SUBMITTED RESOLUTIONS

SENATE RESOLUTION 517—EXPRESSING SUPPORT FOR ISRAEL'S RIGHT TO DEFEND ITSELF AND CALLING ON HAMAS TO IMMEDIATELY CEASE ALL ROCKET AND OTHER ATTACKS AGAINST ISRAEL

Mr. GRAHAM (for himself, Mr. SCHUMER, Ms. AYOTTE, Mr. CARDIN, Mr. RUBIO, and Mr. BLUMENTHAL) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 517

Whereas, on July 17, 2014, the Senate unanimously passed a resolution supporting Israel's absolute right to defend its citizens

and ensure the survival of the State of Israel, condemning the actions of Hamas, and calling for the President of the Palestinian Authority to dissolve the unity government with Hamas;

Whereas, since June 2014, Hamas has fired over 1,800 rockets at Israel;

Whereas Hamas has used a system of tunnels to smuggle weapons and launch attacks on Israel;

Whereas, since ground operations in Gaza began, the Israeli Defense Forces (IDF) have discovered 28 of these tunnels whose only purpose is to kill and kidnap Israelis;

Whereas Hamas' weapons arsenal includes approximately 12,000 rockets that vary in range;

Whereas innocent Israeli civilians are indiscriminately targeted by Hamas rocket attacks;

Whereas 5,000,000 Israelis are currently living under the threat of rocket attacks from Gaza;

Whereas the Iron Dome system has saved countless lives inside Israel;

Whereas, consistent with Article 51 of the United Nations charter, which recognizes a nation's right to self-defense, Israel must be allowed to take any actions necessary to remove those threats;

Whereas the IDF has used text messages, leaflet drops, phone calls, and other methods to clear out areas and avoid unnecessary civilian casualties;

Whereas Hamas uses civilians in Gaza as human shields by placing missile launchers next to schools, hospitals, mosques, and private homes;

Whereas Hamas' interior ministry has called on residents of Gaza to ignore IDF warning to get out of harm's way; and

Whereas any effort to broker a ceasefire agreement that does not eliminate those threats cannot be sustained in the long run and will leave Israel vulnerable to future attacks: Now, therefore, be it

Resolved, That the Senate—

(1) reaffirms its support for Israel's right to defend its citizens and ensure the survival of the State of Israel;

(2) calls on the United Nations Secretary General to immediately condemn the terrorist attacks by Hamas on Israel;

(3) urges the international community to condemn the unprovoked rocket fire at Israel;

(4) recognizes that the Government of Israel must be allowed to take actions necessary to remove the present and future threats posed by Hamas' rockets and tunnels;

(5) calls on Hamas to immediately cease all rocket and other attacks against Israel;

(6) opposes any efforts to impose a cease fire that does not allow for the Government of Israel to protect its citizens from threats posed by Hamas rockets and tunnels; and

(7) calls on Hamas to stop using residents of Gaza as human shields.

SENATE RESOLUTION 518—DESIGNATING THE WEEK OF OCTOBER 12 THROUGH OCTOBER 18, 2014, AS "NATIONAL CASE MANAGEMENT WEEK" TO RECOGNIZE THE ROLE OF CASE MANAGEMENT IN IMPROVING HEALTH CARE OUTCOMES FOR PATIENTS

Mr. PRYOR (for himself and Mr. BOOZMAN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 518

Whereas case management is a collaborative process of assessment, education,

planning, facilitation, care coordination, evaluation, and advocacy;

Whereas the goal of case management is to meet the health needs of the patient and the family of the patient, while respecting and assuring the right of the patient to self-determination through communication and other available resources in order to promote high-quality, cost-effective outcomes;

Whereas case managers are advocates who help patients understand their current health status, guide patients on ways to improve their health, and provide cohesion with other professionals on the health care delivery team;

Whereas the American Case Management Association and the Case Management Society of America work diligently to raise awareness about the broad range of services case managers offer and to educate providers, payers, regulators, and consumers on the improved patient outcomes that case management services can provide;

Whereas through National Case Management Week, the American Case Management Association and the Case Management Society of America aim to continue to educate providers, payers, regulators, and consumers about how vital case managers are to the successful delivery of health care;

Whereas the American Case Management Association and the Case Management Society of America will celebrate National Case Management Week during the week of October 12 through October 18, 2014, in order to recognize case managers as an essential link to patients receiving quality health care; and

Whereas it is appropriate to recognize the many achievements of case managers in improving health care outcomes: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week of October 12 through October 18, 2014, as "National Case Management Week";

(2) recognizes the role of case management in providing successful and cost-effective health care; and

(3) encourages the people of the United States to observe National Case Management Week and learn about the field of case management.

