PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-317. A resolution adopted by the House of Representatives of the State of Michigan urging the United States Department of Veterans Affairs to follow Federal Housing Administration guidelines as they apply to site condominiums and view them as single-family homes as long as they meet certain criteria; to the Committee on Banking, Housing, and Urban Affairs.

HOUSE RESOLUTION No. 371

Whereas, Financing condominium ownership using government-backed loans is challenging. Traditional condominium units can be riskier for lenders because of the rights afforded to condominium associations, how associations are structured, and deed restrictions. This has made loans backed by the Federal Housing Administration (FHA) and Department of Veterans Affairs (VA) difficult to obtain unless the condominium development meets occupancy requirements and is approved by the agency; and

Whereas, Site condominiums are single-family condominium developments that have the benefit of reducing some lending risks. Here, condominium units are stand-alone structures similar to single-family dwellings where owners are responsible for the upkeep of the entire structure rather than the interior alone and the association is responsible for maintaining the grounds; and

Whereas, In 2009, the FHA began allowing site condominium buyers in certain non-approved condominium developments to receive FHA financing so long as the development met certain criteria. This included requiring each unit to be a detached single-family unit where the entire structure is considered the condominium unit. The unit owner is also responsible for all insurance and maintenance costs of the structure; and

Whereas, The VA has not yet adopted a similar policy. The FHA's site condominium policy has been beneficial to low- and medium-income home buyers and would be beneficial to veterans as well. Allowing VA-backed loans to finance site condominiums ownership without needing condominium developments to be approved by the agency will help connect elderly and disabled veterans unable to perform day-to-day property maintenance with affordable housing in desirable neighborhoods. Now, therefore, be it

Resolved by the House of Representatives, That we urge the U.S. Department of Veterans Affairs to follow Federal Housing Administration guidelines as they apply to site

condominiums and view them as single-family homes as long as they meet certain criteria; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of Veterans Affairs, and the members of the Michigan congressional delegation.

POM-318. A resolution adopted by the House of Representatives of the State of Michigan condemning certain individuals for their violent attacks on civilian targets in Nigeria, and supporting efforts by the President of the United States and the United States Congress to assist the Nigerian government in the safe return of the abducted women and girls in Nigeria, to prevent further attacks, and to promote the human rights of women and girls in Nigeria; to the Committee on Foreign Relations.

HOUSE RESOLUTION NO. 396

Whereas, Boko Haram is an acknowledged militant, terrorist organization. Since 2011, it has claimed responsibility for a series of bombings, killing nearly 4,000 innocent people in Nigeria. It has targeted schools, mosques, churches, villages, agricultural centers, and government facilities in its escalating armed campaign to create an Islamic state in northern Nigeria; and

Whereas, On April 14, Boko Haram abducted at gunpoint 276 teenage girls from the Government Girls Secondary School in the Federal Republic of Nigeria. While at least 53 girls immediately escaped, the remaining girls remain missing. Boko Haram has a history of kidnapping girls in the past for use as cooks and sex slaves, and there are reports that the abducted girls have been sold as brides to Islamist militants for the equivalent of \$12 each; and

Whereas, In support of the Nigerian government, the United States dispatched drones over Nigeria to search for the abducted girls and deployed 80 soldiers to guard the drone base in nearby Chad. Other nations have also pledged support to help safely bring back the abducted girls. Despite these cooperative efforts, the abducted girls remain missing, and on June 9, Boko Haram abducted at least 20 additional women and girls from a village just miles from the earlier incident; and

Whereas, Boko Haram's increasingly bold attacks must be countered by a strong initiative to recover the abducted women and girls and prevent future attacks. This extremist group represents a growing threat to peace and stability in this region and to the United States' interests in this region. There are legitimate fears that Boko Haram may be emboldened to carry out attacks against Western targets, such as the U.S. Embassy and hotels frequented by Westerners: Now, therefore be it

Resolved by the House of Representatives, That we condemn Boko Haram for its violent attacks on civilian targets in Nigeria and call for the immediate, safe return of the women and girls abducted by them; and be it further

Resolved, That we express strong support for the people of Nigeria, especially the parents and families of the abducted women and girls, and encourage the Nigerian government to strengthen efforts that protect children seeking to obtain an education and to hold those who conduct violent acts against them accountable; and be it further

Resolved, That we support offers of United States assistance to the Nigerian government in the search for the abducted women and girls and courage the U.S. Department of State and the United States Agency for International Development to continue sup-

port for initiatives that promote the human rights of women and girls in Nigeria; and be it further

Resolved, That we support our nation's efforts to hold terrorist organizations, such as Boko Haram, accountable and urge the President of the United States to provide a comprehensive strategy to counter the growing threat posed by radical Islamist terrorist groups in West Africa, the Sahel, and North Africa; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-319. A resolution adopted by the House of Representatives of the State of Michigan memorializing the United States Congress to take such actions as are necessary to pass the Helping Families in Mental Health Crisis Act of 2013; to the Committee on Health, Education, Labor, and Pensions.

HOUSE RESOLUTION NO. 388

Whereas, According to the Centers for Disease Control and Prevention, mental illness is defined as "health conditions that are characterized by alterations in thinking, mood, or behavior (or some combination thereof) associated with distress and/or impaired function." The National Institute of Mental Health states, "While mental disorders are common in the United States, the burden of illness is particularly concentrated among those who experience disability due to serious mental illness (SMI)"; and

Whereas, In a given year, approximately ten million Americans experience serious mental illness, such as schizophrenia, major depression, or bipolar disorder. Furthermore, approximately four million Americans experiencing serious mental illness do not receive treatment in a given year. Laws, regulations, and misinterpretations frequently shut out families attempting to get effective appropriate treatment for their loved ones in a mental health crisis; and

Whereas, There are ten times more individuals with serious mental illness in jails and prisons than in state psychiatric hospitals. Federal laws and billing policies restrict the ability of persons on Medicaid to receive high-quality inpatient and outpatient mental health treatment; and

Whereas, Current spending needs to be more focused on the most effective services and most severe mental illnesses. United States Congressman Tim Murphy of Pennsylvania has introduced the Helping Families in Mental Health Crisis Act of 2013 (H.R. 3717). The act would create a new Assistant Secretary for Mental Health and Substance Abuse Disorders to coordinate funding between agencies, collect increased data on treatment outcomes, and drive evidence-based care. To address issues regarding the shortage of psychiatric professionals, the Helping Families in Mental Health Crisis Act of 2013 would advance alternatives to inpatient care and prioritize early intervention: Now, therefore, be it

Resolved by the House of Representatives, That we memorialize the United States Congress to take such actions as are necessary to pass the Helping Families in Mental Health Crisis Act of 2013; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.
