

had four guiding goals for our fellow citizens with disabilities: equal opportunity, full participation, independent living and economic self-sufficiency. Nearly a quarter century since passage of the ADA, I see remarkable changes in communities everywhere I go in Iowa—not just in curb cuts or closed captioned television, but in the full participation of people with disabilities in our society and economy, folks who at long last have the opportunity to contribute their talents and to be fully included. These changes have increased economic opportunities for all citizens of Butler County, both those with and without disabilities. And they make us proud to be a part of a community and country that respects the worth and civil rights of all of our citizens.

This is at least a partial accounting of my work on behalf of Iowa, and specifically Butler County, during my time in Congress. In every case, this work has been about partnerships, cooperation, and empowering folks at the State and local level, including in Butler County, to fulfill their own dreams and initiatives. And, of course, this work is never complete. Even after I retire from the Senate, I have no intention of retiring from the fight for a better, fairer, richer Iowa. I will always be profoundly grateful for the opportunity to serve the people of Iowa as their Senator.●

REMEMBERING SHEILA LUMPE

● Mrs. McCASKILL. Madam President, I ask the Senate to join me today in honoring the life of Sheila Lumpe, who passed away on June 4, 2014. Sheila was a much-loved member of the St. Louis community. Sheila has left a legacy of public service that will always be cherished, and St. Louis will not be the same without her.

Sheila was born in Strinestown, PA and graduated from high school in Indiana where she had moved as a young girl. She attended Indiana University to study political science and met a fellow student, Gus Lumpe. They married and moved to St. Louis in 1965. Sheila served 17 years in the Missouri House representing University City, a suburb of St. Louis. After she retired from the house, the Governor named her the State's chief utilities regulator and she served 6 years on the Public Service Commission. She was a member of the Missouri Humanities Council board of directors and received numerous awards and honors.

With four children enrolled in University City schools, Sheila became involved in the Parent Teacher Association. In 1973, the school board was divided over integration and Sheila's husband Gus encouraged her to run for a seat on the board. Sheila won and spent 8 years on the school board. When her neighbor gave up his house seat to run for Lieutenant Governor, Sheila ran for his seat and won.

I had the distinct honor of serving with Sheila in the Missouri General As-

sembly, where her tenure was marked by excellence and community involvement and where I learned important lessons about public leadership from her. Sheila became the first woman to lead the powerful House Budget Committee and nearly became the first woman speaker of the House.

Sheila fought tirelessly for women's rights, equal pay and universal health care. She helped Planned Parenthood retain funding while in the legislature. Her legislation to expand health care for children passed the year after she left the legislature. Sheila was a role model to not only female legislators, but all legislators. She was regarded highly by everyone she interacted with, including those with very different views.

Sheila retired from the Public Service Commission and public life in 2003. She devoted herself to taking care of her husband, who passed away in 2009 from Alzheimer's disease. Sheila also passed away from Alzheimer's disease. She is survived by her three sons Abraham, Nathan and Andrew; daughter, Karen, and six grandchildren.

Sheila left an indelible and permanent mark on St. Louis and will be fondly remembered and dearly missed. Sheila's life and commitment to others serves as an inspiration to me and to all Missourians. I have lost a friend and mentor and our State has truly lost a leader and a hero.

I ask that the Senate join me in honoring the life and legacy of Sheila Lumpe.●

MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Mr. Pate, one of his secretaries.

EXECUTIVE MESSAGE REFERRED

As in executive session the Presiding Officer laid before the Senate a message from the President of the United States submitting a nomination which was referred to the Committee on the Judiciary.

(The message received today is printed at the end of the Senate proceedings.)

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13617 OF JUNE 25, 2012, WITH RESPECT TO THE DISPOSITION OF RUSSIAN HIGHLY ENRICHED URANIUM—PM 45

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the emergency declared in Executive Order 13617 of June 25, 2012, with respect to the disposition of Russian highly enriched uranium is to continue in effect beyond June 25, 2014.

The risk of nuclear proliferation created by the accumulation of a large volume of weapons-usable fissile material in the territory of the Russian Federation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13617 with respect to the disposition of Russian highly enriched uranium.

BARACK OBAMA.
THE WHITE HOUSE, June 19, 2014.
