At the appropriate place, insert the following:

SEC. ____ . MULTI-STATE TRANSPORTATION PRIORITIES.

(a) LIST.—The Secretary of Transportation (referred to in this section as the “Secretary”), in consultation with representative sample of State and local government transportation officials, shall compile a prioritized list of transportation projects, which shall guide the allocation of funding to States for multi-State transportation projects.

(b) CRITERIA.—In compiling the list under subsection (a), the Secretary, in addition to other criteria established by the Secretary, shall rank priorities in descending order, beginning with—

(1) the extent of the positive impact the project will have on 1 or more interstate highways;

(2) whether the project will repair or replace a road or bridge that—

(A) has been determined to be structurally or functionally obsolete; and

(B) poses a risk to public safety;

(3) the extent of the positive impact of the project on interstate commerce, as demonstrated by an examination of economic indicators, including—

(A) the impact of the project on shipping and trucking commerce;

(B) the nexus of the project to other States; and

(C) the availability of alternative routes;

(4) the difference between—

(A) the estimated volume of traffic that uses the road or bridge after the project is completed; and

(B) the volume of traffic that the existing road or bridge was designed to accommodate;

(5) the national significance (rather than the regional significance) of the project; and

(6) the ability of the applicable State or local government to provide additional funding for the project.

(c) **REPORT.**—Not later than 120 days after the date of enactment of this Act, the Secretary shall submit to Congress a report that includes—

(1) a prioritized list of multi-State transportation projects; and

(2) a description of the criteria used to establish the list referred to in paragraph (1).

(d) **QUARTERLY UPDATES.**—Not less frequently than 4 times each year, the Secretary shall—

(1) update the report submitted pursuant to subsection (c);

(2) transmit a copy of the report to Congress; and

(3) make copy of the report available to the public through the Department of Transportation website.

SA 3567. Insert after section 101 the following:

Subtitle B—Army Programs

SEC. 111. SENSE OF THE SENATE ON UH-72 LIGHT UTILITY HELICOPTER HEALTH AND USAGE MONITORING SYSTEM.

It is the sense of the Senate that—

(1) a health and usage monitoring system for the UH-72 Lakota Light Utility Helicopter (LUH) that provides early warning for failing systems may reduce costly emergency maintenance, improve maintenance schedules, and increase fleet readiness; and

(2) the Department of the Army should consider establishing LUH health and usage monitoring system requirements that comply with Federal Aviation Administration standards for certification and are based on the condition-based maintenance needs of the Army, provided that any decision to proceed with a program of record will be done using full and open competition in accordance with the Federal Acquisition Regulation.

SA 3568. Mr. INHOFE submitted an amendment intended to be proposed by him to the bill S. 2410, to authorize appropriations for fiscal year 2015 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of title I, add the following:

Subtitle E—Defense-wide, Joint, and Multiservice Matters

SEC. 151. PLAN FOR MODERNIZATION OR REPLACEMENT OF DIGITAL AVIONIC EQUIPMENT.

(a) **PLAN REQUIRED.**—Not later than 90 days after the date of the enactment of this Act, the Secretary of Defense shall submit to the congressional defense committees a plan for the modernization or replacement of digital avionics equipment, including use of commercial-off-the-shelf digital avionics equipment, to meet the Federal Aviation Administration's (FAA) NextGen Equipage Program requirements.

(b) **ELEMENTS.**—The plan required under subsection (a) shall include the following elements:

(1) A description of the requirements imposed on Department of Defense aircraft by the FAA transition to the NextGen program, including—

(A) an identification of the type and number of aircraft that the Department will need to upgrade;

(B) a definition of the upgrades needed for such aircraft; and

(C) the schedule required for the Department to make such upgrades in time to meet FAA NextGen Equipage Program requirements.

(2) A description of options for—

(A) acquiring new equipment, including—

(i) new procurement; and

(ii) leasing equipment and installation and other services, including the use of public-private partnerships; and

(B) modernizing existing equipment.

(3) An evaluation of the ability of each option to meet future operational requirements and to meet FAA NextGen Equipage Program requirements.

(4) Estimated timeline to modernize or replace the digital avionics equipment across the Department of Defense.

(5) Estimated costs of options to modernize or replace the avionics equipment across the Department in order to meet FAA NextGen Equipage Program requirements.

SA 3569. Mr. INHOFE submitted an amendment intended to be proposed by him to the bill S. 2410, to authorize appropriations for fiscal year 2015 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle F of title X, add the following:

SEC. 1069. REPORT ON PHYSICAL SECURITY AT DEPARTMENT OF DEFENSE FACILITIES.

(a) **FINDING.**—Congress finds that the Secretary of Defense reviewed security standards at Department of Defense facilities following both the November 2009 shootings at Fort Hood, Texas, and the September 2013 shootings at the Washington Navy Yard, District of Columbia, which included an assessment of the ability of the Department to detect, prevent, and respond to future incidents at such facilities.

(b) **REPORT.**—

(1) **IN GENERAL.**—Not later than April 30, 2015, the Secretary of Defense shall submit to Congress a report setting forth a summary of the actions taken by the Department of Defense to respond to the recommendations resulting from the reviews of security standards described in subsection (a).

(2) **ELEMENTS.**—The report shall include the following:

(A) Summary of the recommendations described in paragraph (1).

(B) A description of the actions taken on each recommendation.

(C) An assessment of current and planned physical security capabilities at Department facilities, and their ability to meet Department physical security requirements.

(D) An identification and assessment of known and potential physical security shortfalls at Department facilities.

(E) An assessment of the ability of the Department to eliminate or mitigate shortfalls in physical security at Department facilities, including recommendations on means to increase physical security at such facilities and the funding required to implement such means.
