HONORING THE EXTRAORDINARY
LIFE OF WAYNE TOWNSEND

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2015

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor a beloved member of the Indiana community, Wayne Townsend. He was a well-known member of the Indiana legislature, an esteemed farmer, and a vigorous supporter of Purdue University. Sadly, Wayne passed away at the age of 89 on July 3, 2015. He will be dearly missed by the Hoosier community, but we will remember him forever through the spectacular legacy he left behind.

A lifelong Hoosier, Wayne was born on his family's farm in Grant County. He started school at Walnut Creek Elementary School and then went to Jefferson Township High School. While his parents did not attend college, they encouraged all six of their children to go to college. Wayne, like his older siblings, attended Purdue University and graduated with a bachelor's degree in Agriculture.

Wayne's professional life reveals his different avenues of interest. A few years after

graduating from Purdue, Wayne entered military service, serving primarily in Washington, D.C. as a special agent in the Counter Intelligence Corps. He stayed in the Army for two years until he returned to his family farm with his wife, Helen. Wayne maintained a hog and grain farm in Blackford County his whole adult life, but he was also heavily involved in Indiana politics. Wayne began his political career when he was elected to the Indiana House of Representatives in 1958. He served in the Indiana House of Representatives for six years, serving on the House Ways and Means Committee, and in 1970 he was elected to the Indiana Senate, where he served on the Senate Finance Committee. In the Senate, he is remembered for being the tie-breaking vote for Indiana to ratify the Equal Rights Amendment in 1977. Wayne was also selected as the Democratic nominee for Governor of Indiana in 1984, and he notably chose a female running mate, which was the first time in state history.

After 16 years in the Indiana Senate, Wayne retired from the legislature and started a new adventure serving on the Board of Trustees for Purdue for 15 years. His commitment to the Boilermakers was evident through his extensive involvement with the university. He served as the Director of the Purdue Research Foundation and sat on the Search Committee tasked with finding a new president when President Steven Beering retired. He was a member of the John Purdue Club for 35 years and a lifetime member of the Purdue Alumni Association. Wayne, an effective advocate for education, was also a Trustee of Earlham College in Richmond, Indiana.

In addition to his commitment to education, he was an active Quaker and served as a member and Trustee of the First Friends Church of Marion for 50 years.

On many occasions, Wayne was recognized for his impressive work. Four different governors from both sides of the aisle named Wayne the prestigious Sagamore of the Wabash. In 2014, he was honored with the Order of the Griffin, the highest honor bestowed by Purdue University. For his skill in farming, he was named a Master Farmer by Indiana Prairie Farmer and a Distinguished Purdue Agriculture Alumnus.

Wayne is survived by his wife, Helen Townsend, children Jay Townsend, Mark Townsend, Lisa McHone, Steve Townsend, and Alan Townsend, eighteen grandchildren, and many nieces and nephews. Wayne was a leader in the community who will always be remembered for his dedication to Indiana and the enduring benefits he created. Please join me in thanking Wayne's family for sharing this truly remarkable man with the Hoosier community.

HONORING DR. G. RICHARD OLDS
ON HIS RETIREMENT AS DEAN
OF THE UNIVERSITY OF CALIFORNIA RIVERSIDE SCHOOL OF
MEDICINE

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2015

Mr. RUIZ. Mr. Speaker, today I am honored to recognize and congratulate Dr. G. Richard

Olds, Dean of the University of California Riverside School of Medicine, on his retirement.

Dean Olds has led a life of distinguished service as an educator, scientist, physician and founding dean of the UC Riverside School of Medicine. He has served as a full professor of medicine, molecular, and cell and development biology at Brown University, and professor and chairman of medicine at the MetroHealth Campus of Case Western Reserve University. Prior to joining the faculty at UC Riverside, Dean Olds was appointed professor and chair of medicine at the Medical College of Wisconsin. He has been an inspirational leader and adviser to hundreds of graduates. Among his many contributions to higher education, he also served as a tropical disease specialist on the World Health Organization expert committee on schistosomiasis, and has authored over 100 peer-reviewed articles, book chapters, and reviews.

Dean Olds came to UC Riverside to create a School of Medicine—the first public medical school in California in more than four decades. His drive and vision led to a school with the unique and special mission focusing on the needs of the surrounding communities and the future path of community-based, value-based health care. In an effort to address the severe doctor shortage in Inland Southern California, Dean Olds created a medical school that would expand and diversify the physician workforce and serve as a catalyst for improving the health of the community.

UC Riverside School of Medicine is accredited largely in part to Dean Olds. In 2011, the State of California eliminated pledged annual funding for the school, resulting in the denial of accreditation. Dean Olds' unrelenting determination fostered an ambitious year of fundraising and advocacy, in which the medical school raised \$100 million to support the school for over ten years. The school was accredited and the doors opened in fall 2013—the first time in three decades that an American medical school was approved after previously having been denied accreditation.

I am proud to recognize Dean Olds on his years of service and congratulate him on his retirement from UC Riverside School of Medicine. I look forward to his forthcoming accomplishments and future success, wherever he begins his next journey. On behalf of the countless medical students, future doctors, and patients, whose lives you have changed and impacted, thank you for your service.

