the EPA's website, so providing the certification on a piece of paper is redundant. In addition to removing an unnecessary requirement, H.R. 724 eliminates 15 million pieces of paper that would otherwise be handed out each year with every new vehicle sold.

The bill was authored by Representative GARY PETERS and Representative BOB LATTA and was passed by the House of Representatives on January 8 by a vote of 405-0. I was glad to lead the effort to pass this bill in the Senate. I thank Senator BOXER, who helped ensure timely consideration and unanimous passage of the bill by the Senate Committee on Environment and Public Works. I urge my fellow Senators to pass H.R. 724 so we can send this commonsense bill to the President to become law.

Mr. REID. Madam President, I ask that H.R. 724 be read a third time and passed, the motions to reconsider be considered made and laid upon the table, with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 724) was ordered to a third reading, was read the third time, and passed.

COLLINSVILLE RENEWABLE
ENERGY PRODUCTION ACT

COCONINO NATIONAL FOREST
LAND CONVEYANCE

Mr. REID. Madam President, I ask unanimous consent that the Senate proceed to the consideration of the following items en bloc: Calendar No. 360, H.R. 862; and Calendar No. 123, H.R. 316.

There being no objection, the Senate proceeded to consider the bills en bloc.

Mr. FLAKE. Madam President, I thank my colleagues for their prompt consideration and passage of H.R. 862, a

bill that would authorize the conveyance of 2.67 acres within the Coconino National Forest to landowners who built on those parcels in reliance on an erroneous survey.

On Tuesday, a relatively small 4-acre wildfire started just north of Sedona, AZ, near the Slide Rock State Park. It took less than 24 hours for the Slide Fire, as it is being called, to explode through the overgrown and dry vegetation and make its way up Oak Creek Canyon. In less than 2 days, estimates put the fire at 4,800 acres. Unfortunately, it appears poised to grow larger.

Some areas have already been evacuated and an estimated 3,200 people in the Kachina Village and Forest Highland communities were put on pre-evacuation notice last night. Nearby, the Mountaineer community sits approximately five miles from the fire line. As they watch smoke fill the sky near their homes, residents are preparing for the possibility of having to evacuate. For some of those residents, the imminent fire threat brings added uncertainty due to a longstanding boundary dispute.

The problem stems from an incorrect survey that was completed in 1960. Unbeknownst to the landowners, homes and other improvements were built based on that errant work. In 2007, a subsequent survey revealed the error and a number of landowners were alerted to the fact that portions of their property are within the Coconino National Forest boundary. As a result, these parcels have a cloud on their title that needs to be resolved through a land conveyance.

The Slide Fire has brought the impact of this survey error into further focus. Some of those homeowners have apparently been told by their insurance companies that if the Slide Fire destroys their homes, they will be compensated. However, it is unlikely they will be able to rebuild on the property because of the boundary dispute.

In my view, the least we can do during this difficult time is remove the boundary issue from the litany of concerns these families in the Mountaineer community are dealing with right now. That is why Senator MCCAIN and I sought expedited consideration of H.R. 862 today through the unanimous consent process. This bill, which was introduced by Representatives KIRKPATRICK and GOSAR in the House, would enable the conveyance of the 2.67 acres that are tied up in this longstanding boundary issue to the private landowners.

The House passed this measure in June of last year by a vote of 395-1, and it was favorably reported out of the Senate Energy and Natural Resources Committee by voice vote late last year. The Forest Service has also issued a statement signaling its support for this measure.

I am grateful to my colleagues in the Senate, in particular Senators MCCAIN, LANDRIEU, and MURKOWSKI, for their
