RECOGNIZING THE LEGACY OF  
RICHARD NAMEY

**HON. ALAN GRAYSON**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mr. GRAYSON. Mr. Speaker, I rise to recognize the life and legacy of Richard "Rick" Ellis Namey, who died of a heart attack on February 26 at the age of 66. Rick wasn't a man defined by one title, one line of work, or one talent. He was many things: successful concert promoter, advertising genius, pitchman, standup comic, author, screenwriter, and political activist. Friends and family say one thing is certain; he didn't do anything halfway. With every endeavor, he went all out.

Rick was born in Baltimore on February 12, 1949. The oldest son of Albert and Salam Namey, his father met his mother while traveling abroad in Beirut, Lebanon. An aerospace engineer, Albert took a job with Martin Marietta and the family moved to Orlando when Rick was 10.

Rick began pursuing his ambitions while attending Winter Park High School and Sanford Naval Academy. At age 16, he won a teen disc jockey competition on WLOF-AM and began managing local bands like Mr. Banana and the Bunch and Marshmallow Steamshovel. He was also a performer.

Rick's first business venture was a coffee shop called The Hobbit in Daytona Beach, which catered to the hippie crowd, followed by The Purple Door in Bithlo. His success booking national acts like Bob Seger and the Silver Bullet Band for events at the Tangerine Bowl and the Daytona International Speedway led him to start Cosmic Productions. Rick was part of the promotional team for Woodstock and appears in a documentary about the 1969 music festival.

Rick took ideas and turned them into reality, even if they failed. During the Summer of Love, he started a business selling love beads. He had an importer, stringer, and packager and he was going to make thousands—until it was revealed the ink on his product was poisonous. Despite some setbacks, Rick's many successes were featured in an Orlando Sentinel article when he was just 23.

An active participant in the civil rights movement, Rick attended rallies and worked on presidential campaigns including McGovern/Eagleton and Carter/Mondale. Though Central Florida was always his home and he worked hard to promote it, he often rubbed elbows

with the rich and famous. Old photos show Rick and the Carter family at home watching the Kentucky Derby in the 1970s.

The list of Rick's accomplishments is long. Rick and his brother, Charles, started two of Orlando's first black pop radio stations—WORJ and WORL—and Kissimmee's first tourist channel. Rick had a nationally syndicated radio show with Hugh Rodham, former Secretary of State Hillary Clinton's brother. He also served as interim manager for the Backstreet Boys and cut an album of Vietnam War protest songs.

Through his company, Stuyvesant Corporation, Rick wrote hundreds of TV and radio ads including "Mr. Stereo and Video," "Mad Max," "Cheese Wars" and "Sounds Unlimited." Many of his ads garnered him national Addy Awards for creative excellence.

Rick was most proud of his screenwriting, which included Lake Wobegone Boys with Garrison Keiler, and Matt Merlin, a story about a kid wizard. Universal Studios optioned Matt Merlin well before Harry Potter took the world by storm.

He was also the author of several published non-fiction books including Fodor's Disney Like A Pro, Orlando Like A Pro, and Buy This Book and Make Me Rich, a political satire. His most recent book, Casey's Ghost, chronicled his brief stint as the ghost writer for Casey Anthony, who was acquitted of the 2008 murder of her daughter Caylee in a trial televised worldwide.

Mr. Namey was a longtime member of Mensa. In recent years, he spent his time volunteering for local Democratic candidates and rallying for liberal causes. His ideas never stopped, his opinions grew stronger with age, and his love for his family was unparalleled.

I am humbled to honor the memory, life, and outstanding achievements of Richard Namey.

CELEBRATING THE 50TH ANNIVERSARY OF THE ROTARY CLUB OF JEFFERSON TOWNSHIP

**HON. RODNEY P. FRELINGHUYSEN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the Rotary Club of Jefferson Township, New Jersey, as it celebrates its 50th anniversary.

The Rotary Club of Jefferson Township dedicates itself to bettering the township through the completion of communal projects.

