TITLE ____ —AUDIT OF THE DEPARTMENT OF DEFENSE

SEC. ____ 01. SHORT TITLE.

This title may be cited as the “Audit the Pentagon Act of 2014”.

SEC. ____ 02. FINDINGS.

Congress makes the following findings:

(1) Section 9 of Article I of the Constitution of the United States requires all agencies of the Federal Government, including the Department of Defense, to publish “a regular statement and account of the receipts and expenditures of all public money”.

(2) Section 3515 of title 31, United States Code, requires the agencies of the Federal Government, including the Department of Defense, to present auditable financial statements beginning not later than March 1, 1997. The Department has not complied with this law.

(3) The Federal Financial Management Improvement Act of 1996 (31 U.S.C. 3512 note) requires financial systems acquired by the Federal Government, including the Department of Defense, to be able to provide information to leaders to manage and control the cost of Government. The Department has not complied with this law.

(4) The financial management of the Department of Defense has been on the “High-Risk” list of the Government Accountability Office, which means that the Department is not consistently able to “control costs; ensure basic accountability; anticipate future costs and claims on the budget; measure performance; maintain funds control; [and] prevent and detect fraud, waste, and abuse”.

(5) The National Defense Authorization Act for Fiscal Year 2002 (Public Law 107–107) requires the Secretary of Defense to report to Congress annually on the reliability of the financial statements of the Department of Defense, to minimize resources spent on producing unreliable financial statements, and to use resources saved to improve financial management policies, procedures, and internal controls.

(6) In 2005, the Department of Defense created a Financial Improvement and Audit Readiness (FIAR) Plan, overseen by a directorate within the office of the Under Secretary of Defense (Comptroller), to improve Department business processes with the goal of producing timely, reliable, and accurate financial information that could generate an audit-ready annual financial statement. In December 2005, that directorate, known as the FIAR Directorate, issued the first of a series of semiannual reports on the status of the Financial Improvement and Audit Readiness Plan.

(7) The National Defense Authorization Act for Fiscal Year 2010 (Public Law 111–84) requires regular status reports on the Finan-

cial Improvement and Audit Readiness Plan described in paragraph (6), and codified as a statutory requirement the goal of the Plan in ensuring that Department of Defense financial statements are validated as ready for audit not later than September 30, 2017. In addition, the National Defense Authorization Act for Fiscal Year 2013 (Public Law 112–239) requires that the statement of budgetary resources of the Department of Defense be validated as ready for audit by not later than September 30, 2014.

(8) At a September 2010 hearing of the Senate, the Government Accountability Office stated that past expenditures by the Department of Defense of \$5,800,000,000 to improve financial information, and billions of dollars more of anticipated expenditures on new information technology systems for that purpose, may not suffice to achieve full audit readiness of the financial statement of the Department. At that hearing, the Government Accountability Office could not predict when the Department would achieve full audit readiness of such statements.

(9) At a 2013 hearing of the Senate, Secretary of Defense Chuck Hagel affirmed his commitment to audit-ready budget statements for the Department of Defense by the end of 2014, and stated that he “will do everything he can to fulfill this commitment”. At that hearing, Secretary Hagel noted that auditable financial statements were essential to the Department not only for improving the quality of its financial information, but also for reassuring the public and Congress that it is a good steward of public funds.

SEC. ____ 03. CESSATION OF APPLICABILITY OF REPORTING REQUIREMENTS REGARDING THE FINANCIAL STATEMENTS OF THE DEPARTMENT OF DEFENSE.

(a) **CESSATION OF APPLICABILITY.**—

(1) **MILITARY DEPARTMENTS.**—The financial statements of a military department shall cease to be covered by the reporting requirements specified in subsection (b) upon the issuance of an unqualified audit opinion on such financial statements.

(b) **REPORTING REQUIREMENTS.**—The reporting requirements specified in this subsection are the following:

(1) The requirement for annual reports in section 892(b) of the Ike Skelton National Defense Authorization Act for Fiscal Year 2011 (Public Law 111–383; 124 Stat. 4311; 10 U.S.C. 2306a note).

(2) The requirement for semi-annual reports in section 1003(b) of the National Defense Authorization Act for Fiscal Year 2010 (Public Law 111–84; 123 Stat. 2440; 10 U.S.C. 2222 note).

(3) The requirement for annual reports in section 817(d) of the Bob Stump National Defense Authorization Act for Fiscal Year 2003 (10 U.S.C. 2306a note).

(4) The requirement for annual reports in section 1008(a) of the National Defense Authorization Act for Fiscal Year 2002 (Public Law 107–107; 115 Stat. 1204; 10 U.S.C. 113 note).

(5) The requirement for periodic reports in section 908(b) of the Defense Acquisition Improvement Act of 1986 (Public Law 99–500; 100 Stat. 1783–140; 10 U.S.C. 2326 note) and duplicate requirements as provided for in section 6 of the Defense Technical Corrections Act of

Subtitle F—Palestinian Authority Reform

SEC. 1281. SHORT TITLE.

This subtitle may be cited as the “Palestinian and United Nations Anti-Terrorism Act of 2014”.