SENATE RESOLUTION 519—DESIGNATING AUGUST 16, 2014, AS "NATIONAL AIRBORNE DAY"

Ms. MURKOWSKI (for herself, Mr. REED of Rhode Island, Mr. REID of Nevada, Mr. MCCONNELL, Mrs. HAGAN, Mr. WHITEHOUSE, Mr. BLUMENTHAL, Mrs. MURRAY, Mr. MANCHIN, Mr. CASEY, Mr. RUBIO, Mr. BLUNT, Mr. BURR, Mr. BEGICH, Ms. AYOTTE, Mr. MORAN, Mr. COCHRAN, Mr. TESTER, and Mr. WALSH) submitted the following resolution; which was considered and agreed to:

S. RES. 519

Whereas the members of the airborne forces of the Armed Forces of the United States have a long and honorable history as bold and fierce warriors who, for the national security of the United States and the defense of freedom and peace, project the ground combat power of the United States by air transport to the far reaches of the battle area and to the far corners of the world;

Whereas the experiment of the United States with airborne operations began on June 25, 1940, when the Army Parachute Test Platoon was first authorized by the Department of War, and 48 volunteers began training in July 1940;

Whereas August 16 marks the anniversary of the first official Army parachute jump,

which took place on August 16, 1940, to test the innovative concept of inserting United States ground combat forces behind a battle line by means of a parachute;

Whereas the success of the Army Parachute Test Platoon in the days immediately before the entry of the United States into World War II validated the airborne operational concept and led to the creation of a formidable force of airborne formations that included the 11th, 13th, 17th, 82nd, and 101st Airborne Divisions;

Whereas, included in those divisions, and among other separate formations, were many airborne combat, combat support, and combat service support units that served with distinction and achieved repeated success in armed hostilities during World War II;

Whereas the achievements of the airborne units during World War II prompted the evolution of those units into a diversified force of parachute and air-assault units that, over the years, have fought in Korea, Vietnam, Grenada, Panama, the Persian Gulf region, and Somalia, and have engaged in peace-keeping operations in Lebanon, the Sinai Peninsula, the Dominican Republic, Haiti, Bosnia, and Kosovo;

Whereas, since the terrorist attacks of September 11, 2001, the members of the United States airborne forces, including members of the XVIII Airborne Corps, the 82nd Airborne Division, the 101st Airborne Division, the 173rd Airborne Brigade Combat Team, the 4th Brigade Combat Team (Airborne) of the 25th Infantry Division, the 75th Ranger Regiment, special operations forces of the Army, Marine Corps, Navy, and Air Force, and other units of the Armed Forces, have demonstrated bravery and honor in combat, stability, and training operations in Afghanistan and Iraq;

Whereas the modern-day airborne forces also include other elite forces composed of airborne trained and qualified special operations warriors, including Army Special Forces, Marine Corps Reconnaissance units, Navy SEALs, and Air Force combat control and pararescue teams;

Whereas, of the members and former members of the United States airborne forces, thousands have achieved the distinction of making combat jumps, dozens have earned the Medal of Honor, and hundreds have earned the Distinguished Service Cross, the Silver Star, or other decorations and awards for displays of heroism, gallantry, intrepidity, and valor;

Whereas the members and former members of the United States airborne forces are all members of a proud and honorable tradition that, together with the special skills and achievements of those members, distinguishes the members as intrepid combat parachutists, air assault forces, special operation forces, and, in the past, glider troops;

Whereas individuals from every State of the United States have served gallantly in the airborne forces, and each State is proud of the contributions of its paratrooper veterans during the many conflicts faced by the United States;

Whereas the history and achievements of the members and former members of the United States airborne forces warrant special expressions of the gratitude of the people of the United States; and

Whereas, since the airborne forces, past and present, celebrate August 16 as the anniversary of the first official jump by the Army Parachute Test Platoon, August 16 is an appropriate day to recognize as National Airborne Day: Now, therefore, be it

Resolved, That the Senate—

(1) designates August 16, 2014, as “National Airborne Day”; and

(2) calls on the people of the United States to observe National Airborne Day with appropriate programs, ceremonies, and activities.

