HONORING THE SERVICE AND SACRIFICE OF DEPUTY SHERIFF
WILLIAM "BILL" MYERS

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. MILLER of Florida. Mr. Speaker, it is with both profound sadness and deep gratitude that I pay tribute to Deputy Sheriff William Myers, of the Okaloosa County, Florida Sheriff's Office, who gave his life in the line of duty on September 22, 2015. Deputy Myers served our Nation and the Okaloosa Sheriff's Office with honor and distinction, and I am humbled to recognize his service and selfless sacrifice.

Deputy Sheriff William "Bill" Myers dedicated his life to serving his country. He faithfully served in the United States Air Force for 20 years, during which he was awarded the Meritorious Service Medal. After he left the military, Deputy Myers worked as a part-time Officer with the Valparaiso Police Department. In December 1989, he joined the Okaloosa County Sheriff's Office as a Deputy Sheriff serving the local Northwest Florida community. During his tenure, he served in the Patrol Division, Court Security, and the Traffic Unit. Deputy Myers retired from the Okaloosa County Sheriff's Department on November 30, 2013 with 25 years of service, but continued his work with the agency as a volunteer. In January of this year, Deputy Myers returned to the Sheriff's Office as a part-time Deputy in Judicial Process. Upon serving a Domestic Violence Injunction on Tuesday, September 22, 2015, the suspect who was expected to turn over his firearms, instead opened fire, fatally injuring Deputy Myers.

Through his military service and his law enforcement career, Deputy Myers made a choice to stand up and serve his country and community. There is no greater honor than to serve and protect the lives of your fellow man at the risk of your own. Deputy Myers exemplified the dedication to service and courage that is needed to make that decision and put on the uniform. As a law enforcement officer, Deputy Myers put himself in danger each and every day to protect and serve our community. We all entrust our lives to law enforcement officers because we know that when faced with serious criminal threats, they are trained to act quickly and effectively to neutralize the threat and protect civilian lives. We all pray that our officers do not have to confront a serious armed threat, but we sleep well at night knowing that if necessary they stand ready to protect and defend our community, even if that means making the ultimate sacrifice.

In addition to his successful career and unwavering leadership in his community, Deputy Myers will be remembered as a dedicated officer and a man full of integrity and kindness. To his family and friends, he will always be remembered as a loving husband, father, and grandfather.

Mr. Speaker, on behalf of a grateful community and Nation, I am humbled to honor the service and sacrifice of this local hero. My wife Vicki and I offer our sincere condolences to his wife, Jan; sons, Sean, Eric, and Adam; and the entire Myers family. May God bless them and all members of our Nation's law enforcement community.

HONORING HAITI RURAL ELECTRIC
COOPERATIVE LINEMEN

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. LONG. Mr. Speaker, I rise today in honor of 7 volunteer electric linemen from

White River Valley in Branson, Missouri, who traveled to Haiti this June and August to help provide sustainable seven-day-a-week electric service to Haitians.

Cory Brandon Sanders, Raymond Roy, William Gyger, William Marr, Matthew Maggard, Mark Visnosky, and Jacob Kennedy donated their time and talents as part of the National Rural Electric Cooperative Association's (NRECA) Haiti Rural Electric Cooperative (HREC) program.

This project is the first formal privately owned and operated distribution utility in the country, which intends to demonstrate the feasibility of solar-diesel hybrid power generation for isolated rural mini-grids. The goal that these men worked toward making 1,600 connections within a grid to unite the underserved Haitian communes of Roche-a-Bateau, Coteaux, and Port-a-Piment.

Mr. Speaker, these 7 selfless linemen from Southwest Missouri deserve our thanks and recognition for their dedication to the HREC's noble goal of bringing affordable and reliable power to the southern coast of Haiti. Stories like theirs make me ever-prouder to serve Missouri's Seventh Congressional District.

REAUTHORIZE THE LAND AND
WATER CONSERVATION FUND

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. KIND. Mr. Speaker, I am here today to speak out in favor of reauthorizing the Land and Water Conservation Fund. As you know, the Land and Water Conservation Fund was established fifty years ago and has since become our nation's most successful conservation program—all without spending a single dime of taxpayer dollars. I wish to show my strong support for reauthorization of the Land and Water Conservation Fund.

The Land and Water Conservation Fund is a crucial component of our nation's conservation initiatives. As an avid hunter and outdoorsman, I believe that preserving our nation's natural treasures for future generations is a responsibility that we must take seriously. Not only is stewardship of our lands the right thing to do, but it's also a sound investment. We know that every dollar spent acquiring LWCF land creates a return of four dollars to local communities. Outdoor recreation activities contribute significantly to our national and state economies. In my home state of Wisconsin, outdoor recreational activities contribute over \$9.7 billion to our state economy each year.

