

community. It is great to have a national leader in the field in Ann Arbor, Michigan. This new academic building will further enhance their ability to train the next generation of nurses who will be on the front lines of providing much needed care to those who need it most. It is especially exciting that the modern tools within this facility will teach students to work in contemporary and collaborative environments, which will help them prepare to excel at their jobs. Through this 75,000 square-foot new structure, new nurses will continue to expand upon the University of Michigan's reputation of excellence and high achievement.

My friend, Dr. Kathleen Potempa, the Dean of the School of Nursing, deserves our praise for her leadership in spearheading the opening of this new facility and for her dedication to teaching. It is my hope that this grand opening will be the start of a new and continued era of excellence at the University of Michigan School of Nursing. I ask all of my colleagues to join me in honoring the opening of the new School of Nursing Academic Building at the University of Michigan. I wish each and every new student the best of luck and much success in their future endeavors.

CELEBRATING THE LIFE OF
RICHARD DUDA

HON. JOE COURTNEY

OF CONNECTICUT
IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. COURTNEY. Mr. Speaker, today I rise to honor and remember the life of Richard Duda of Griswold, Connecticut who passed away late last week. Dick was a fixture in Griswold, where he lived all his life with his wife Barbara and their two children. He was the quintessential "citizen" who believed giving back to the community was his duty. He served five terms in the Connecticut State Legislature representing the 58th district and as the Town Attorney for Griswold for many years.

Dick was a lifelong Democrat, and served as the Chairman of the Griswold Democratic Town Committee for over 30 years. Outside of government, he was a board member at the local library, a member of St. Mary's Church, and a member of the board of directors for Jewett City Savings Bank. His involvement in local government and advocacy was extensive, and his capacity to help was boundless. Dick saw his local law practice as a way to give back to the Griswold community. He embodied the ideal of the profession, serving as a resource and advocate for his neighbors—often taking cases that others would have passed over or accepting rates far lower than average for the time. His goal was to serve as a resource and as a true community lawyer. The law was his calling, and his passion.

In politics and law, fields that can turn acrimonious, Dick was a true gentleman. He stayed above any bitterness, and his friends recall how he remained polite and deferential. His amiable manner, dedication to his community, and upbeat attitude will be sorely missed in Griswold. I ask my colleagues to please join me in offering our condolences to his wife Barbara, his son Christopher, and grandchildren Cameron, Caitlyn and Gavin.

TRIBUTE TO CHARLIE WEIL

HON. DAVID YOUNG

OF IOWA
IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Charlie Weil of Afton, Iowa, for his retirement from Wellman Dynamics in Creston after 50 years of service.

On August 25th, 2015, Mr. Weil marked 50 years working as a molder for Wellman's, which manufactures aluminum and magnesium sand castings for aerospace applications. He also spent a year serving our country in Vietnam and when he completed his service, he demonstrated great commitment to Wellman's, immediately returning to work there.

Mr. Speaker, Charlie's hard work and dedication to his craft embodies the Iowa spirit and I am honored to represent him in the United States Congress. I know that all of my colleagues in the United States House of Representatives will join me in congratulating him on his achievement, and I wish him nothing but continued success and happiness in his retirement.

PERPETUAL POW/MIA STAMP ACT
OF 2015

HON. GUS M. BILIRAKIS

OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor our nation's POWs and MIA service members.

Today is National Prisoner of War, Missing in Action Day. As Vice-Chairman of the House Committee on Veterans' Affairs I am constantly in awe of the sacrifices and efforts that have been made on behalf of our great country by the men and women who have worn the uniform of our Armed Services.

Tragically, according to the Department of Defense, more than 83,000 service members remain missing since World War II. These individuals represent a unique segment of the men and women who serve or have served in the Armed Forces—men and women who are missing or captured, unable to come home.

I am proud to introduce H.R. 3558, legislation to create a forever stamp depicting the National League of Families POW/MIA flag.

This bill will help demonstrate our nation's gratitude to this special segment of heroes, both past and present. I am forever grateful for their service.

H.R. 3504 AND H.R. 3134

HON. EARL BLUMENAUER

OF OREGON
IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. BLUMENAUER. Mr. Speaker, today I voted against H.R. 3504, which would limit women's health care choices and interfere in the doctor-patient relationship, and against H.R. 3134, which would defund Planned Parenthood.

It is bizarre to watch the manufactured controversy surrounding ambush-type, heavily-edited journalism used to discredit Planned Parenthood.

It's not just the blatantly manipulative and misleading tactics that are being used, which should be enough for most people to reject the allegations on their face. These attacks do not reflect my experience and knowledge of the amazing, dedicated, civic-minded men and women who have built, supported, and led Planned Parenthood in my community.

