#### IN MEMORY OF FOREST ACRES POLICE OFFICER GREG ALIA

#### HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. WILSON of South Carolina. Mr. Speaker, yesterday, September 30, 2015, Officer Greg Alia was killed in the line of duty. A graduate of Richland Northeast High School and the University of South Carolina, Police Chief Gene Shealy described Officer Alia as "an outstanding man and an outstanding police officer." As a seven year veteran of Forest Acres Police Department, Greg was a role model for new officers who showed courage and dedication in protecting the people of Forest Acres, South Carolina. He lived up to the highest standards of being an Eagle Scout of Troop 100 of St. Joseph Catholic Church of Columbia.

Our thoughts and prayers go out to his wife, Kassy, and their five month old son, Sal, his parents, Dr. Richard and Alexis Alia of Forest Acres, and his fellow officers at Forest Acres Police Department. I am grateful for the outpouring of love and support for Forest Acres, for our community, and for our citizens during this tragic time.

God bless the memory and service of Greg Alia.

#### RECOGNIZING MINNESOTA'S OWN FEDERAL DUCK STAMP WINNER

#### HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to recognize Robert Hautman of Delano, Minnesota on his impressive second place finish in the 2015 Federal Duck Stamp Contest. Robert's stamp features several mallard ducks flying over a lake.

The Federal Duck Stamp contest began in 1949 as a result of growing concern among Americans over the destruction of wetlands, which are the home to migratory waterfowl. Of every dollar spent on duck stamps, ninety-eight cents is given to the Migratory Bird Conservation Fund, which helps to conserve natural habitats.

Minnesota is home to some of the most amazing natural scenery and wildlife, and because of this, I am incredibly passionate about the great outdoors. I have always been of the strong belief that it is every global citizen's duty to help protect and maintain our environment for future generations to come. I think the Federal Duck Stamp contest is wonderful because it does exactly that.

I would like to applaud Robert Hautman for contributing to a contest with such a worthy cause. I would like to give him an extra shout out for being from my hometown as well.

As a result of Robert's effort, more funds will be raised to preserve the environment, and for that we—and our future generations—thank you.

#### TEANECK FIRE DEPARTMENT

#### HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. PASCRELL. Mr. Speaker, I rise today to recognize the brave men and women of the Teaneck Fire Department who will celebrate 100 years of serving and protecting the residents of Teaneck this Sunday October 4, 2015.

The first organized fire company in Teaneck was Defender Hook and Ladder Co., which was formed on August 12, 1895. It was not until 1915 that four of Teaneck's five companies were combined into the official municipal Teaneck Fire Department.

As they were growing in the 1920s, a very tough basement fire occurred on Maitland Avenue. Future Deputy Chief Harry Davis, then working for the Department of Public Works, made numerous entries without a breathing apparatus, manning a 2½" line. He passed out repeatedly, was revived, and continued to go back in until the house was saved. He is a great reflection as to how relentlessly the Teaneck Fire Department has attacked fires and how they continued to do so even today.

The Teaneck Fire Department stays committed to self-assessment and innovation. Since the 1970s, brush fires have been reduced by 90% and building fires declined by about a third, with arson now much less of a problem. New apparatuses, the four stations being staffed 24 hours a day with an adequate

level of staffing, strict proactive code enforcement, the advanced municipal fire system, and the aggressive fire investigation programs have proven effective in reducing fires.

Beyond their roles in fire emergencies, the Teaneck Fire Department remains committed to serving the residents through their innovative Good Morning Check-Up Program. This program is designed for shut-ins and senior citizens who live alone and have no one to look in on them on a regular basis. The program provides subscribers with a telephone call seven days a week, between the hours of 8 a.m. and 9 a.m. If a resident is not-responsive to multiple phone calls then a firefighter is dispatched to the house to make sure all is well. This service has helped countless lives already.

When terrorists flew planes into the North and South Tower of the World Trade Center on September 11, 2011, the brave members of the Teaneck Fire Department volunteered to help their colleagues across the Hudson River. Their sacrifices during and after the tragedy continue to inspire the Teaneck Fire Department today as well as those they serve.

As Co-Chair of the Congressional Fire Services Caucus, I have had the honor of visiting and inspecting many fire stations throughout our great nation. Therefore it gives me pride to recognize the excellence of the Teaneck Fire Department and thank them for serving the residents of Teaneck.

Mr. Speaker, I ask that you join our colleagues and me in recognizing the 100 year anniversary of the Teaneck Fire Department.

#### IN RECOGNITION OF BROWARD COUNTY, FLORIDA'S 100TH ANNI- VERSARY

#### HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2015

Mr. HASTINGS. Mr. Speaker, I rise today to extend the most sincere congratulations to Broward County, Florida on celebrating its 100th anniversary. From the back-breaking work and ingenuity of the industrial age to the modernity of this tech-savvy generation, Broward County's progress is a stark example of the progressive spirit of America. It is truly my honor to represent such a diverse and unique county in the United States Congress.

The theme of the centennial celebration is, "Duende". Duende is defined as the power to attract through personal magnetism and charm. That is exactly what Broward county has to offer. Whether you are one of the over 1.8 million people that call Broward County home, the tens of thousands that are winter residents, or the countless millions that visit for vacation, our county's charm is magnetic. The soul of this community comes from not only the beautiful 1,200 square miles that make up Broward County, but from the diverse and thriving culture found there. From the rich soil of the Everglades National Park to the white sandy beaches of the Atlantic Ocean, it is as charmingly diverse as the communities that reside within its borders.

Mr. Speaker, Broward County is undoubtedly a wonderful embodiment of the "Sunshine State" and all it has to offer. I once again want to congratulate the County on this

momentous occasion of its centennial anniversary.

