

Whereas the Ba'ath regime confiscated these artifacts, later dubbed the Iraqi Jewish Archive, from synagogues and communal organizations;

Whereas, on May 6, 2003, members of the United States Armed Forces discovered the Iraqi Jewish Archive, which included 2,700 books and tens of thousands of documents, in the heavily damaged and flooded basement of the Mukhabarat (secret police) headquarters;

Whereas, under great urgency and before adequate time could be dedicated to researching the history of the Iraqi Jewish Archive, an agreement was signed between the National Archives and Records Administration and the Coalition Provisional Authority on August 20, 2003, stating that the Iraqi Jewish Archive would be sent to the United States for restoration and then would be sent back to Iraq after completion;

Whereas, the Iraqi Jewish community is the constituency of the Archive and is now represented by the diaspora outside Iraq;

Whereas, the current Government of Iraq has publicly acknowledged the importance of the Archive and demonstrated a shared respect for the wishes of the Iraqi Jewish diaspora by attending the December 2013 burial of several Torah fragments from the Archive in New York;

Whereas United States taxpayers have invested \$3,000,000 to restore the Iraqi Jewish Archive, and the National Archives and Records Administration has worked diligently to preserve the artifacts;

Whereas the National Archives and Records Administration is displaying the Iraqi Jewish Archive in Washington, D.C. from October 11, 2013, to January 5, 2014, and in New York City from February 4, 2014, to May 18, 2014; and

Whereas the Iraqi Embassy to the United States has said that the Iraqi Jewish community, like other communities in Iraq, played a key role in building the country, shared in its prosperity, and also suffered exile and forced departure because of tyranny: Now, therefore, be it

Resolved, That the Senate—

(1) strongly urges the Department of State to renegotiate with the Government of Iraq the provisions of the original agreement that was signed between the National Archives and Records Administration and the Coalition Provisional Authority in order to ensure that the Iraqi Jewish Archive be kept in a place where its long-term preservation and care can be guaranteed;

(2) recognizes that the Iraqi Jewish Archive should be housed in a location that is accessible to scholars and to Iraqi Jews and their descendants who have a personal interest in it;

(3) recognizes that the agreement between the National Archives and Records Administration and the Coalition Provisional Authority was signed before knowing the complete history of the Iraqi Jewish Archive;

(4) reaffirms the United States commitment to cultural property under international law; and

(5) reaffirms the United States commitment to ensuring justice for victims of ethnic and religious persecution.

SENATE RESOLUTION 334—RECOGNIZING THE GOALS OF CATHOLIC SCHOOLS WEEK AND HONORING THE VALUABLE CONTRIBUTIONS OF CATHOLIC SCHOOLS IN THE UNITED STATES

Mr. VITTER (for himself and Mr. JOHANN) submitted the following resolution; which was referred to the Com-

mittee on Health, Education, Labor, and Pensions:

S. RES. 334

Whereas Catholic schools in the United States have received international acclaim for academic excellence while providing students with lessons that extend far beyond the classroom;

Whereas Catholic schools present a broad curriculum that emphasizes the lifelong development of moral, intellectual, physical, and social values in the young people of the United States;

Whereas Catholic schools in the United States today educate 2,001,740 students and maintain a student-to-teacher ratio of 13 to 1;

Whereas the faculty members of Catholic schools teach a highly diverse body of students;

Whereas the graduation rate for all Catholic school is 99 percent;

Whereas 85 percent of Catholic high school graduates go on to college;

Whereas Catholic schools produce students who are strongly dedicated to faith, values, families, and communities by providing an intellectually stimulating environment rich in spiritual character and moral development; and

Whereas in the 1972 pastoral message concerning Catholic education, the National Conference of Catholic Bishops stated: "Education is one of the most important ways by which the Church fulfills its commitment to the dignity of the person and building of community. Community is central to education ministry, both as a necessary condition and an ardently desired goal. The educational efforts of the Church, therefore, must be directed to forming persons-in-community; for the education of the individual Christian is important not only to his solitary destiny, but also the destinies of the many communities in which he lives." Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the goals of Catholic Schools Week, an event cosponsored by the National Catholic Educational Association and the United States Conference of Catholic Bishops that recognizes the vital contributions of thousands of Catholic elementary and secondary schools in the United States; and

(2) commends Catholic schools, students, parents, and teachers across the United States for ongoing contributions to education and for playing a vital role in promoting and ensuring a brighter, stronger future for the United States.

