

R. D. Henton Breakthrough Ministries, a weekly program that aired on television, radio and online throughout the world and allowed Apostle Henton to touch the lives of millions across the globe.

This tremendous ministry permitted the world to know Apostle Henton's charismatic and captivating voice that brought breakthroughs for his members and the world at large and led many to know him not only as a faithful pastor but as their "TV Evangelist".

Mr. Speaker, Apostle Henton was a learned man who held three Doctorate of Divinity degrees and was the recipient of numerous certificates of merit. Apostle Henton was not only honored by our colleagues here in the House, but also with letters from presidents, and having been given keys to many cities.

Of his numerous awards, he was especially proud of two very special awards he was given in his hometown of Chicago, Illinois: The N'Digo Foundation's N'Faith Award and the Luminary Senior Citizen Hall of Faith Award presented by former Mayor Richard M. Daley.

Of his many accomplishments, Mr. Speaker, we must not forget that, ultimately, Apostle Henton was a family man and the father of four children who worked faithfully with him in the ministry.

Mr. Speaker, Apostle Henton will truly be missed by us all but I will always remember what an amazing pastor and friend he was. My thoughts and prayers are extended to his family, church family and many friends. No one can prepare for a loss; it comes like a swift wind, but, I take solace in the fact that he is now resting in the arms of our Lord.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. TROTT. Mr. Speaker, I rise today to honor the memory of the Honorable Kay Arnold of Plymouth, Michigan for her extensive public service and unwavering commitment to the Plymouth community.

Kay had an unparalleled résumé, serving on the Plymouth Board of Trustees since 1992 and the planning commission since 1996. Her accomplishments in these roles include leading projects to improve the Ann Arbor Road corridor, Miller Park, and bridges in the township park. Colleagues often praise her independence in completing projects and willingness to always listen to residents' concerns. Plymouth Township would not be the same without Kay's work, and her influence will not be quickly forgotten. Kay also devoted time to volunteer work and was active with United Way, the Plymouth Community Arts Council, the Schoolcraft College Foundation, and the Plymouth Community Chamber of Commerce.

The Plymouth community will greatly miss Kay and her tireless efforts to improve her township. I express my condolences to her family, and to all who had the privilege of knowing her.

TRIBUTE TO DEBBIE WILLIS

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. SIMPSON. Mr. Speaker, this December, the Army Corps of Engineers will see an exceptional employee retire after 32 years of exemplary service to our citizens, communities, agencies and military men and women that the Corps serves.

Debbie Willis lived in Idaho from 1999 to 2009, serving as the Project Manager in charge of the Walla Walla District's Boise office. During that time, she represented the "First and Best" door to the Corps of Engineers, Walla Walla District. Debbie always provided a "can-do" attitude and worked tirelessly with her peers, local citizens, state and federal agencies, and private non-profits, to unlock remarkable solutions to difficult challenges that our communities faced in Idaho. In the words of one Idaho Mayor, she was our "Superwoman." These sentiments are shared by the countless individuals Debbie worked alongside to solve problems during her time at the Corps.

Debbie specialized with issues related to environmental improvements in urban and suburban flood-prone areas. She also worked with local communities to address the critical issues of water and wastewater infrastructure management and actively sought to involve community stakeholders in flood risk reduction and environmental habitat improvements along Idaho's valuable waterways and riparian areas.

In 2005 and 2006 she earned the honor of being selected from the ranks of the Corps of Engineers to serve as a Congressional Fellow and as a member of the staff for the House Energy and Water Development Appropriations Subcommittee. On May 24, 2006, Chairman of the Energy and Water Appropriations Subcommittee Dave Hobson recognized Debbie on the floor of the House of Representatives for her invaluable assistance in crafting the Energy and Water appropriations bill for fiscal year 2007.

Throughout her years of service to our country, Debbie served the Corps of Engineers in Georgia, South Carolina, Washington and North Carolina. She holds a Civil Engineering degree from North Carolina State University and has utilized her education and experience to help plan, engineer, and manage the construction of many large and complex military and civil works projects throughout the country and most recently for the U.S. Army Special Operations Command at Fort Bragg.

As a senior Corps project manager, she provided environmental restoration support to the Department of Energy at two of the Nation's largest nuclear facilities, the Hanford and Savannah River sites. Debbie also found time to use her expertise in a volunteer capacity by helping local communities in the southern U.S. assess and recover from damages caused by natural disasters. She traveled across the country and overseas, teaching management fundamentals and skills to Corps' employees and continues to be a mentor to many within the agency.