IN HONOR OF SHILOH BAPTIST  
CHURCH'S 145TH ANNIVERSARY

**HON. DAVID SCOTT**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. DAVID SCOTT of Georgia. Mr. Speaker, I rise today to honor the 145th anniversary of the Shiloh Baptist Church in Jonesboro, GA. Since the end of the Civil War, this church has stood as a beacon of worship and its congregation is a testament to how faith brings a community together.

In 1870, Reverend Frank Q. Graham, Reverend A.D. Delmarta and Reverend G.B. Austin, searching for a place to worship, organized Shiloh Baptist Church under a Brush Arbor. Meetings were held in the Arbor until the group was able to build a church across the street, near the church's present location. After the first building was burned down by a fire, the worshippers met in an old school until the church was rebuilt. In 1962, the church was struck by lightning and completely destroyed. Held together by their faith, the congregation met in an elementary school cafeteria until Shiloh Baptist was rebuilt.

Shiloh Baptist Church has also played its part in American history. When the NAACP chartered their membership in Clayton County, Georgia, Shiloh Baptist church was one of the first to purchase membership. When Atlanta, Georgia hosted the 1996 summer Olympics, the church was a reception for the Olympic torch.

The Shiloh Baptist Church of Jonesboro is an example to all of how worship and faith can bring a group of people together. Despite numerous damages and subsequent reconstruction and renovations to the physical structure, the Shiloh Baptist community is celebrating 145 years of worship. The strength or their congregation's faith has been demonstrated time and time again. The church has won awards for their wide attendance and continues to attract church-goers from the Jonesboro area. The congregation has not let their spirit falter and for this I congratulate them on 145 years of worship.

Mr. Speaker, I rise today to recognize the Shiloh Baptist congregation for 145 years of worship. I would like to commend them for being a cornerstone in the Jonesboro community as well as within the great State of Georgia. I ask my colleagues to join me in honoring the anniversary of Jonesboro's Shiloh Baptist Church. Thank you and God bless.

CELEBRATING ST. BEN'S NA-  
TIONAL SCIENCE FOUNDATION  
AWARD

**HON. TOM EMMER**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to celebrate the College of Saint Benedict in Collegeville, Minnesota. This college has a stellar reputation throughout the state of Minnesota, and for good reason.

It was recently announced that the College of Saint Benedict is a recipient of a National Science Foundation award for their collaboration in a project entitled "Collaborative Research: Developing and Assessing Effective Cyberlearning within the STEM Wiki Hyperlibrary." As a result of receiving this prestigious award, the college will receive \$25,484 dollars.

While many things remain uncertain in this world, one does not. Science, mathematics and technology are keys to the future. It is so critical that colleges and universities throughout the United States place a strong emphasis on these fields so that our country can continue to evolve, succeed and remain competitive in this constantly developing world.

That is why I want to commend the College of Saint Benedict here, today. The emphasis put on science, mathematics and technology is evident by receipt of this award.

I thank the College of Saint Benedict for motivating students to look towards the future and do what is best for Minnesota, and the United States as a whole.

JESSE H. JONES PARK—A  
CHAMPION OF LOCAL HISTORY

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. POE of Texas. Mr. Speaker, in this digital age it is becoming more challenging to ensure our children have a strong connection to

history, community and the great outdoors. Well, the Jesse H. Jones Park and Nature Center right in the heart of Harris County provides the kids and families of my district exactly that.

For the past three decades the park has been a place where the local community can gather and form important bonds of citizenship. But the space also serves an educational purpose. Home to the Akokisa Indian Village and Redbud Hill Homestead, the park preserves elements of life in Native American and pioneer communities, including demonstrations of traditional customs and crafts.

It also provides an important green space, with a wide range of local flora and fauna including ancient bogs, white sand beaches and wildflower meadows, in addition to play equipment, hiking trails, and sports and recreation amenities, giving local residents an opportunity to escape the trappings of modernity, engage with their local heritage, and developing greater physical well-being.

In the month of October alone, the park will host boat tours on Spring Creek, a workshop for local science teachers, an astronomy class, a tree-planting session, Halloween events and a settlers' soap-making demonstration.

The Jesse H. Jones Park and Nature Center brings out the best in one of America's best communities. The park has a dedicated team of staff and volunteers that exemplify the charitable and community-minded spirit Texas is famous for.

Harris County Commissioner Jack Cagle and his staff should be commended for their leadership in the community. The nature center will be long valued and maintained as a resource of cultural and environmental heritage.

ANTI-DEFAMATION LEAGUE

**HON. ELIZABETH H. ESTY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Ms. ESTY. Mr. Speaker, I rise today to salute the Anti-Defamation League and the tireless work of the ADL's Connecticut Regional Office. Now more than ever, the world needs the bravery of League members and allies to confront anti-Semitism and defend the civil rights and humanity of all people.

Tonight I will have the privilege of joining friends and neighbors from across Connecticut at the Greater Hartford Torch of Liberty Award Reception. Created to recognize those who epitomize the Anti-Defamation League's values and commitment to community and public service, this year's Torch of Liberty Award honorees include our esteemed Lieutenant Governor, the Honorable Nancy Wyman, Mr. John J. Patrick, Jr., and Ms. JoAnn H. Price.

The timing could not be more appropriate. Their examples of selfless service are welcome reminders of the need for this House to eschew the dysfunction of rigid ideologies and selfish partisanship. The occasion is also a timely reminder of the broader importance of the values which this year's award winners embody.

Founded in 1913, the Anti-Defamation League's stated mission was "to stop the defamation of the Jewish people and to secure justice and fair treatment to all." From that admirable spirit its members have fashioned a
