HONORING OUR ARMED FORCES

SECOND LIEUTENANT JERED W. EWY

Mr. INHOFE. Mr. President, I wish to remember the life and sacrifice of a remarkable young man, Army 2LT Jered W. Ewy. Along with one other soldier, Jered died July 29, 2011, of injuries he sustained when his unit was attacked with improvised explosive devices in the town of Janak Kheyl, Paktia Province, Afghanistan, in support of Operation Enduring Freedom.

After graduating from Putnam City North High School, Jered enlisted in the Army Rangers in 1998 and was one of the first on the ground in Afghanistan after the tragic events of September 11, 2001. He served three tours of duty and then joined the Oklahoma National Guard in 2003 and served as an instructor.

While serving in the National Guard, Jered attended the University of Central Oklahoma pursuing a bachelor's degree in criminal justice. "What I wanted him to do was take the degree and get into law enforcement with the Department of Justice," his father, John Ewy said. "He turned it down because he missed the camaraderie."

While attending school he taught gymnastics in Edmond, OK. Although he was very involved in the community and truly enjoyed coaching the kids, "Gym was just kind of a side job while he could finish up school," added Dena Edwards. "I think the military was pretty much where his heart lies."

In January 2011 he graduated from Officer Candidate School and was assigned to Headquarters and Headquarters Company, 1st Battalion, 179th Infantry Regiment, 45th Infantry Brigade Combat Team, Oklahoma Army National Guard. He deployed to Afghanistan in June 2011.

"This loss of life has shaken every member of the Oklahoma National Guard to their core," said MG Myles L. Deering, Adjutant General for Oklahoma. "We have lost two very brave men who once raised their hands and took an oath to defend our nation. They courageously gave everything they had to ensure our freedom and safety and their sacrifice will not be forgotten."

"Jered was a man of integrity, discipline and honor who put everyone else first," family members wrote in his obituary. "He cared deeply about the men he served with but his true passion in his life was his wife Megan and infant daughter Kyla."

On August 11, 2011, the family held church services at Henderson Hills Baptist Church in Edmond, OK.

He is survived by his wife Megan of Edmond, daughter Kyla, mother Martha Nelson of Edmond, father and stepmother John and Ann Ewy of Moore, grandmother Harriet Ewy, siblings, Penny Clark and her husband Rob of Moore, Michelle Davis and her children Hayden, Colton and Cody, and Chad Nelson of Edmond, and many uncles and cousins.

Today we remember Army 2LT Jered W. Ewy, a young man who loved his family and country and gave his life as a sacrifice for freedom.

SERGEANT ANTHONY DEL MAR PETERSON

Mr. President, it is my honor to also honor the life and sacrifice of Army SGT Anthony Del Mar Peterson, of Chelsea, OK who died on August 4, 2011, serving our nation in Paktya province, Afghanistan. Sergeant Peterson was assigned to B Company, 1st Battalion, 279th Infantry, 45th Brigade Combat Team, OK Army National Guard.

Sergeant Peterson died of wounds suffered during a dismounted patrol when a group of insurgents attacked his unit with small arms fire in the Zurmat district of Paktya province, Afghanistan. Anthony had previously been deployed to Afghanistan in 2006–2007.

My heartfelt prayers go out to Dakota Justice Peterson, the young son Sergeant Peterson left behind. I remain confident he will grow to learn of his father's heroism; and pray the honor of his father may be carried with pride and cultivate in him, the character of his father.

Upon hearing of Sergeant Peterson's death, MG Myles Deering, the Adjutant General for Oklahoma stated, "Oklahoma has lost another brave son. Sergeant Peterson was an exceptional Soldier who worked tirelessly to protect the values that we as Americans hold close to our hearts."

Sergeant Peterson has also been described as an excellent non-commissioned officer and a committed soldier. Another friend has said that he will remember his zest for life, and his passion to lead others to Christ.

Born December 8, 1986 in Sacramento, CA, Anthony graduated from Chelsea High School in 2005 and Rogers State University in Claremore, OK in 2008. He was active in Campus Crusade for Christ, Baptist Collegiate, Rescue (Outreach Program), and Stop Child Trafficking, OATH.

He enjoyed hiking, camping, canoeing, hunting, and spending time with his family and friends. The most important things in his life were: God, family, and his country. Anthony's favorite quote was, "Come home with your shield—or on it."

Anthony is survived by his son, Dakota Justice Peterson of Owasso, parents, Garth and Terra Peterson of Owasso, siblings: Robert Edward Peterson, and Brittany Nicole Louise Peterson both of Owasso, grandparents: Ed and Gail Peterson of Chelsea, Paula and Richard Jones of Post Falls, ID, Les Marubashi of Chelsea, and Toni and Frank Trejo of Coquille, OR, nephew, Carter Myles Thomas of Owasso, and numerous extended family members who loved him.

I extend our deepest gratitude and condolences to Anthony's family. He lived a life of love for his son, family, friends, and our country. He will be remembered for his commitment to and belief in the greatness of our Nation. I am honored to pay tribute to this true American hero who volunteered to go into the fight and made the ultimate sacrifice of his life for our freedom.