SEC. 1282. FINDINGS.

Congress makes the following findings:

(1) On April 23, 2014, representatives of the Palestinian Liberation Organization and Hamas, a designated terrorist organization, signed an agreement to form a government of national consensus.

(2) On June 2, 2014, Palestinian President Mahmoud Abbas announced a unity government as a result of the April 23, 2014, agreement.

(3) United States law requires that any Palestinian government that “includes Hamas as a member”, or over which Hamas exercises “undue influence”, only receive United States assistance if certain certifications are made to Congress.

(4) The President has taken the position that the current Palestinian government does not include members of Hamas or is influenced by Hamas and has thus not made the certifications required under current law.

(5) The leadership of the Palestinian Authority has failed to completely denounce and distance itself from Hamas’ campaign of terrorism against Israel.

(6) President Abbas has refused to dissolve the power-sharing agreement with Hamas even as more than 2,300 rockets have targeted Israel since July 2, 2014.

(7) President Abbas and other Palestinian Authority officials have failed to condemn Hamas’ extensive use of the Palestinian people as human shields.

(8) The Israeli Defense Forces have gone to unprecedented lengths for a modern military to limit civilian casualties.

(9) On July 23, 2014, the United Nations Human Rights Council adopted a one-sided resolution criticizing Israel’s ongoing military operations in Gaza.

(10) The United Nations Human Rights Council has a long history of taking anti-Israel actions while ignoring the widespread and egregious human rights violations of many other countries, including some of its own members.

(11) On July 16, 2014, officials of the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) discovered 20 rockets in one of the organization’s schools in Gaza, before returning the weapons to local Palestinian officials rather than dismantling them.

(12) On multiple occasions during the conflict in Gaza, Hamas has used the facilities

and the areas surrounding UNRWA locations to store weapons, harbor their fighters, and conduct attacks.

SEC. 1283. DECLARATION OF POLICY.

It shall be the policy of the United States—

(1) to deny United States assistance to any entity or international organization that harbors or collaborates with Hamas, a designated terrorist organization, until Hamas agrees to recognize Israel, renounces violence, disarms, and accepts prior Israeli-Palestinian agreements;

(2) to seek a negotiated settlement of this conflict only under the condition that Hamas and any United States-designated terrorist groups are required to entirely disarm; and

(3) to continue to provide security assistance to the Government of Israel to assist its efforts to defend its territory and people from rockets, missiles, and other threats.

SEC. 1284. RESTRICTIONS ON AID TO THE PALESTINIAN AUTHORITY.

For purposes of section 620K of the Foreign Assistance Act of 1961 (22 U.S.C. 2378b), any power-sharing government, including the current government, formed in connection with the agreement signed on April 23, 2014, between the Palestinian Liberation Organization and Hamas is considered a “Hamas-controlled Palestinian Authority”.

SEC. 1285. REFORM OF UNITED NATIONS HUMAN RIGHTS COUNCIL.

(a) IN GENERAL.—Until the Secretary of State submits to the appropriate congressional committees a certification that the requirements described in subsection (b) have been satisfied—

(1) the United States contribution to the regular budget of the United Nations shall be reduced by an amount equal to the percentage of such contribution that the Secretary determines would be allocated by the United Nations to support the United Nations Human Rights Council or any of its Special Procedures;

(2) the Secretary shall not make a voluntary contribution to the United Nations Human Rights Council; and

(3) the United States shall not run for a seat on the United Nations Human Rights Council.

(b) CERTIFICATION.—The annual certification referred to in subsection (a) is a certification made by the Secretary of State to Congress that the United Nations Human Rights Council’s agenda does not include a permanent item related to the State of Israel or the Palestinian territories.

(c) REVERSION OF FUNDS.—Funds appropriated and available for a United States contribution to the United Nations but withheld from obligation and expenditure pursuant to this section shall immediately revert to the United States Treasury and the United States Government shall not consider them arrears to be repaid to any United Nations entity.

SEC. 1286. UNITED STATES CONTRIBUTIONS TO THE UNITED NATIONS RELIEF AND WORKS AGENCY FOR PALESTINE REFUGEES IN THE NEAR EAST (UNRWA).

Section 301(c) of the Foreign Assistance Act of 1961 (22 U.S.C. 2221(c)) is amended to read as follows:

“(c) PALESTINE REFUGEES; CONSIDERATIONS AND CONDITIONS FOR FURNISHING ASSISTANCE.—

“(1) IN GENERAL.—No contributions by the United States to the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) for programs in the West Bank and Gaza, a successor entity or any related entity, or to the regular budget of the United Nations for the support of

UNRWA or a successor entity for programs in the West Bank and Gaza, may be provided until the Secretary certifies to the appropriate congressional committees that—

“(A) no official, employee, consultant, contractor, subcontractor, representative, or affiliate of UNRWA—

“(i) is a member of Hamas or any United States-designated terrorist group; or

“(ii) has propagated, disseminated, or incited anti-Israel, or anti-Semitic rhetoric or propaganda;

“(B) no UNRWA school, hospital, clinic, other facility, or other infrastructure or resource is being used by Hamas or an affiliated group for operations, planning, training, recruitment, fundraising, indoctrination, communications, sanctuary, storage of weapons or other materials, or any other purposes;

“(C) UNRWA is subject to comprehensive financial audits by an internationally recognized third party independent auditing firm and has implemented an effective system of vetting and oversight to prevent the use, receipt, or diversion of any UNRWA resources by Hamas or any United States-designated terrorist group, or their members; and

“(D) no recipient of UNRWA funds or loans is a member of Hamas or any United States-designated terrorist group.

