HONORING TERESA LAWRENCE

● Mr. VITTER. Mr. President, I wish today to honor Teresa Lawrence, CEO of Delta Personnel and the 2014 recipient of the Excelencia Award for Small Business Leadership by the Hispanic Chamber of Commerce of Louisiana.

Teresa was born in Cuba and came to the United States in 1973 to escape tyranny. She came here with her mother, brother, and grandmother. Tragically, her father was unable to join the family in leaving Cuba and was killed 4 years later.

Teresa's mother, along with her grandmother, instilled in her a strong work ethic. She began working at the age of 14 by bagging groceries, and eventually worked her way up to the position of advertising account executive. She attended college for 2 years until her mother was injured and needed her help. Teresa then took a full time job at a large architectural firm to help support the family. She said this position helped sharpen her skills and expand her vocabulary.

In 1988, Teresa married David Lawrence, whose family owned and operated a staffing agency, Delta Temporaries. That same year, the business was struggling and her father-in-law was diagnosed with Parkinson's disease, so David and Teresa quit their jobs and began running the company. With no formal training in the staffing profession, they spent years trying to run the business, get out of debt, and just survive.

In 2000, Teresa became the sole owner of Delta Personnel. Just when she felt she had really turned things around, the community was devastated by Hurricane Katrina, which brought immeasurable changes not only to her business, but also to southeast Louisiana. Through a lot of hard work, Teresa and her staff were able to re-open the business in Baton Rouge before eventually being able to locate the business back home in Metairie.

Teresa is known as a great leader who places an emphasis on empowering her staff to make decisions needed to help their business grow and thrive. She participated in and graduated from the Goldman Sachs 10,000 Small Businesses program in New Orleans in March of 2012. Since joining 10,000 Small Businesses, her company has more than doubled their sales from \$2.3 million with expectations to exceed \$5 million this year. Teresa says the great reward is that she and her staff have placed more than 950 people in jobs across the Gulf Coast.

I am pleased to join with the Hispanic Chamber of Commerce of Louisiana in honoring Teresa Lawrence.●

NORTHWEST YOUTH CORPS ANNIVERSARY

● Mr. WYDEN. Mr. President, this weekend, the Northwest Youth Corps celebrated its 30th year of providing young people with opportunities to learn and lead. For three decades, Northwest Youth Corps has educated youth and young adults and instilled in them a strong sense of leadership, community, and environmental stewardship.

Northwest Youth Corps, NYC, founder Art Pope created NYC in 1984. Mr. Pope's inspiration for the NYC stemmed from the 1930s-era Civilian Conservation Corps, CCC, which provided work to the unemployed during the Great Depression. Mr. Pope was inspired by the hands-on, education-based model of the CCC and wanted to extend the vision of hard work and service to modern youth. The NYC philosophy encourages youth to pursue individual achievement, develop a solid work ethic and leadership skills, all while benefitting their communities and the environment.

Thirty years ago, NYC extended this vision to its first class of 52 students. Today, NYC serves more than 1,000 teens per year across 5 States. NYC offers a wide variety of programs for youth and teens from 12 to 19 years old. Youth enrolled in NYC summer programs learn conservation values in a hands-on learning environment. Summer programs range from teaching youth how to build trails and enhance natural habitats to 6-week camping programs where teens learn reforestation techniques. At the summer program graduation last year, I saw firsthand the sense of accomplishment and pride NYC students feel upon completing 6 weeks of conservation efforts in our State's beautiful forests.

In 1997, NYC drew from the success of its summer programs and established a full-year high school. Over the past 17 years, the OutDoor High School has grown into a fully-accredited, tuition-free, private high school with a strong focus on applied learning and environmental stewardship.

NYC's hands-on conservation education programs have enriched the lives of more than 16,000 students over the past 30 years, and have touched countless communities and ecosystems across the west. It is my pleasure to recognize Northwest Youth Corps 30th anniversary. I look forward to NYC's continued contribution to the community for many, many more years.●
