

(d) VESSELS OF THE ARMED FORCES.—Nothing in this title shall be construed to apply to—

(1) a vessel owned or operated by the Department of Defense (other than a time-chartered or voyage-chartered vessel); or

(2) a vessel of the Coast Guard, as designated by the Secretary of the department in which the Coast Guard is operating.

SEC. 3608. ALTERNATIVE COMPLIANCE PROGRAM.

(a) IN GENERAL.—The Secretary, in consultation with the Administrator, may promulgate regulations establishing 1 or more compliance programs as an alternative to ballast water management regulations issued under section 3605 for a vessel that—

(1) has a maximum ballast water capacity of less than 8 cubic meters;

(2) is less than 3 years from the end of the useful life of the vessel, as determined by the Secretary; or

(3) discharges ballast water into a facility for the reception of ballast water that meets standards promulgated by the Administrator, in consultation with the Secretary.

(b) PROMULGATION OF FACILITY STANDARDS.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with the Secretary, shall promulgate standards for—

(1) the reception of ballast water from a vessel into a reception facility; and

(2) the disposal or treatment of the ballast water under paragraph (1).

SEC. 3609. JUDICIAL REVIEW.

(a) IN GENERAL.—An interested person may file a petition for review of a final regulation promulgated under this title in the United States Court of Appeals for the District of Columbia Circuit.

(b) DEADLINE.—A petition shall be filed not later than 120 days after the date that notice of the promulgation appears in the Federal Register.

(c) EXCEPTION.—Notwithstanding subsection (b), a petition that is based solely on grounds that arise after the deadline to file a petition under subsection (b) has passed may be filed not later than 120 days after the date that the grounds first arise.

SEC. 3610. EFFECT ON STATE AUTHORITY.

(a) IN GENERAL.—No State or political subdivision thereof may adopt or enforce any statute or regulation of the State or political subdivision with respect to a discharge incidental to the normal operation of a vessel after the date of enactment of this Act.

(b) SAVINGS CLAUSE.—Notwithstanding subsection (a), a State or political subdivision thereof may enforce a statute or regulation of the State or political subdivision with respect to ballast water discharges incidental to the normal operation of a vessel that specifies a ballast water performance standard that is more stringent than the ballast water performance standard under section 3605(a)(1)(A) and is in effect on the date of enactment of this Act if the Secretary, after consultation with the Administrator and any other Federal department or agency the Secretary considers appropriate, makes a determination that—

(1) compliance with any performance standard specified in the statute or regulation can in fact be achieved and detected;

(2) the technology and systems necessary to comply with the statute or regulation are commercially available; and

(3) the statute or regulation is consistent with obligations under relevant international treaties or agreements to which the United States is a party.

(c) PETITION PROCESS.—

(1) SUBMISSION.—The Governor of a State seeking to enforce a statute or regulation under subsection (b) shall submit a petition

requesting the Secretary to review the statute or regulation.

(2) CONTENTS; DEADLINE.—A petition shall—

(A) be accompanied by the scientific and technical information on which the petition is based; and

(B) be submitted to the Secretary not later than 90 days after the date of enactment of this Act.

(3) DETERMINATIONS.—The Secretary shall make a determination on a petition under this subsection not later than 90 days after the date that the petition is received.

SEC. 3611. APPLICATION WITH OTHER STATUTES.

Notwithstanding any other provision of law, this title shall be the exclusive statutory authority for regulation by the Federal Government of discharges incidental to the normal operation of a vessel to which this title applies. Except as provided under section 3605(a)(1)(A), any regulation in effect on the date immediately preceding the effective date of this Act relating to any permitting requirement for or prohibition on discharges incidental to the normal operation of a vessel to which this title applies shall be deemed to be a regulation issued pursuant to the authority of this title and shall remain in full force and effect unless or until superseded by new regulations issued hereunder.
