

at the Most Precious Blood Church, the young couple lived in Hyde Park for many years before moving to Walpole, Massachusetts in the 1990s.

For many years, John worked at New England Telephone and spent countless hours volunteering on local initiatives. During my years as a Massachusetts State Senator, I had the privilege of working alongside John—who devotedly served his neighbors as an earnest and dedicated community representative. Barbara, too, dedicated her life to public service as Director of Human Resources for the Suffolk County District Attorney's office. Though they are now both retired, they are still involved in their community and maintain a keen interest in politics and public affairs.

As a testament to the profound impact John and Barbara have had on their family, their spirit of service and community has transcended generations. Over the years, many of their children and grandchildren have gone into law enforcement and served in the Boston Police Department. John and Barbara celebrate their 70th anniversary surrounded by their loving family, which has grown to five children, eleven grandchildren and two great grandchildren.

Mr. Speaker, I am proud to honor John and Barbara on this joyous occasion. I ask that my colleagues join me in wishing them and their family many more years of happiness.

**HONORING PETER AND SHEILA ARELLANO**

**HON. JEFF DENHAM**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 6, 2015*

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor the lives of a well-known and beloved couple in the Escalon community, Peter and Sheila Arellano. They passed away within a year of each other. Sheila on October 7, 2014 and Peter on June 14, 2015.

Peter, fondly known as "Chessie" to his friends and family, grew up in Sonora, California where he was noted as a star athlete. After graduating from high school, Peter enlisted in the United States Air Force during WWII. He was stationed in the South Pacific, Australia, New Guinea, the Philippines, and Europe where he spent several years diligently and courageously serving our Country. After returning from WWII, he graduated from San Jose State to begin a career teaching and coaching. He also served in his local Lions Club for over 65 years in various positions from Past President to Chairman. He was Stockton County Fair Escalon Exhibit Co-Chair for over 20 years. He also started the Peter Arellano Athletic Scholarship and he previously hosted the Peter Arellano Athletic Scholarship Golf Tournament to raise money for scholar athletes from Escalon High School. Peter married the love of his life, Sheila, and together they moved to Escalon, California where they lived for over 58 years. Pete continued his passion for teaching at Escalon High School.

Sheila proudly worked as the assistant editor for the Escalon Times. Sheila also served as President of the Chamber of Commerce for two terms, member of the Historian Society,

Escalon City Committee, Red Hats, Catholic YLI, Actor in Readers Theater, retired teacher aide at Den Elementary and El Portal Middle School, Escalon Soroptimist Group, and Stockton Country Fair Escalon Exhibit Chair for over 20 years. She started the Escalon Low Vision Support Group, hosted bingo lunch with seniors twice a month, and continued to be an acting Ambulance board member. The community honored them as Mr. and Mrs. Escalon because of their immense participation and contributions.

They have left a permanent mark on the Escalon Community. Both were inspiring human beings even in the face of difficult times. Sheila endured two bouts of breast cancer, kidney failure, heart attacks, and blindness due to macular degeneration. Despite all this, she maintained a smile on her face and a high spirit of gratitude. Pete's energy was just as contagious, and it allowed for them to be confident together. Both lived life the way it should be lived; they enjoyed the simple things and made the most of their time together every day.

Family was central to the Arellanos and they loved their family above all else. They are survived by their three children George Arellano, Tina Jensen and Bahrt Arellano; seven grandchildren Kim Theisen, Craig Berchtold, Holly Page, Heidi Rech, Jeremy Jensen, Cortez Arellano, Vincent Arellano; and eight great-grandchildren Kelsie Theisen, Callie Theisen, Trenton Berchtold, Emma Berchtold, Madelyn Page, Colton Page, Olivia Jensen and Vivian Jensen.

**RECOGNIZING MELANIE L. CAMPBELL FOR 20 YEARS OF SERVICE AND LEADERSHIP AT THE NATIONAL COALITION ON BLACK CIVIC PARTICIPATION**

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 6, 2015*

Ms. NORTON. Mr. Speaker, I rise to ask the House of Representatives to join me in recognizing Melanie L. Campbell, President and CEO of the National Coalition on Black Civic Participation (the National Coalition) for her exemplary leadership to expand and preserve civil, human and women's rights in the United States. This year marks the 20th year Ms. Campbell has led the National Coalition, which is composed of organizations that represent some 40 million people across our great nation. Campbell is well known for her unique ability to build powerful coalitions and networks that bring diverse people together for the common good.