For decades, I have admired these pillars of community, leaders in education, religion, business, and other civic affairs that provided the vision, the volunteer effort, and personal contributions to women's health and reproductive freedom. There is no question that because of their efforts, tens of thousands of abortions never occurred in our community and those that did occur, did not result in harm to women.

Because of their efforts, Oregon's 11 Planned Parenthood centers provided care to over 70,000 women in 2013, including over 25,000 breast and cervical cancer screenings. Nationally, Planned Parenthood cares for more than 2.5 million women annually. Planned Parenthood centers serve a greater share of safety-net clients than any other type of safety-net providers. Nearly 80 percent of women using Planned Parenthood have incomes at or below 150 percent of poverty—these clinics offer affordable health care options for women who may have no alternate source of care.

The fact that we are engaged in a concerted assault against the provision of essential services to women, especially women of color and low-income status is appalling. If people would take the time, as I have, to visit these facilities, meet the employees, and most importantly, know these community leaders that have made it possible to protect women's health, to prevent countless abortions, and to promote wellbeing and education, would see the lies behind this heated rhetoric and misguided attacks.

TRIBUTE TO THE CLARINDA
COMMUNITY THEATRE

HON. DAVID YOUNG

OF IOWA
IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate the Clarinda Community Theatre of Clarinda, Iowa for celebrating their 60th anniversary. The Community Theatre was founded in 1955 by a group of theatre enthusiasts.

The mission of the Clarinda Community Theatre is to encourage and promote an interest in participating, observing, and supporting amateur theatre in the community of Clarinda. Clarinda resident Jolly Ann Davidson has played an important role in the success of the community theater. She felt it was important for Clarinda to have some form of live stage performances in town and has been the driving force in bringing numerous productions to Clarinda for the community to enjoy. Jolly Ann has performed in many of the plays and has seen the theatre grow into a top-notch performing arts facility.

Mr. Speaker, I commend and congratulate the Clarinda Community Theatre for reaching this 60-year milestone. I am proud to represent all those who have been involved in creating this outstanding theater. I urge my colleagues in the United States House of Representatives to join me in congratulating them on a job well done and wishing them nothing but continued success.

HONORING THE ACCOMPLISHMENTS OF MR. CHARLES DORCH

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. CLEAVER. Mr. Speaker, I rise today to honor Mr. Charles Dorch, a remarkable leader whose passion for music and teaching has touched so many young people in Kansas City. Mr. Dorch attended Arkansas AM&N University in Pine Bluff on a music scholarship, and then turned down a job in Detroit to teach in Kansas City at Southeast High School after his wife was hired at Paseo High School. As we celebrate the distinguished and acclaimed history of Southeast High School in Missouri's Fifth District, it is necessary that Mr. Dorch be celebrated as well. His dedication to his students as the band director reached far beyond expectations.

Starting at Southeast Junior High in 1970 and continuing to Southeast High School in 1973, Mr. Dorch was a gift to the music department of the Kansas City School District for over fifteen years. He was determined to revitalize the band program at the high school, by encouraging students to enjoy playing music in and outside of the classroom. While he was band director, the high school participated in numerous publicized appearances, including varsity football games, pre-games, and half-time shows; annual American Royal parades; the once Kansas City Kings basketball games; and even a bicentennial half-time performance at the Kansas City Chiefs football game. The regard of the band program, under his leadership, is clear when looking at this list of striking performances.

In addition, Mr. Dorch led students through the jazz lab, stage band, and symphonic concert band. All of these opportunities were ways in which students could be involved in activities outside of the classroom. Prospects for students to perform at such occasions as the Goombay Festival on a Bahamas cruise, the nationally televised Republican National Convention at the Charlie Parker Center, or move on to compete in district or all-state bands, were all ways in which students were enthused to further appreciate music and continue their education.

Mr. Dorch urged students to pursue music beyond high school. He knew the importance of a college education, and many students continued on to schools such as Bishop College, Florida A&M, Langston University, and Prairie View A&M University, which I proudly call my alma mater. His effort to help his students' musical interests did not stop with his students either. Mr. Dorch also created the Band Parents Association in order to get the students' parents involved, as well as help with fundraising, which provided such amenities as new uniforms.

His instruction through music also brought him to direct the St. James United Methodist Church choir for nine years. His musical aptitude shined in his ability to not only prime and motivate the choir during worship, but also expand their reach by adding instruments and genres of music to their ensemble.