ARMY SERGEANT MYCAL L. PRINCE

Mr. President, I am also honored to remember Army SGT Mycal L. Prince. Sergeant Prince was tragically killed in action on September 15, 2011, in Saygal Valley, Laghman Province, Afghanistan when enemy forces attacked his unit with rocket-propelled grenades and small arms fire.

Mycal was born July 16, 1983, in Chickasha, OK, to Harold and Arnetta—Schoolfield—Prince. After graduating from Ninnekah High School in 2001, he completed cleet training and served as a police officer in Rush Springs for 3 years. On October 25, 2001, he married Surana Smith in Chickasha, and they later moved to Minco in May 2009 where he served as a police officer with the K-9 Unit for 2 years.

Minco Police Chief Phil Blevins said, "He was one of the most professional and squared away young men I've ever met. He had things together in his family life, in his professional life. It's unbelievable for a man who is 28 how mature he was in all areas of his life."

Mycal was a member of Alpha Company, 1st Battalion, 179th Infantry, Oklahoma National Guard. He deployed to Afghanistan for his third tour on July 29, 2011.

"Sgt. Prince served his nation and this great state for more than a decade with honor and distinction," MG Myles L. Deering, Oklahoma's Adjutant General, said in a statement. "He joined the Guard five days after his 17th birthday. I think that says a lot about the kind of man Sgt. Prince was. He deployed to help the people of New Orleans after Hurricane Katrina in 2005 and went to Iraq in 2008. He could have gotten out of the service, but he chose to stay and serve his country."

Mycal was preceded in death by his father, Harold Prince, one child, and his paternal and maternal grandparents. He is survived by his wife Surana of Minco, two daughters, Raelynn and Mycaela of Minco, mother, Arnetta Prince of Stonewall, sister, Leslie Dickenson and husband Wade of Stonewall, sister, Kathy Prince of Stonewall, and Cody Prince as well as many nieces, nephews, relatives, and friends.

Funeral services with full military honors were held on September 26, 2011, at Bridge Assembly of God Church in Mustang, OK. Mycal was laid to rest in Bradley Cemetery in Bradley, OK.

Today we remember Army SGT Mycal L. Prince, a young man who loved his family and country, and gave his life as a sacrifice for freedom.

ADDITIONAL STATEMENTS

FAYETTE COUNTY, IOWA

• Mr. HARKIN. Mr. President, the strength of my State of Iowa lies in its vibrant local communities, where citizens come together to foster economic development, make smart investments to expand opportunity, and take the initiative to improve the health and well-being of residents. Over the decades, I have witnessed the growth and revitalization of so many communities across my State, and it has been deeply gratifying to see how my work in Congress has supported these local efforts.

I have always believed in accountability for public officials, and this, my final year in the Senate, is an appropriate time to give an accounting of my work across four decades representing Iowa in Congress. I take pride in accomplishments that have been national in scope—for instance, passing the Americans with Disabilities Act and spearheading successful farm bills. But I take a very special pride in projects that have made a big difference in local communities across my State.

Today, I wish to give an accounting of my work with leaders and residents of Fayette County to build a legacy of a stronger local economy, better schools and educational opportunities, and a healthier, safer community.

Between 2001 and 2013, the creative leadership in your community has worked with me to secure funding in Fayette County worth over \$4.7 million and successfully acquired financial assistance from programs I have fought hard to support, which have provided more than \$9 million to the local economy.

Of course my favorite memory of working together has to be the implementation of a downtown geothermal project through Main Street Iowa dollars, as well as funding to rehabilitate the Bus Barn building in West Union.

Among the highlights: Main Street Iowa: One of the greatest challenges we face—in Iowa and all across America—is preserving the character and vitality of our small towns and rural communities. This is not just about economics. It is also about maintaining our identity as Iowans. Main Street Iowa helps preserve Iowa's heart and soul by providing funds to revitalize downtown business districts. This program has allowed towns like West Union to use that money to leverage other investments to jumpstart change and renewal. I am so pleased that Fayette County has earned \$150,000 through this program. These grants build much more than buildings. They build up the spirit and morale of people in our small towns and local communities.

School grants: Every child in Iowa deserves to be educated in a classroom that is safe, accessible, and modern. That is why, for the past decade and a half, I have secured funding for the innovative Iowa Demonstration Construction Grant Program—better known among educators in Iowa as Harkin grants for public schools construction and renovation. Across 15 years, Harkin grants worth more than \$132 million have helped school districts to fund a range of renovation and repair efforts—everything from updating fire safety systems to building new schools. In many cases, these Federal dollars have served as the needed incentive to leverage local public and private dollars, so it often has a tremendous multiplier effect within a school district. Over the years, Fayette County has received \$2,145,041 in Harkin grants. Similarly, schools in Fayette County have received funds that I designated for Iowa Star Schools for technology totaling \$216,050.

Agricultural and rural development: Because I grew up in a small town in rural Iowa, I have always been a loyal friend and fierce advocate for family farmers and rural communities. I have been a member of the House or Senate Agriculture Committee for 40 years—including more than 10 years as chairman of the Senate Agriculture Committee. Across the decades, I have championed farm policies for Iowans