Debbie's last assignment has been as a Senior Project Manager for the Wilmington District, Corps of Engineers. Within that capacity, she has demonstrated extraordinary leadership and dedication supporting our service men and women at Fort Bragg. Over the past several years she has successfully managed the design and construction for both the Joint Special Operations Command (JSOC) and the Security Operations Training Facility (SOTF) at that base.

Debbie's hard work and dedication to duty is a proud reflection of the Corp of Engineers and her support for our nation's military. Her performance awards serve as a testament to more than three decades of exceptional service and selfless dedication to this country. I congratulate Debbie Willis on her retirement and wish her and her husband Brayton well in future endeavors.

TRIBUTE TO MICHAEL J. HEID

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to pay tribute to a distinguished Urbandale, Iowa resident and industry leader, Michael J. Heid. Mike is a widely respected mortgage industry executive with Wells Fargo, whose mortgage business is headquartered in West Des Moines, Iowa. Mike recently announced his retirement after an impactful and successful 30-year banking career that culminated in spending the last eleven years as President of Wells Fargo Home Lending.

In addition to managing 40,000 employees across the country, Mike has been a leader in

shaping housing policy while helping the industry navigate the unprecedented challenges of the past decade. He devoted a great deal of his time to bringing together divergent views on housing finance reform and has spent hours acting as a valuable subject matter resource to policymakers on Capitol Hill along with multiple Administrations.

A frequent visitor to the nation's capital, Mike has been referred to as the "go-to source" in Washington for housing policy matters. He has testified before Congressional committees on numerous occasions and is known for his thoughtful approach and his in-depth and unbiased knowledge of the housing industry.

A native of Wisconsin, Mike joined Wells Fargo in 1988. During his twenty-seven years at the company, he has led the servicing function and acted as CFO before becoming president of the mortgage business. Wells Fargo was the nation's largest home lender during his tenure. But Mike hasn't always been perched at the top of the mortgage industry. He started at a small mortgage bank whose cash flow was so poor, that he determined he would have to sell the furniture to stay afloat. Mike draws his strength from his family; his wife, his son and his daughter. He now has extra incentive to spend more time with his family, having two granddaughters living in the Des Moines area. Full-time grandparent sounded awfully inviting to Mike.

Mr. Speaker, I applaud Mike's dedication to the greater Des Moines community, and his steadfast commitment to bringing the American dream of home ownership to so many. I ask that my colleagues in the United States House of Representatives join me in congratulating Mike and wishing him and his wife Diane nothing but the best as they plan this new chapter in their lives.

HONORING ANNE SAMSON

HON. MARK MEADOWS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. MEADOWS. Mr. Speaker, I rise today to celebrate the legacy of Anne Samson. Anne was a selfless philanthropist who dedicated her life to serving her family and community.

A daughter of Hungarian Holocaust survivors, Anne was a devoted wife, mother, grandmother, and friend. Anne's love for Israel and the Jewish people illuminated much of her work. Anne and her husband, Lee, actively served within the Jewish community and volunteered in Israel following the Six-Day War.

Anne's philanthropy and selflessness touched many families, synagogues, and organizations. In her memory, the Samson family has helped establish the Anne Samson Memorial Fund which will provide assistance to the Jerusalem Journey summer program, in which hundreds of public school students have their very first Israel experience.

Anne's life demonstrated that it is often the quiet leader who is the most impactful. She led by example, motivated by her strong convictions and Jewish faith. Beloved by her family and community, Anne's legacy lives on in her children and grandchildren who carry on her graciousness, hospitality and dedication to service. It is my honor to commemorate Anne Samson's memory today.

PAYING TRIBUTE TO ELLEN ROSENTHAL FOR HER OUTSTANDING SERVICE TO CONNER PRAIRIE

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor Ellen Rosenthal on the occasion of her retirement. For 10 years Ellen has served as President and CEO of Conner Prairie Interactive History Park, a beloved destination of Indiana's Fifth Congressional District located in Fishers, Indiana. Conner Prairie flourished under Ellen's leadership, and Hoosiers are eternally grateful for her contributions.