Mr. Speaker, please join me and our fellow colleagues in conveying our gratitude to a teacher, a man of worship, and a man of music. Mr. Charles Dorch has spread his passion for music and has inspired thousands of his students, young and old alike. He has provided them with opportunities to show off their full musical talent and adoration, where they may have not been able to before or under different guidance. We join the alumni and leadership of Southeast High School in honoring the accomplishments of Mr. Charles Dorch for his tireless enrichment of our community and country.

RECOGNIZING MICHAEL R. FREY
ON THE OCCASION OF HIS RETIREMENT AS SULLY DISTRICT
SUPERVISOR

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 18, 2015

Mr. CONNOLLY. Mr. Speaker, I rise to recognize and commend my former colleague Michael R. Frey on the occasion of his retirement after a distinguished 38-year career in public service, culminating in his six terms representing the residents of the Sully District on the Fairfax County, Va., Board of Supervisors.

Michael has represented the Sully District in western Fairfax since it was created following the 1990 census. Prior to seeking elected office, he served 14 years as a staff member to former Springfield District Supervisor and Chairman Jack Herrity and former Springfield District Supervisor Elaine McConnell. The Sully District was carved largely out of the Springfield District, so Michael was intimately familiar with the community. I had the great pleasure of serving with him during my 14 years on the Board, first representing the Providence District and then as Chairman.

Fairfax County is the largest local jurisdiction in the Commonwealth of Virginia and the National Capital Region, and Michael had a front-row seat for much of that growth, particularly in the western part of the county, where the once sleepy rural community has become the largest magisterial district in the County. As a testament to his skill in working with those growing communities and managing the growth in Sully, Michael has chaired the Board's Development Process Committee since 1992.

In a career spanning four decades, Michael's accomplishments are many, but let me cite just a few to convey the magnitude of the imprint he will leave on the community and our county. Michael and I both share a passion for history, and the Sully District is a historically-rich community. It is home to several landmarks, including the Centreville Historic District and Park, which Michael helped to initiate and expand. The park contains remnants of one of the first fortifications constructed by the Confederate Army during the Civil War and was actually occupied by both sides during the

conflict. He was instrumental in preserving historic Mount Gilead and the Sears House as well.

Michael was active in the effort to launch Centreville Days, an annual community festival that attracts families from throughout the region. He championed the expansion of public facilities into western Fairfax, from new schools and libraries to parks and recreation centers to meet the explosive growth and demand from new residents. Of course, he was intimately involved in the project to construct the Sully District Police Station, in which his office is now located. I know I and the community will never forget the leadership and compassion Michael displayed following the May 8, 2006, tragic shooting outside the station in which two officers were killed.

For those who don't know him, Michael has been a lifelong sports fan. He has coached youth baseball and basketball for multiple community sports leagues, and we worked together during my tenure on the board to convert playing fields to synthetic turf in Fairfax to expand such opportunities for our youth. Michael was active in the bid to lure a Major League Baseball team to Northern Virginia. He served on, and at one time chaired, the Virginia Baseball Stadium Authority. As we all know, the team ultimately relocated into Washington, D.C., but the efforts of Michael and the Authority were instrumental in baseball's return to the National Capital Region.

Of course, I cannot mention Michael without bringing up his steady canine companions. Since I've known him, Michael has owned a series of German shepherd rescue dogs—first Mosby, then Marley, and now Boomer—that have been a fixture by his side at community events and in his office. They made frequent appearances at Board meetings and retreats. Our love of animals is another shared bond, and I was pleased to work with Michael on various efforts to support the Fairfax County Animal Shelter and the construction of its new headquarters.

During his tenure on the Board of Supervisors, Michael has represented Fairfax on a number of regional organizations, including the Metropolitan Washington Council of Government's Transportation Planning Board and the Environmental Quality Advisory Committee. He has served on the Inova Health Care Services Board. In addition, Michael has represented Fairfax as part of regional or statewide delegations traveling overseas.

In fact, I had the pleasure of traveling with Michael to Israel as part of a trip hosted by the Jewish Community Relations Council, in which we visited the Dead Sea. Wanting to have the full experience, we thought we'd partake in a mud bath, which we were assured held healing powers. Well, there's a very unfortunate picture of the two of us that will never see the light of day under a "mutual self-destruction pact" we've made and continue to honor, and I will remind Michael that our agreement endures past his life in elected office.

Mr. Speaker, Michael Frey's commitment to our community and the mission of local government is unparalleled. He leaves behind a legacy that will enrich our community for generations to come. His career in public service is truly commendable and deserving of our heartfelt gratitude. When I was Chairman of the Board of Supervisors, Michael often heard me joke at retirement announcements that we
