

to the consideration of S. Res. 468, which was submitted earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 468) to authorize the production of records by the Permanent Subcommittee on Investigations of the Committee on Homeland Security and Governmental Affairs.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. Madam President, the Permanent Subcommittee on Investigations of the Committee on Homeland Security and Governmental Affairs has received a request from a Federal regulatory agency seeking access to records that the Subcommittee obtained during its recent investigation and hearing on Caterpillar Inc.'s offshore tax strategy.

This resolution would authorize the chairman and ranking minority member of the Permanent Subcommittee on Investigations, acting jointly, to provide records, obtained by the Subcommittee in the course of its investigation, in response to this request and requests from other government entities and officials with a legitimate need for the records.

Mr. REID. Madam President, I ask unanimous consent the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be laid upon the table, with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 468) was agreed to.

The preamble was agreed to.

(The resolution, with its preamble, is printed in today's RECORD under "Submitted Resolutions.")