SENATE RESOLUTION 520—CONDEMNING THE DOWNING OF MALAYSIA AIRLINES FLIGHT 17 AND EXPRESSING CONDOLENCES TO THE FAMILIES OF THE VICTIMS

Mr. MURPHY (for himself and Mr. JOHNSON of Wisconsin) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 520

Whereas, on July 17, 2014, Malaysian Airlines Flight 17 tragically crashed in eastern Ukraine, killing all 298 passengers and crew, including 80 children;

Whereas President Barack Obama has offered President of Ukraine Petro Poroshenko all possible assistance to determine the cause of the crash, including the services of the Federal Bureau of Investigations and the National Transportation Safety Board;

Whereas intelligence analysis shows that the plane was shot down by an anti-aircraft missile fired from an area controlled by pro-Russian separatists;

Whereas separatists have shot down 10 additional aircraft and took credit for shooting down another aircraft at approximately the same time as Malaysian Airlines Flight 17 crashed in eastern Ukraine;

Whereas separatists blocked international experts from accessing the crash site in the first 72 hours, preventing the proper care of the victims' bodies and allowing evidence from the crash to be removed and mishandled;

Whereas weapons and fighters have continued to flow across the border from the Russian Federation to eastern Ukraine, and there is evidence that the Government of the Russian Federation has been providing training to separatist fighters, including training on air defense systems;

Whereas this tragic incident has demonstrated that European and other foreign citizens are at risk from dangerous instability in Ukraine;

Whereas, on July 21, 2014, the United Nations Security Council condemned in the strongest terms the downing of Malaysian Airlines Flight 17 and demanded that those responsible be held to account and that all states fully cooperate with efforts to establish accountability;

Whereas British Prime Minister David Cameron asserted, “Russia cannot expect to continue enjoying access to European markets, European capital and European knowledge and technical expertise while she fuels conflict in one of Europe's neighbors.”; and

Whereas the United States Government has continued to implement sanctions against Russian and Ukrainian individuals responsible for destabilizing Ukraine and failing to end the violence: Now, therefore, be it

Resolved, That the Senate—

(1) condemns the shooting down of Malaysian Airlines Flight 17 in Eastern Ukraine that resulted in the deaths of all 298 passengers and crew;

(2) expresses its deepest condolences to the families of the victims and the people of the Netherlands, Malaysia, Australia, Indonesia, Great Britain, Germany, Belgium, the Philippines, Canada, and New Zealand;

(3) supports the ongoing international investigation into the attack on Malaysian

Airlines Flight 17, including unobstructed access to the crash site;

(4) calls on the Government of the Russian Federation to immediately stop the flow of weapons and fighters across the border with Ukraine, allow an Organization for Security and Co-operation in Europe (OSCE) monitoring mission on the border, and fully cooperate with the international investigation currently underway; and

(5) urges the European Union to join the United States Government in holding the Government of the Russian Federation accountable for its destabilizing actions in Ukraine through the use of increased sanctions.

S. RES. 521

Whereas on July 26, 1908, Attorney General Charles Bonaparte ordered newly-hired Federal investigators to report to the Office of the Chief Examiner of the Department of Justice, which subsequently was renamed the Federal Bureau of Investigation;

Whereas on July 26, 1947, President Truman signed the National Security Act of 1947 (50 U.S.C. 3001 et seq.), creating the Department of Defense, the National Security Council, the Central Intelligence Agency, and the Joint Chiefs of Staff, thereby laying the foundation for today's intelligence community;

Whereas the National Security Act of 1947, which appears in title 50 of the United States Code, governs the definition, composition, responsibilities, authorities, and oversight of the intelligence community of the United States;

Whereas the intelligence community is defined by section 3(4) of the National Security Act of 1947 (50 U.S.C. 3003(4)) to include the Office of the Director of National Intelligence, the Central Intelligence Agency, the National Security Agency, the Defense Intelligence Agency, the National Geospatial-Intelligence Agency, the National Reconnaissance Office, other offices within the Department of Defense for the collection of specialized national intelligence through reconnaissance programs, the intelligence elements of the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, the Federal Bureau of Investigation, the Drug Enforcement Administration, and the Department of Energy, the Bureau of Intelligence and Research of the Department of State, the Office of Intelligence and Analysis of the Department of the Treasury, the elements of the Department of Homeland Security concerned with the analysis of intelligence information, and other elements as may be designated;

Whereas July 26, 2012, was the 65th anniversary of the signing of the National Security Act of 1947 (50 U.S.C. 3001 et seq.);

Whereas the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108-458; 118 Stat. 3638) created the position of the Director of National Intelligence to serve as the head of the intelligence community and to ensure that national intelligence be timely, objective, independent of political