SENATE RESOLUTION 335—DESIGNATING JANUARY 2014 AS "NATIONAL MENTORING MONTH"

Ms. LANDRIEU (for herself, Mr. ISAKSON, Mrs. GILLIBRAND, Mr. SCHUMER, Mrs. FEINSTEIN, Mrs. MURRAY, Mr. CARPER, Ms. BALDWIN, Mr. BROWN, Mr. WYDEN, Mr. SCOTT, Ms. WARREN, Ms. KLOBUCHAR, Mr. DURBIN, Mr. COCHRAN, and Mr. RUBIO) submitted the following resolution; which was considered and agreed to:

S. RES. 335

Whereas the goals of National Mentoring Month are to raise awareness of mentoring, recruit individuals to volunteer as mentors, and encourage organizations to engage and integrate quality mentoring into their efforts;

Whereas mentoring is a longstanding tradition in which a dependable, caring adult pro-

vides guidance, support, and encouragement to facilitate the social, emotional, and cognitive development of a young person;

Whereas a mentor is a caring, consistent presence who devotes time to a young person to help that young person discover personal strength and achieve their potential through a structured and trusting relationship;

Whereas research on mentoring shows that formal, high-quality mentoring programs focused on developing the competence and character of mentees promote positive outcomes, such as improved academic achievement, self-esteem, social skills, and career development;

Whereas research shows that young people who are matched with a caring adult through a quality mentoring program are 46 percent less likely to use illegal drugs, 27 percent less likely to start drinking, 52 percent less likely to skip school, 37 percent less likely to skip class, and are more trusting of their parents or guardians;

Whereas more than 5,000 mentoring programs in communities of all sizes across the United States focus on building strong, effective relationships between mentors and mentees;

Whereas approximately 3,000,000 young people in the United States are in formal mentoring relationships due to the remarkable vigor, creativity, and resourcefulness of the thousands of mentoring programs in communities throughout the United States;

Whereas in spite of the progress made to increase mentoring, the United States has a serious "mentoring gap", with nearly 15,000,000 young people in need of mentors;

Whereas, in 2012, 399,546 children were in foster care in the United States, many of whom were without a mentor and 26,000 of whom "aged out" of foster care by reaching adulthood without being placed in a permanent home;

Whereas mentor programs that serve foster children are unique and require additional considerations, including specialized training and support necessary to provide for consistent, meaningful, and long-term relationships for children in foster care;

Whereas mentoring is a proven cost-effective investment;

Whereas for every dollar invested in mentoring, there is a 3 dollar return to society;

Whereas mentoring partnerships between the public and private sectors bring State and local leaders together to support mentoring programs by preventing duplication of efforts, offering training in industry best practices, and making the most of limited resources to benefit young people in the United States;

Whereas the designation of January 2014 as "National Mentoring Month" will call attention to the critical role mentors play in helping young people realize their potential; and

Whereas a month-long celebration of mentoring will encourage more individuals and organizations, including schools, businesses, nonprofit organizations, faith institutions, and foundations, to become engaged in mentoring and close the mentoring gap in the United States: Now, therefore, be it

Resolved, That the Senate—

(1) designates the month of January 2014 as "National Mentoring Month";

(2) recognizes with gratitude the contributions of the millions of caring adults and students who are already serving as mentors and encourages more adults and students to volunteer as mentors;

(3) supports the goals of mentoring to increase educational achievement, reduce juvenile delinquency, and improve life outcomes for mentees; and

(4) promotes the creation and expansion of quality mentoring programs across the country to equip more young people with the

tools needed to lead healthy and productive lives.

Whereas dangerous asbestos fibers are invisible and cannot be smelled or tasted;

Whereas the inhalation of airborne asbestos fibers can cause significant damage;

Whereas asbestos fibers can cause cancer such as mesothelioma, asbestosis, and other health problems;

Whereas symptoms of asbestos-related diseases can take 10 to 50 years to present themselves;

Whereas the projected life expectancy for an individual diagnosed with mesothelioma is between 6 and 24 months;

* * * *lioma, at a significantly higher rate than people in the United States as a whole; and

Whereas the designation of a “National Asbestos Awareness Week” will raise public awareness about the prevalence of asbestos-related diseases and the dangers of asbestos exposure: Now, therefore, be it

Resolved, That the Senate—

(1) designates the first week of April 2014 as “National Asbestos Awareness Week”;

(2) urges the Surgeon General of the United States to warn and educate people about the public health issue of asbestos exposure, which may be hazardous to their health; and