Ellen has a long history developing museums and exhibits. She planned the opening of historic houses at the Minnesota Historical Society in St. Paul, Minnesota and at the Frick Art and Historical Center in Pittsburgh, Pennsylvania. She also served as curatorial director for the American History Workshop in Brooklyn, New York, where she managed projects for the National Museum of American History, South Street Seaport Museum, and National Endowment for the Humanities. In 1999, Ellen began her career with Conner Prairie as Vice President of Internal Affairs, assumed a leadership role in 2003 when she was promoted to Executive Director, and in 2005 became President and CEO. Since then, Ellen played an integral role in transforming Conner Prairie from a traditional living history museum into the independent, immersive, and interactive history park it is today.

At the beginning stages of Conner Prairie's transformation, Ellen redefined the museum's mission to "inspire curiosity and foster learning about Indiana's past by providing engaging, individualized and unique experiences." She has a passion for creating and developing museums that offer active engagement and learning that transcends generations and strategic, data-driven decision making. A wonderful example of Ellen's vision put into action is the opening of the outdoor experience "Civil War Journey: Raid on Indiana," which used historical actors, sounds, and sets to place visitors in the middle of a southern Indiana Civil War battle. Her unique approach to focusing on experiential learning and guest immersion as well as her incomparable ability to build support and raise funds for new exhibits has resulted in more than a 240 percent increase in annual attendance. More than 360,000 guests visit Conner Prairie's historic grounds and indoor experiences annually.

During her tenure as President and CEO, Conner Prairie has received a number of honors and awards. Most notably, Conner Prairie was awarded the nation's highest honor for museums—the National Medal from the Institute for Museum Library Sciences. Conner Prairie also was selected as one of six museums nationwide to be featured as a magnetic museum, which is defined as "high-performance organizations that deliver tangible cultural and civic value and achieve superior business results." Under her leadership, Conner Prairie became a Smithsonian affiliate, the only museum in Indiana to hold such a distinction. Additionally, Ellen led the effort that secured a \$2.3 million National Science Founda-

tion grant in 2012 that empowers Conner Prairie to lead four American institutions in the integration of informal science experiments at historical sites and museums across the country.

Ellen's personal commitment to the community and success as a leader has not gone unnoticed. Governor Mike Pence is bestowing upon Ellen a Sagamore of the Wabash, one of the most prestigious honors in Indiana. She also received the Commitment to Creativity Trailblazer award from University High School (2014), the Torchbearer award from the Indiana Commission for Women (2013), was cited for Excellence in Innovation by the Indiana Innovation Awards (2012), named a Woman of Influence by the Indianapolis Business Journal (2008), and named a "Distinguished Hoosier" by Governor Mitch Daniels (2006).

As a personal friend and admirer of Ellen for over a decade, it is truly a privilege to honor her today for her many accomplishments. On behalf of the grateful constituents of Indiana's Fifth Congressional District, I congratulate Ellen on the occasion of her retirement. We congratulate her on her remarkable career and extend a huge thank you for all of the wonderful contributions she has made to Conner Prairie and the Hoosier community. I wish the very best to Ellen, her husband, Dr. Ted Logan, and her three sons, Daniel, Sam, and Paul as she enjoys a well-deserved retirement.

COMMEMORATING THE 150TH ANNIVERSARY OF OAK GROVE BAPTIST CHURCH, LITTLETON, NORTH CAROLINA

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 28, 2015

Mr. BUTTERFIELD. Mr. Speaker, I rise to celebrate the 150th anniversary of Oak Grove Baptist Church located in my congressional district in Halifax County, North Carolina in the town of Littleton. The Church was founded in 1865 by Reverend Lovely Brown, Sr. and several faith leaders who devoted themselves to spreading the word of God.

One hundred fifty years ago, Reverend Brown and his small congregation of parishioners gathered to worship under a "bush arbor." Through steadfast faith and an unwavering dedication to its mission of faith and service, Oak Grove has grown from those humble beginnings to become a pillar of hope for its congregation and a cornerstone of the Littleton community.

On April 2, 1966, the church was destroyed by a devastating fire. Pastor J.W. Wiley rallied the congregation and the community to rebuild. The following year, Oak Grove held its first service in the newly built "Heritage Sanctuary."

Oak Grove is pastored by Rev. Dr. Charles McCollum, Sr. where the church continues to prosper under his leadership.

Mr. Speaker, I ask my colleagues to join me in congratulating Rev. Dr. McCollum, the parishioners of Oak Grove Baptist Church, and the residents of Littleton on this historic milestone.