The Land and Water Conservation Fund has helped to create outdoor recreation opportunities for each and every state. Wisconsin has received \$211 million to fund such projects as the Chequamegon-Nicolet National Forest, the Lower St. Croix National Scenic River, and the Ice Age National Scenic Trail, where the Land and Water Conservation Fund participated in a highly successful public-private partnership to preserve additional sections of the trail. LWCF's grant programs have also allowed state and local governments to decide which conservation programs work best for them. The Land and Water Conservation Fund's highly successful grant program

matches federal dollars with state and local contributions to ensure a cooperative approach to conserving our nation's environment. In Wisconsin, the LWCF has contributed \$3,675,681 to match state and local conservation projects and to help us preserve Wisconsin's beautiful outdoors.

For the past fifty years, the Land and Water Conservation Fund has played an integral role in achieving our nation's conservation goals. I urge my colleagues to support reauthorization of the Land and Water Conservation Fund so that we can continue to protect our wildlife, create opportunities and access to public lands for sportsmen and women, and provide economic benefits to our state and local communities.

RECOGNIZING EDWARD SORGE

HON. DANIEL M. DONOVAN, JR.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. DONOVAN. Mr. Speaker, I rise today to recognize the untiring dedication of Staten Island's Edward Sorge in his service to the community.

Born on October 6, 1934, Edward has remained a lifelong Staten Islander. After graduating from New Dorp High School in 1952, Ed's patriotism led him to enlist in the U.S. Air

Force, where he served his country honorably. In addition to his love of country was his love of golf. It goes without saying that as a two-time Staten Island Amateur Golf Champion, he certainly knows his way around the greens.

After his service in the Air Force, Ed became a PGA Professional at Silver Lake Golf Course, where he served for over 20 years. Among his former students there include PGA Tour Member Bill Britton and Staten Island Amateur and Classic champions Pete Meurer, Rod Stilwell, and Ed Sorge, Jr. After leaving Silver Lake Golf Course in 1988, Ed continued his work as a PGA Professional for an additional 20 years, conducting numerous junior golf clinics.

Since 2009, Ed has volunteered with several charitable organizations in his community. He has devoted his time at myriad golf events to raise money for charity by directing clinics before the shotgun starts and participating in "Beat the Pro" competitions on a par three hole during the rounds. Alongside his devotion to volunteering, Ed's goal as a PGA professional is to make the game of golf enjoyable for everyone.

Mr. Speaker, Edward Sorge's dedication to charity and improving his community is the essence of the model Staten Islander. I thank him for all of his great work and I am proud to honor this great American from New York's 11th District.

CONGRATULATING THE HOYT LIBRARY OF SAGINAW ON THEIR 125TH ANNIVERSARY

HON. DANIEL T. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. KILDEE. Mr. Speaker, I ask the United States House of Representatives to join me in recognizing the Hoyt Library on the occasion of their 125th year of continuous service. It stands today as a shining example of a beautiful, historic, and functional modern library.

In 1890, The Saginaw Evening News declared the Hoyt Library "a noble institution" and "the pride of all Saginawians." The library was a gift to the people of Saginaw from New York businessman Jesse Hoyt (1815 through 1882), who had real estate and lumber interests in the Saginaw Valley. Hoyt's will set aside \$100,000 for a public library in East Saginaw. After a national competition among leading architects, the Hoyt Trust chose the Boston architectural firm of Van Brunt and Howe. When the Richardsonian Romanesque style building was completed it exemplified modern library construction. The present building includes a 1921 addition by Edward Tilton of New York and a 1960 addition by Frederick E. Wigen Architects of Saginaw.

Harriet Ames, the first librarian at Hoyt, was a Boston scholar and a pioneer in librarianship who brought her passion for good books and reading to a commercial Midwestern boomtown. She served Saginaw for over 30 years and brought cultural and educational advancement not just to Saginaw, but to the entire state of Michigan through her dedication to scholarly pursuits.

Sparked by Ms. Ames, the Hoyt Library remains a fixture in the cultural and educational realm in Michigan. It is home to one of the

premier Local History and Genealogy collections in Michigan and the greater Midwest. Hoyt Library has served as a government documents depository for all 125 years of operation. Beyond its historically significant archives and up-to-date print collections, the Library provides meeting spaces and quiet reading nooks along with internet access computers and Wi-Fi for today's technologically savvy library users. The library staff remains dedicated to providing professional library programs and services to all who enter.

Mr. Speaker, I applaud the work done by the Hoyt Library in Saginaw and thank them for the service they have provided to the city of Saginaw.

COMMEMORATING NATIONAL DAY OF THE REPUBLIC OF CHINA

HON. LEONARD LANCE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. LANCE. Mr. Speaker, I rise today to commemorate the National Day of the Republic of China and to highlight the close relationship between Taiwan and the United States of America. October 10th marks the anniversary of the creation of the Republic of China in 1912. National Day celebrates Taiwanese democracy, its culture and its accomplished people and this occasion provides the United States an opportunity to celebrate our great ally.

As a leader in the Asia Pacific region, Taiwan has experienced incredible economic growth and stability throughout its history. With a population of over 23 million people and a trillion dollar GDP, Taiwan has proved to be one of Asia's economic engines. The Taiwanese economy has maintained an impressive economic growth rate and has risen to be the 10th-largest trade partner of the United States. Taiwan continues to be an example to other economies around the world.