“(2) APPROPRIATE CONGRESSIONAL COMMITTEES DEFINED.—In this subsection, the term ‘appropriate congressional committees’ means—

“(A) the Committees on Foreign Relations, Appropriations, and Homeland Security and Governmental Affairs of the Senate; and

“(B) the Committees on Foreign Affairs, Appropriations, and Oversight and Government Reform of the House of Representatives.”

SEC. 1287. ISRAELI SECURITY ASSISTANCE.

The equivalent amount of all United States contributions withheld from the Palestinian Authority, the United Nations Human Rights Council, and the United Nations Relief and Works Agency for Palestine Refugees in the Near East under this subtitle is authorized to be provided to—

(1) the Government of Israel for the Iron Dome missile defense system and other missile defense programs; and

(2) underground warfare training and technology and assistance to identify and deter tunneling from Palestinian-controlled territories into Israel.

SA 4019. Mr. RUBIO submitted an amendment intended to be proposed by him to the bill H.R. 3979, to amend the Internal Revenue Code of 1986 to ensure that emergency services volunteers are not taken into account as employees under the shared responsibility requirements contained in the Patient Protection and Affordable Care Act; which was ordered to lie on the table; as follows:

At the end of subtitle D of title III, add the following:

SEC. 333. REPORT ON SUPPORT FOR LAUNCHES IN SUPPORT OF NATIONAL SECURITY.

(a) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Secretary of the Air Force shall submit to the congressional defense committees a report on the requirements and investments needed to modernize Department of Defense space launch facilities and supporting infrastructure at Cape Canaveral Air Force Station and Vandenberg Air Force Base.

(b) ELEMENTS.—The report required under subsection (a) shall include the following elements:

(1) The results of the investigation into the failure of the radar system supporting the Eastern range in March 2014, including the causes for the failure.

(2) An assessment of each current radar and other system as well as supporting infrastructure required to support the mission requirement of the range, including back-up systems.

(3) An estimate of the annual level of dedicated funding required to maintain and modernize the range infrastructure in adequate condition to meet national security requirements.

(4) A review of requirements to repair, upgrade, and modernize the radars and other mission support systems to current technologies.

(5) A prioritized list of projects, costs, and projected funding schedules needed to carry out the maintenance, repair, and modernization requirements.

SA 4020. Mr. RUBIO submitted an amendment intended to be proposed by him to the bill H.R. 3979, to amend the Internal Revenue Code of 1986 to ensure that emergency services volunteers are not taken into account as employees under the shared responsibility requirements contained in the Patient Protection and Affordable Care Act; which was ordered to lie on the table; as follows:

At the end of subtitle G of title X, add the following:

SEC. 1080. SENSE OF CONGRESS ON BENEFITS OF USING SIMULATORS.

(a) FINDINGS.—Congress makes the following findings:

(1) The use of technologies such as virtual reality and modeling and simulation tools provides cutting-edge, cost-effective training and technology development for members of the Armed Forces.

(2) Leveraging such technologies is an especially relevant supplement to live training given the future of declining defense budgets.

(3) The implementation by the Air Force Agency for Modeling and Simulation of virtual reality centers is part of a coordinated effort to broaden the use of virtual training methods.

(4) Those centers use of a variety of training tools that give members of the Armed Forces and developers alike a realistic training experience that contributes to improved readiness and system effectiveness.

(5) Organizations like the United States Army Program Executive Office for Simulation, Training, and Instrumentation would benefit from increased utilization of virtual reality and modeling and simulations tools.

(6) Modeling and simulation tools can provide powerful planning and training capabilities to expose a member of the Armed Forces to the complexities and uncertainties of combat before ever leaving the member's home station. For example, the Naval Air Warfare Center Training Systems Division integrates the science of learning with performance-based training focused on improving the performance of members of the Army and Marine Corps and measures the effectiveness of such training. The Naval Air Warfare Center Training Systems Division continually engages members of the Army and Marine Corps to understand challenges, solve problems, create new capabilities, and provide essential support.

(7) The use of simulation training has yielded military units that are better trained, more capable, and more confident when compared to units that do not have access to modern simulation training devices.

(8) Simulation training can be a cost-effective means for units to improve combat readiness and tactical decisionmaking skills and ultimately to save lives.

(9) The Department of Defense could meet the training challenges of the future in a fiscally austere environment by leveraging simulation training that uses simulators owned and operated by the Federal Government combined with simulation training services provided by universities and industry.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the use of simulators offers cost savings and provides members of the Armed Forces exceptional preparation for combat; and

(2) existing synergies between the Department of Defense and entities in the private sector should be maintained and cultivated to provide members of the Armed Forces with the best simulation experience possible.