This organization seeks to improve the local community with the goal of ensuring that the Jefferson Township region is a wonderful place in which to live, work and raise a family. The greater Jefferson Township area benefits immensely from this organization's dedication to its neighbors and friends.

Since 1965, the Rotary Club of Jefferson Township has devoted its time and energy to facilitating projects for the benefit of the community. From distributing dictionaries to third graders to financing the construction of four vocational schools in Romania, this organization's members continuously find ways to help those people in need of assistance. Whenever an opportunity arises to help others, like participating in End Polio Now, Rotary Club members always seem to be the first volunteers to respond.

Recently, this organization began several new projects in order to support members of the Jefferson Township community. On December 6th and 7th, the Rotary Club participated in the Sparta Christmas Bazaar by selling desserts and candies to help fund its operations. The Rotary Club also sold Gertrude Hawk chocolate bars to fund its third grader dictionary distribution project. This organization is also participating in "Walkfest 2015," a Sunday morning event where participants walk in Waterloo Village, located in Byram, New Jersey. During this fundraising event, participants may donate money to various organizations, including the Rotary Club, and have the opportunity to receive prizes.

The Rotary Club of Jefferson also believes in a rich cultural experience for students. To ensure that students from Jefferson Township expand their education outside of the classroom, the Rotary Club funds a Japanese Summer Exchange Program. In this program, American students spend three weeks on the island of Shikoku, while Japanese students spend three weeks in Northern New Jersey. Those students in Shikoku live with Japanese families and encounter Japanese culture, cuisine and customs. Those students visiting New Jersey live with families affiliated with the Rotary Club, and attend excursions to New York City. This program is yet another instance of the Rotary Club's commitment to students' educational experience.

To celebrate 50 successful years of offering assistance to those in need, the Rotary Club of Jefferson Township is holding an anniversary dinner on Tuesday, February 24th at the Casa Bianca Restaurant in Oak Ridge, New Jersey. At this celebration, the Rotary Club will host buffet-style culinary offerings, as well as a cash bar. In honor of its dedication to 50 years of service, the Rotary Club will present its 2015 Citizen Year Award to Alice and Bela Szigethy.

I commend the members of the Rotary Club of Jefferson Township, especially Alice and Bela Szigethy, for their dedication to improving the Jefferson Township area. The club has consistently demonstrated a dedication and commitment to improving the community and successfully completing numerous communal projects.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Rotary Club of Jefferson, its members and Board of Directors as it celebrates its 50th anniversary.

HONORING THE CHEERLEADING  
TEAM FROM THOMAS W. KELLY  
HIGH SCHOOL

**HON. JASON SMITH**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the cheerleading team from Thomas W. Kelly High School in Benton, Missouri. At the National Cheerleaders Association Championship this year they took home the first place trophy, earning their first National Championship. They earned this by working hard and setting their eyes on the prize early on. During their practices they focused on quality, not quantity and the team would come together and give it their all to perfect their routines.

Last October, the cheerleading team proudly took home the title of Class 2A Large State Champion, but they did not stop there. They traveled to St. Charles for the National Championship to compete with schools from all over the country.

During the competition, the Kelly High School cheerleading team competed against schools more than ten times the size of their own. This may have seemed daunting to some, but the team came prepared and represented Scott County admirably.

This is the first National Championship trophy for the cheerleaders of Thomas W. Kelly High School, but I do not see it being their last. It is my privilege to recognize their achievements and hard work before the House of Representatives.

CELEBRATING THE 100TH ANNI-  
VERSARY OF SAINT JOHN THE  
BAPTIST RUSSIAN ORTHODOX  
GREEK CATHOLIC CHURCH

**HON. RODNEY P. FRELINGHUYSEN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the parish of Saint John the Baptist Russian Orthodox Greek Catholic Church, located in Little Falls, New Jersey as it celebrates its 100th Anniversary.

The parish of Saint John the Baptist Russian Orthodox Greek Catholic Church has been an active part of the Little Falls community since its founding in 1915. Through its weekly masses, education center, and cultural celebrations, the church greatly reflects and celebrates its culture which has been rooted in the church by its founders, while still taking on new members in the present day.