The National Coalition was founded nearly 40 years ago on May 5, 1976 in the District of Columbia by great heroes and heroines of the Civil Rights Movement, including the late Dr. Dorothy Irene Height, Norman Hill, the late Maynard Jackson, Rev. Dr. Joseph E. Lowery, William "Bill" Lucy, Eddie Williams and many others—all of whom mentored Campbell to embrace servant leadership as a way of life in her journey in the fight for justice for all people.

Melanie Campbell is a nationally recognized expert in civic engagement, voting rights, women's rights and youth empowerment, and has led many successful coalition-based campaigns that have empowered thousands of African Americans to have a voice in our representative democracy including: 1) the Unity Voter Empowerment Campaign helping increase Black voter participation to historic records over the past decade; 2) the Unity Diaspora Census Campaigns helping reduce the undercount of the Black population in 2000 and 2010; and 3) organizing the ReBuild Hope NOW Coalition in 2005 to assist survivors of Hurricanes Katrina and Rita in rebuilding their lives in the Gulf Coast Region.

Ms. Campbell acknowledges that one of her most rewarding accomplishments at the National Coalition has been creating an innovative, youth-led civic leadership development program, Black Youth Vote, which was launched April 4, 1996, under the banner, "the ballot, not the bullet" in commemoration of the assassination of Dr. Martin Luther King, Jr.

Campbell is a passionate advocate for women's rights and serves as convener of Black Women's Roundtable (BWR), an intergenerational public policy and organizing network of the National Coalition. Under her leadership, BWR empowers thousands of women and girls annually with tools and resources to live a higher quality of life. BWR is focused on fighting for income equality for women and a living wage job for all Americans.

In 2014, Campbell led a Black Women's Roundtable delegation to challenge the NFL to

address domestic violence and diversity in the league; and organized prayer vigils on Capitol Hill, with the National African American Clergy Network, to pray for Congress to confirm Loretta Lynch to become the first African American woman and second woman in history to serve as the U.S. Attorney General of the United States.

Most recently, she established the Black Youth Vote/Gathering of Black Men & Boys Initiative which held a Capitol Hill day on April, 23, 2015, with over 200 young men and boys coming together to learn how the public policy process works and meeting their Congressional representatives from both parties to share their concerns that are impacting their lives. For her black male initiatives work, she was recently appointed to the My Brothers' Keeper Alliance Advisory Council supported by President Obama.

Campbell is an active member of Delta Sigma Theta Sorority and several other prominent national organizations. She is a native of Mims, Florida and attributes her passion for civil rights and social justice to her parents, Mrs. Janet Campbell and the late Isaac Campbell, Sr., who instilled in her a strong faith in God and the understanding that "helping others is the rent we pay for being born."

Melanie L. Campbell has spent her entire professional life as a mentor and a role model for countless women and youth in the District of Columbia, the nation and the world.

Mr. Speaker, I ask the House of Representatives to join me in saluting Melanie L. Campbell for her 20 years of service to our nation as a non-profit leader at the National Coalition, and for being a great humanitarian and outstanding citizen of the United States of America.

IN RECOGNITION OF THE 50TH ANNIVERSARY OF THE NATIONAL COLLEGIATE HONORS COUNCIL

---

**HON. GUS M. BILIRAKIS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 6, 2015*

Mr. BILIRAKIS. Mr. Speaker, I rise today to recognize the National Collegiate Honors Council (NCHC) for their 50th Anniversary and outstanding commitment to collegiate honors education. The National Collegiate Honors Council is dedicated to excellence in education, as they serve over 800 colleges and universities across the country and is composed of over 325,000 students dedicated to achieving excellence in diverse subject and curriculum areas to fulfill professional career goals.