IN HONOR OF JOHN F. HEGARTY,
NATIONAL PRESIDENT OF THE
POSTAL MAIL HANDLERS UNION

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2015

Mr. NEAL. Mr. Speaker, I rise today in honor of John F. Hegarty, in recognition of his outstanding contributions to the National Postal Mail Handlers Union (NPMHU) and the United States Postal Service (USPS). John retired on May 1, 2015 and has moved back to his beloved Western Massachusetts.

The son of Charles and Ann Marie Hegarty, John was born on January 31, 1955 in Holyoke but grew up on Rupert Street in Springfield, before moving his family to Wilbraham, MA, where he currently resides.

Mr. Speaker, John Hegarty attended Commerce High School. After graduation like many of his contemporaries he sought work. He worked at Titeflex in Springfield and started his union career as a steward (Teamsters Union) representing his fellow workers. John left Titeflex in 1985 when the USPS called and he started his Postal career.

John was National President of the National Postal Mail Handlers Union from July 2002 to his retirement. He was re-elected to that position by acclamation of the delegates to the Union's National Conventions in 2004, 2008, and 2012. In this capacity, John is the chief spokesperson for the NPMHU in national bargaining with the USPS.

For the ten years prior to becoming National President, John served as Administrative Vice President for the General Mail Facility/Bulk Mail Center in Springfield, Massachusetts. He then became President of Local 301 in New England, one of the largest local unions affiliated with the NPMHU, covering six states. In addition, beginning in 1996, he also served on the NPMHU National Executive Board of the NPMHU's parent union, the Laborers' International Union of North America (LIUNA).

Mr. Speaker, John Hegarty is known for his generous spirit and kind heart. He has had the good fortune to be married to his wife, Constance, for thirty-three years. John and Connie are proud parents of two children, two grandchildren with a third on the way.

Mr. Speaker, it is my distinct honor to join with John Hegarty's family, friends, and contemporaries to thank him for his extraordinary service to the National Postal Mail Handlers and the United States Postal Service.

HONORING THE LIFE OF CAPT.
RICHARD "DICK" CURRIER

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2015

Mr. CARTER of Georgia. Mr. Speaker, I rise today to honor and celebrate the life of retired Navy Captain Richard "Dick" Currier, the commanding officer who oversaw the construction of what was known then as Naval Submarine Support Base Kings Bay.

Captain Currier spent most of his Navy career in the submarine service during the transition from diesel to nuclear-powered submarines. He joined the Navy in 1954 and served upon four surface ships before becoming a submariner. As his first sea duty, Captain Currier served aboard the diesel powered submarine USS *Grampus*. After that tour of duty, he was sent to nuclear power school and was assigned to the nuclear submarine USS *Scorpion*. Five more submarine assignments followed, three of which he served as the commanding officer.

Captain Currier's last duty assignment started in 1983 as the commanding officer of Naval Submarine Base Kings Bay in St. Marys, Georgia. At the time of his arrival, only 100 people were assigned to the base. Kings Bay's pier was still under construction, a majority of roads were unpaved, and most buildings were still in the planning stages. Under Captain Currier's leadership Kings Bay developed into the Navy gem of Georgia's Golden Isles.

Captain Currier retired after 34 years of service and continued to be active in the St. Marys community where he served on the board of directors for the St. Mary's Submarine Museum among other roles.

Mr. Speaker, it is my privilege to recognize the service and life of Captain Richard "Dick" Currier, a pioneer of Kings Bay who will always be remembered.

TRIBUTE TO ANITA LYONS BOND,
PH.D.

HON. WM. LACY CLAY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 28, 2015

Mr. CLAY. Mr. Speaker, I rise today to pay tribute to a remarkable woman and long-time civic icon in St. Louis, Missouri, who has set a standard of excellence in academics, educational reform, social justice, community leadership and personal courage, Dr. Anita Lyons Bond.

Anita Lyons Bond has been making history for decades. As the first African American student to graduate with Latin Honors from Saint Louis University in 1949, she has devoted her life to opening up the doors of equal educational opportunity to all, especially those students in urban areas who are still striving to overcome difficult circumstances and persistent academic disparities.

In May of this year, as she presented an honorary doctorate to Mrs. Bond, Saint Louis University trustee Martha Uhlhorn recognized her "extraordinary determination, her exemplary character, her exceptional commitment to education, her concerns for others, her fearless focus on social justice and her desire to provide equal access to education for all students."

In 1965, Mrs. Bond challenged the Missouri Board of Education's elections. Her lawsuit, contending civil rights violations, went to the Missouri Supreme Court and ultimately resulted in changes in election procedures. Later that year, the Urban League of Metropolitan St. Louis honored her with the Argus Distinguished Public Service Award for her service to the city as a leader in education and in the community.

Mrs. Bond established the Citizens Education Task Force, an organization funded through the Danforth Foundation that functioned as an independent critical body of the Board of Education.

In 1974, she became president of the St. Louis Board of Education. She served the board in various roles and was instrumental in the Board of Education and the Higher Educational Council establishing Harris-Stowe as a state college, rather than a secondary school.

In 1981, U.S. District Judge James Meredith appointed her to serve on the committee that wrote the St. Louis public school desegregation plan. She also served on the boards of the YMCA, NAACP, Urban League, United Negro College Fund and others. The NAACP named her one of the "Most Outstanding St. Louisans."