Saint John's was the product of two migrations: one from Europe prior to 1915 and one from Pennsylvania about a decade later. The original church was built in 1915 as a place for the Orthodox faithful to embrace their history, culture, and religion. In 1917, the church es-

tablished a Russian School Program for the youth. Over the years, the Orthodox population in the area grew, as did the church itself. In 1952, the architectural firm S.E. Greydanus & Son was hired to construct the new building. The project began on June 24, 1952. During the construction period, services were held at the Signac Public School and the Signac Fire House. Less than one year later, the project was completed and the first service was held in the new building on April 2, 1953. From 1957 through 1970, the church continued to purchase new land and build additions. Its final project, an education-recreation center, was completed on April 17, 1970.

The Parish of Saint John's has been helping the Orthodox community celebrate and practice their religion and beliefs. The church has also done much more; with the construction of its education center it has been able to offer programs such as a youth recreation center Sunday school, and much more to help educate the youth of the Orthodox community. The Sunday school teaches the youth about their religion and what it means to be an Orthodox Christian. Additionally, Saint John the Baptist Church invites all of those who wish to practice and understand their Orthodox beliefs to join them.

For Saint John the Baptist's Centennial Celebration, I commend all of the pastors and committees of the Parish. Since its founding, Saint John's has been supported by the people of Little Falls; this is one of the main reasons why the parish is still a big part of the community. After 100 years of outstanding service to the Township of Little Falls, I commend and congratulate Saint John the Baptist Church for all of its hard work and dedication.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Parish of Saint John the Baptist Russian Orthodox Greek Catholic Church, as it celebrates its 100th Anniversary.

INTRODUCTION OF THE MEDICARE  
DEMONSTRATION OF COVERAGE  
FOR LOW VISION DEVICES ACT  
OF 2015

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, it is estimated that more than 60 million Americans are at risk of serious vision loss—a number expected to increase as the baby boomer generation ages. Along with my colleague Rep. GUS BILIRAKIS, I am proud to reintroduce legislation to support Americans with limited or impaired vision. For someone with a visual impairment, reading a book or crossing the street could be blurred or distorted even with the help of glasses or contact lenses. In many cases a physician can prescribe magnifiers or special optical devices to help an individual remain independent. While there are a wide variety of options to help people with low vision, currently, there is an

exclusion from Medicare coverage for devices that include a lens to aid vision or provide magnification of images for impaired vision. Ultimately, not having these assistance devices could shift more individuals from independent living to care facilities or nursing homes.

To understand the impact of covering these devices for America's seniors, we are introducing the Medicare Demonstration of Coverage for Low Vision Devices Act of 2015. This legislation would create a five-year national demonstration project administered by the Department of Health and Human Services to evaluate the economic impact of allowing reimbursement for certain low vision devices under the Social Security Act. Coverage of such devices could help Medicare beneficiaries with low vision lead healthy, safe, and independent lives.

CONGRATULATING DOROTHY  
KREUTER ON HER RETIREMENT

**HON. MICHAEL G. FITZPATRICK**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 4, 2015*

Mr. FITZPATRICK. Mr. Speaker, I rise today to honor a dedicated public servant in my Congressional District, Officer Dorothy Kreuter of the Doylestown Township Police Department. Last month, Officer Kreuter celebrated her retirement after serving 26 years with the department—an accomplishment for which we are all grateful.

Officer Kreuter was the first female officer in the Doylestown Township Police Department. Since joining the force, she faithfully devoted her life to protecting the health, safety and well-being of the constituents in the Central Bucks community. No matter the call, Officer Kreuter carried out her many responsibilities with a sense of skill and professionalism that was critical to the department's success over several decades. The integrity she displayed for her job, and sense of duty is unmatched.

Officer Kreuter is a trusted friend to many on the Police Department, and many in our community. I along with the residents of the 8th Congressional District wish her the best of luck in her retirement, and appreciate her many years of service and unwavering commitment to duty.
