SENATE RESOLUTION NO. 736

Whereas, the founders of the Constitution of the United States empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people, particularly for the generations to come, by proposing amendments to the Constitution of the United States through a convention of the states under Article V of the United States Constitution to place clear restraints on these and related abuses of power: Now, therefore, be it

Resolved by the General Assembly of Georgia, That the General Assembly of the State of Georgia hereby applies to Congress, under the provisions of Article V of the Constitution of the United States, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and

limit the terms of office for its officials and for members of Congress; and be it further

Resolved, That this application shall be deemed an application for a convention to address each or all of the subjects herein stated. For the purposes of determining whether two-thirds of the states have applied for a convention addressing any of the subjects stated herein, this application is to be aggregated with the applications of any other state legislatures for the single subjects of balancing the federal budget, limiting the power and jurisdiction of the federal government, or limiting the terms of federal officials; and be it further

Resolved, That the Secretary of the Senate is hereby directed to transmit copies of this application to the President and Secretary of the United States Senate and to the Speaker and Clerk of the United States House of Representatives, to transmit copies to the members of the United States Senate and United States House of Representatives from this state, and to transmit copies hereof to the presiding officers of each of the legislative houses in the several states, requesting their cooperation; and be it further

Resolved, That this application constitutes a continuing application in accordance with Article V of the Constitution of the United States until the legislatures of at least two-thirds of the several states have made applications on the same subject.
