HONORING SCENTSABILITY MICRO-ENTERPRISE, INC.

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. DEUTCH. Mr. Speaker, I rise today in honor of ScentsAbility Micro-Enterprise, Inc. as they are awarded the Platinum Business Award at this year's Connections luncheon, an annual awards ceremony sponsored by Career Source Broward and Palm Beach Counties. This award, presented by the South Florida Business Leadership Network, recognizes employers for disability-friendly practices and their commitment to training disabled Floridians for employment opportunities.

ScentsAbility has made it its mission to do exactly that. Under the guidance of ScentsAbility employees, disabled Floridians craft and sell homemade candles as well as learn important vocational and leadership skills that will allow them to succeed in a variety of workplace settings. ScentsAbility's care and commitment to this work has enabled countless Americans with special needs to live independently and with confidence. Too often, Americans with intellectual and physical disabilities are unable to find meaningful employment and earn a living. As a nation, it is important we recognize and enable organizations, such as ScentsAbility, that raise awareness of these critical issues and prioritize the diverse needs of our community.

It is with great pleasure that I honor ScentsAbility and its director, Ms. Bonnie Schmidt.

IN HONOR OF THE GREATER TOMBALL AREA CHAMBER OF COMMERCE

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. BRADY of Texas. Mr. Speaker, I stand today to honor the 50th anniversary of The Greater Tomball Area Chamber of Commerce of Tomball, Texas.

There is no doubt that the Tomball area is experiencing exciting economic growth. The area, once known for agriculture, oil, and the railroad is now a bustling corridor home to tech start-ups and manufacturing firms. Throughout this growth, one thing has stayed constant—the Greater Tomball Area Chamber of Commerce's small town friendliness.

Although the Chamber was not formally incorporated until 1965, it was first organized in the 1920s when a group of local businessmen identifying themselves as the chamber sent a

telegram to a Marshall, Texas doctor to entice him to move to the area.

Built upon a mission to provide resources and foster relationships that empower businesses to prosper, the Greater Tomball Area Chamber of Commerce is truly the model of excellence for all Chambers.

The Tomball Chamber's great success is due in no small part to the local business leaders who over the years have worked so hard to make Tomball the great community it is today.

Those men and women have been supported by a tremendous group of Chamber executives including Pete Still, Doris Johnson, Diane Holland and Bruce Hillegeist.

I had the privilege of working firsthand with Diane and Bruce as a chamber executive myself in nearby Montgomery County. Diane not only led the Tomball Chamber for 20 years but was the first woman to hold the post of Chairman of the Board of the Texas Chamber of Commerce Executives. Bruce, who currently serves as the Tomball Chamber's President, held that same post in 2010 and is widely respected for his vision, energy, and leadership.

Continually advocating on behalf of its members, the Chamber was a driving force in the creation of the Tomball Tollway which has brought much needed relief from congested roadways.

Additionally, the Chamber was a key player in bringing the community college to the Tomball community. Now known as Lone Star College—Tomball, the college has become an integral part of the Tomball economic infrastructure with an enrollment of over 12,000 students.

Today, I want all of America to join with us in celebrating 50 years of excellence. I cannot wait to see what the future holds for the Greater Tomball Area Chamber of Commerce.

ANTHONY JOSEPH NARUTOWICZ

HON. C. A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. RUPPERSBERGER. Mr. Speaker, I rise before you today to honor the life and legacy of Anthony Joseph "Tony" Narutowicz, a local business owner, U.S. veteran and active community leader, who passed on October 14, 2014, at the age of 81.

A life-long resident of Baltimore County, Mr. Narutowicz attended Saint Joseph Academy in McSherrystown, Pennsylvania, Leonard Hall Academy in Leonardtown, Maryland, and Mount Saint Joseph High School in Baltimore. He served in the U.S. Merchant Marines for two years before joining the Army for another two years during the Korean War as a corporal.

Mr. Narutowicz worked several jobs before landing in the family business, a tavern and package store called Mickey's of Edgemere, in 1963. He was eventually named president of the company and managed it until his retirement in 2001. Among his many claims to fame, he once successfully fought two armed robbers outside a local bank.

An extremely active and loyal Democratic leader, Mr. Narutowicz was a founding member of the Baltimore County Seal Democratic Club, serving several terms as president. He also served on the Democratic State Central Committee from 1991 to 1998 in addition to launching his own bid for the Maryland House of Delegates.

