## SUBMITTED RESOLUTIONS

### SENATE RESOLUTION 542—SUPPORTING THE GOALS AND IDEALS OF NATIONAL SAVE FOR RETIREMENT WEEK, INCLUDING RAISING PUBLIC AWARENESS OF THE VARIOUS TAX-PREFERRED RETIREMENT VEHICLES AND INCREASING PERSONAL FINANCIAL LITERACY

Mr. CARDIN (for himself and Mr. ENZI) submitted the following resolution; which was considered and agreed to:

S. RES. 542

Whereas people in the United States are living longer, and the cost of retirement is increasing significantly;

Whereas Social Security remains the bedrock of retirement income for the great majority of the people of the United States but was never intended by Congress to be the sole source of retirement income for families;

Whereas recent data from the Employee Benefit Research Institute indicates that, in the United States, only approximately ⅓ of workers or their spouses are saving for retirement, and the amount that workers have saved for retirement is much less than the amount they need to adequately fund their retirement years;

Whereas the financial literacy of workers in the United States is important to their understanding of the need to save for retirement;

Whereas saving for retirement is a key component of overall financial health and security during retirement years, and the importance of financial literacy in planning for retirement must be advocated;

Whereas many workers may not be aware of their options in saving for retirement or may not have focused on the importance of, and need for, saving for retirement;

Whereas, although many employees have access through their employers to defined benefit and defined contribution plans to assist them in preparing for retirement, many of those employees may not be taking advantage of those plans at all or to the full extent allowed by Federal law;

Whereas saving for retirement is necessary even during economic downturns or market declines, which makes continued contributions all the more important;

Whereas all workers, including public and private sector employees, employees of tax-exempt organizations, and self-employed individuals, can benefit from developing personal budgets and financial plans that include retirement savings strategies that take advantage of tax-preferred retirement savings vehicles; and

Whereas the week of October 19 through October 25, 2014 has been designated as “National Save for Retirement Week”: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals and ideals of National Save for Retirement Week, including raising public awareness of the importance of saving adequately for retirement;

(2) acknowledges the need to raise public awareness of a variety of ways to save for retirement that are favored under the Internal Revenue Code of 1986 which are utilized by many people in the United States but could be utilized by more; and

(3) calls on States, localities, schools, universities, nonprofit organizations, businesses, other entities, and the people of the United States to observe National Save for Retirement Week with appropriate programs and activities, with the goal of increasing the retirement savings and personal financial literacy of all people in the United States.

Whereas bison can play an important role in improving the types of grasses found in landscapes to the benefit of grasslands;

Whereas a bison has been depicted on the official seal of the Department of the Interior since 1912;

Whereas bison hold significant economic value for private producers and rural communities;

Whereas, as of 2012, the United States Department of Agriculture estimates that 162,110 head of bison were under the stewardship of private producers, creating jobs and contributing to the food security of the United States by providing a sustainable and healthy meat source;

Whereas a bison is portrayed on 2 State flags;

Whereas the bison has been adopted by 3 States as the official mammal or animal of those States;

Whereas the buffalo nickel played an important role in modernizing the currency of the United States;

Whereas several sports teams have the bison as a mascot, which highlights the iconic significance of bison in the United States;

Whereas on December 8, 1905, William Hornaday, Theodore Roosevelt, and others formed the American Bison Society in response to the near extinction of bison in the United States;

Whereas on October 11, 1907, the American Bison Society sent 15 bison to the first big game refuge in the United States, which was known as the “Wichita Reserve Bison Refuge”;

Whereas in 2005, the American Bison Society was reestablished, bringing together bison ranchers, managers from Indian tribes,

Federal and State agencies, conservation organizations, and natural and social scientists from the United States, Canada, and Mexico to create a vision for the North American bison in the 21st century;

Whereas there are bison herds in National Wildlife Refuges and National Parks;

Whereas there are bison in State-managed herds across 11 States;

Whereas there is a growing effort to celebrate and officially recognize the historical, cultural, and economic significance of the North American bison to the heritage of the United States; and

Whereas members of Indian tribes, bison producers, conservationists, sportsmen, educators, and other public and private partners have participated in the annual National Bison Day since 2012 and are committed to continuing this tradition annually on the first Saturday of November: Now, therefore, be it

*Resolved*, That the Senate—
