

that helped raise him. He was a role model for children in the community, and he always took the time to speak with students at the local high school about staying on the right track. Officer Goodell was eager to help others, from working to make our streets safer to once assisting a man who had collapsed at his gym. Simply put, his dedication saved lives.

Officer Goodell is mourned by his father Mark, his mother Patricia, his fiancée Jillian, his sister Nicole, his niece and nephew, a large extended family, many friends and neighbors, fellow Waldwick Police Department personnel, the Borough of Waldwick, and the entire State of New Jersey. His spirit of service and his dedication to his community and to our Nation will be long remembered by those he protected and served. I ask my colleagues in the Senate to please join me in honoring this remarkable young police officer and marine, and in recognizing his tremendous service.●

RECOGNIZING VETERANS SUPPORT NETWORK

● Mr. HELLER. Madam President, I wish to recognize a veterans education program within Las Vegas known as Veterans Support Network for its continued dedication to helping its fellow servicemembers gain training and certifications that will assist them in becoming self-sufficient. This unique program works to improve the lives of disabled, visually impaired, and homeless veterans by providing educational classes and trainings, funding for on-the-job training, as well as professional talking books and Braille books to assist those with disabilities.

The brave men and women who served the United States and fought to protect our freedom have often come home to a struggling economy. A number of veterans are unable to find a job or afford to buy or rent a home. As the demographics of our Armed Forces have changed throughout the years, so too have the needs of homeless veterans. As a member of the Senate Veterans' Affairs Committee, this is an issue I have been personally involved with and have introduced legislation to address. Organizations like the Veterans Support Network serve to help those in need in the Las Vegas community. This organization is a shining example of the kind of initiatives that will help to get our veterans off of the streets.

There is no way to adequately thank the men and women that lay down their lives for our freedoms, but the founders and volunteers at the Veterans Support Network are working to assist our Nation's veterans by giving them the opportunity to start a new career. The organization was founded by Ed Manley, a brave veteran who has selflessly been working toward the betterment of the homeless veteran community by teaching certification classes and working tirelessly to find funds

to assist the homeless and wounded veterans within the community. This organization's continued dedication to serving veterans needing to learn new skills, build resume experience and earn wages through work assistance programs is commendable.

As a member of the Senate Veterans' Affairs Committee, I know the struggles that our veterans face after returning home from the battlefield. Congress has a responsibility not only to honor these brave individuals, but to ensure they receive the quality care they have earned and deserve. I remain committed to upholding this promise for our veterans and servicemembers in Nevada and throughout the Nation. I am very pleased that veterans service organizations like the Veterans Support Network are committed to ensuring that the needs of our veterans are being met.

Today, I ask my colleagues and all Nevadans to join me in recognizing the Veterans Support Network, an organization whose mission is both noble and charitable. I am both humbled and honored to recognize the Veteran's Support Network's mission of providing veterans with the skills that will allow them the opportunity to change their circumstances. This organization's commitment to helping struggling veterans get back on their feet is admirable, and I wish them the best of luck in all of their future endeavors.●

TEXT OF AN AMENDMENT TO THE AGREEMENT BETWEEN THE GOVERNMENT OF THE UNITED STATES OF AMERICA AND THE GOVERNMENT OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND FOR COOPERATION ON THE USES OF ATOMIC ENERGY FOR MUTUAL DEFENSE PURPOSES OF JULY 3, 1958, AS AMENDED—PM 51

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Foreign Relations:

To the Congress of the United States:

I am pleased to transmit to the Congress, pursuant to section 123 d. of the Atomic Energy Act of 1954, as amended, the text of an amendment (the "Amendment") to the Agreement Between the Government of the United States of America and the Government of the United Kingdom of Great Britain and Northern Ireland for Cooperation on the Uses of Atomic Energy for Mutual Defense Purposes of July 3, 1958, as amended (the "1958 Agreement"). I am also pleased to transmit my written approval, authorization, and determination concerning the Amendment. The joint unclassified letter submitted to me by the Secretaries of Defense and Energy providing a summary position on the unclassified portions of the Amendment is also enclosed. The joint

classified letter and classified portions of the Amendment are being transmitted separately via appropriate channels.

The Amendment extends for 10 years (until December 31, 2024), provisions of the 1958 Agreement that permit the transfer between the United States and the United Kingdom of classified information concerning atomic weapons; nuclear technology and controlled nuclear information; material and equipment for the development of defense plans; training of personnel; evaluation of potential enemy capability; development of delivery systems; and the research, development, and design of military reactors. Additional revisions to portions of the Amendment and Annexes have been made to ensure consistency with current United States and United Kingdom policies and practice regarding nuclear threat reduction, naval nuclear propulsion, and personnel security.

In my judgment, the Amendment meets all statutory requirements. The United Kingdom intends to continue to maintain viable nuclear forces into the foreseeable future. Based on our previous close cooperation, and the fact that the United Kingdom continues to commit its nuclear forces to the North Atlantic Treaty Organization, I have concluded it is in the United States national interest to continue to assist the United Kingdom in maintaining a credible nuclear deterrent.

I have approved the Amendment, authorized its execution, and urge that the Congress give it favorable consideration.

BARACK OBAMA.