A prominent business owner, Mr. Narutowicz sat on the Board of Directors at Bay-Vanguard Federal Savings and Loans for 25 years. He also donated time as a member of the Edgemere-Millers Island Businessmen's Association for a decade.

Giving back to his community was always a top priority for Mr. Narutowicz. An active parishioner at St. Luke Catholic Church, he was an avid supporter of church and community programs that benefitted children and worked for many years as treasurer of a charity golf tournament to provide scholarships for local high school students. He was also a member of the Independent Order of Odd Fellows North Point Lodge 4, an organization that operates under the principles of friendship, love and truth.

A dedicated family man, he was married to Verna Moore Narutowicz for an incredible 53 years. Together, the couple had four daughters, seven grandchildren and one great-grandchild.

Mr. Speaker, I ask that you join with me today to honor the life and memory of Mr. Tony Narutowicz. He was a valued member of the Baltimore County Community who will be sorely missed but never forgotten.

RECOGNIZING WARREN E. MOTTS AND THE MOTTS MILITARY MUSEUM

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. STIVERS. Mr. Speaker, I rise today to recognize Warren E. Motts, the founder of the

Motts Military Museum in Ohio. As a Colonel in the Ohio National Guard, I truly appreciate all that Warren has done to make the museum into what it is today.

In 1987, Groveport, Ohio native Warren Motts established the military museum in his family's residence in order to preserve the history of our armed forces. As new exhibits were added, the museum was later moved to a larger facility on nearly four acres of land.

After moving, the museum began receiving large donations from military families, which allowed for the acquisition of military vehicles, aircraft, and a World War II boat. In 2001, the museum had the funds to break ground on a new wing to add even more military artifacts. The new wing of the museum was completed in 2006 and items are still being added to this section of the museum.

Today, the Motts Military Museum has exhibits for the Revolutionary War, the Civil War, World War I, World War II, the Korean War, the Vietnam War, and Desert Storm. The museum also has some historical NASA artifacts, medals, and a POW exhibit.

It is a testament to Warren Motts' dedication that The Motts Military Museum has grown into an incredible facility for people all over Ohio to learn about the rich history of America's armed services. I thank Warren for all of his tremendous work in establishing this museum and ensuring it will continue to grow well into the future for our community and visitors to enjoy.

CONGRATULATING THE RAIN-
WATER FAMILY AND THE CITY
OF CARROLLTON FOR RAIN-
WATER LANE

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. MARCHANT. Mr. Speaker, I rise today in recognition of the city of Carrollton, Texas, located in my Congressional district, for renaming Jamestown Lane to Rainwater Lane in commemoration of the Rainwater family, who have resided in the area since 1855. This change, proposed April 7th, was approved by the city council on May 5th, and put into effect May 6th.

The Rainwaters are one of the oldest families in Carrollton, having lived there for over 150 years. Carrollton has a history of honoring important residents and families with street names, and continues that tradition with Rainwater Lane. The Rainwaters even worked on the plot of land where Carrollton City Hall is currently placed. It is a long deserved honor to name a street after one of the great Carrollton families. The newly renamed Rainwater Lane is located behind Carrollton City Hall right in the heart of Carrollton. As Carrollton mayor Matthew Marchant said on the subject, "The Rainwater family is a very key part of the history of the city of Carrollton and your legacy continues, even through today."

Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in honoring the Rainwater family and the city of Carrollton on this commemoration.

COMMEMORATING THE 45TH ANNI-
VERSARY OF PRESIDENT RICH-
ARD M. NIXON'S SPECIAL MES-
SAGE TO CONGRESS ON INDIAN
AFFAIRS

HON. TOM COLE

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 8, 2015

Mr. COLE. Mr. Speaker, I rise today to commemorate the 45th anniversary of President Richard M. Nixon's Special Message to Congress on Indian Affairs.

For nearly two hundred years, Federal Indian policy has veered from one failed policy to another. Past policies have included treaty-making, outright war and hostilities, land allotment, assimilation, and termination. On July 8, 1970, President Richard M. Nixon issued his Special Message to Congress on Indian Affairs. In the message, he acknowledged that the state of Federal Indian policy was wholly inadequate. President Nixon noted that the Indians were the most deprived group of Americans, ranking at the bottom of nearly every economic and social measurement. He related that, despite inconsistent and often hostile Federal treatment, the story of the American Indian was one of great struggle, but ultimately overcoming overwhelming challenges.