I would also like to call attention to Saint Leo University in my district for their dedication to academic excellence and for being a member of the National Collegiate Honors Council. Students at Saint Leo University experience and grow in core values such as excellence, community, integrity, respect, personal development and responsible stewardship.

The Honors Program at Saint Leo University was started over 30 years ago. Alumni and current students continue to express to others the enormous impact the program has had on their professional work experience. One graduate is now a professional working in instruc-

tional technology developing safety training in the energy field and credits the Honors Program at Saint Leo for preparing him to adapt intellectually and to be ready to explore new fields. Students are encouraged to broaden their horizons with a change of scenery and culture through this program. One student interned for a museum in London and was able to incorporate this experience in with their history course. Another student worked on an oral-care education project for the small children of migrant farmworkers who live within a short drive of the campus.

As you can see through the Honors Program, students have been challenged to think deeply about what they want to accomplish personally and professionally, and are already making strides toward those goals. Saint Leo Honors Program has shown and continues to show their commitment to educating students and influencing their lives positively to help shape them in every way.

Once again, please join me in commending the National Collegiate Honors Council on their 50th Anniversary. Their service to programs like those at Saint Leo University and their dedication to academic excellence and achievement is honorable.

COMMEMORATING 104TH ANNIVERSARY OF TAIWAN

---

**HON. JOHN CONYERS, JR.**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 6, 2015*

Mr. CONYERS. Mr. Speaker, I rise today to congratulate the people of Taiwan on the 104th anniversary of their great Republic on October 10. This day, known as "Double Ten Day" because it falls on the 10th day of the 10th month, is revered in Taiwan the same as we celebrate the 4th of July. It commemorates the Wuchang Uprising, the event that triggered a revolution that led to the overthrow of China's imperial regime and the establishment of the Republic of China on January 1, 1912.

Over the following century, as a result of the hard work and dedication of the people of Taiwan, Taiwan has become a democracy that stands as a model to other nations around the world.

On this national day, I would also like to take the time to thank Taiwan for their continuing focus on buying American goods. In 2014, Taiwan surpassed India and Saudi Arabia to become the United States' 10th largest trading partner. Last year, Taiwan purchased nearly \$200 million worth of goods from my home state of Michigan, bolstering our chemical, metal and machinery sectors.

104 years after the Wuchang Uprising, Taiwan has transformed into a flourishing, economically robust society where social justice is a priority. Taiwan's praiseworthy commitment to social justice is perhaps best exemplified by their implementation of the single-payer National Health Insurance (NHI) system. This year marks the 20th anniversary of the system, which guarantees all Taiwanese citizens access to necessary medical care. In just two decades, Taiwan's healthcare system has become globally renowned for providing citizens with easy access to high-quality medical services, and it provides an important lesson to the world about the feasibility of a transition to a single-payer system.

I am proud to commemorate the 104th anniversary of Taiwan's Double Ten Day, and I look forward to continuing the meaningful friendship and cooperation between the peoples and governments of the United States and Taiwan.

IN MEMORY OF SAMUEL J. SWORN, JR. OF POMPANO BEACH, FLORIDA

---

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 6, 2015*

Mr. HASTINGS. Mr. Speaker, I rise today to honor an esteemed educator, community leader, and personal friend, Mr. Samuel J. Sworn, Jr. Brother Samuel was a community icon and a charter member of the Fort Lauderdale Alumni Chapter of Kappa Alpha Psi Fraternity. He sadly transitioned into the Chapter Invisible on October 5, 2015, surrounded by family, friends, and his beloved wife Millicent.

Brother Samuel believed that mentorship, volunteerism, and philanthropy are the cornerstones of a thriving community and because of his efforts, the Fort Lauderdale Alumni Chapter continues to be a "beacon of light" and a positive influence in the lives of the people of Broward County.

Brother Samuel was also a wonderful educator. For over 30 years, he served the students of Broward County, first as a Blanche Ely High School teacher, then transitioning through the Broward County system to become an administrator at Plantation High School. He had a knack for helping people and on June 13, 2009, Pompano Beach officials dedicated the new aquatic center Houston-Sworn Aquatic Center at Mitchell-Moore Park to honor his many contributions to the Pompano community.
