Bruce Karstadt has served as the President and CEO of the American Swedish Institute for the past twenty-five years. He is also the Honorary Counsel General of Sweden for the State of Minnesota.

HONORING BROWNSTOWN
ELECTRIC SUPPLY COMPANY

HON. TODD C. YOUNG

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 18, 2015

Mr. YOUNG of Indiana. Mr. Speaker, many Hoosier small businesses across my district power the economic engine of the state, while also playing a critical role in the civic life of their communities. Today it is my honor to highlight one such small business. Brownstown Electric Supply Company, based in Brownstown, Indiana, is a privately-owned electrical supply company that has provided utility companies with technical expertise and electrical supplies for over four decades.

Carl Shake founded Brownstown Electric Supply Company in 1970 after a long career in the electrical supply and utility service industry. Brownstown Electric has grown from a small business in Jackson County, Indiana to a regional company that has expanded its reach as far as Illinois, Kentucky, and Ohio. Brownstown Electric is now run by Carl's son-in-law, Gregg Deck, who stewards the company with the same principles that has made Brownstown Electric a staple of Southern Indiana.

In addition to their economic contribution to the area, Brownstown Electric is an active member of their local community. They regularly sponsor local high school sports teams, participate in the Brownstown High School school-to-work program, and contribute to the Jackson County History Center of Indiana. This heart for service is exemplified in their organization of the Zach Pickard Pelican Run, a 5K run event dedicated to raising awareness for Hutchinson-Gilford progeria syndrome. Employees of Brownstown Electric organized the fundraiser in honor of the son of an employee who lives with the genetic condition.

Brownstown Electric Supply Company is emblematic of the Hoosier ethic. They are a family-owned and operated small business that not only delivers quality products and service, but also maintains a strong commitment to improving their community.

It is an honor to represent businesses like the Brownstown Electric Supply Company. I hope their example serves to inspire other would-be entrepreneurs, and I am pleased to highlight their good work today in this installment of Indiana's 9th District Small Business Spotlight.

TRIBUTE TO KATHY AZEVEDO

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 18, 2015

Mr. CALVERT. Mr. Speaker, I rise today to pay tribute to the career of Kathy Azevedo; a dedicated public servicewoman, community pillar, and local advocate. On Wednesday, November 18, 2015 Azevedo will celebrate her retirement from the Norco City Council after 12 years of service.

For over 45 years, Kathy has been a resident and supporter of the Norco community. Before beginning her public service work, Kathy opened her own Jazzercise studio. Azevedo has been a member of the Norco City Council since 2003. In addition to the Norco City Council, she also served as Mayor in 2005, 2009, and 2013. She has also served with the Norco Chamber of Commerce, as a member of the executive committee of the Western Riverside Council of Governments, and as a board member of the YMCA of Corona-Norco.

Preservation of Norco's rural and natural environment issues have been at the center of Azevedo's time in office. Her service work has helped lead to the establishment of the Horsetown, USA brand for Norco, establishing the largest city-wide residential zoning codes in the state of California, and the creation of Silverlakes Park, a 144-acre equestrian and recreational land space for the enjoyment of future generations.

In addition to her passion for preservation, Councilwoman Azevedo has also been a large champion of women's health and fitness issues. As a cancer survivor, Azevedo brings complexity and depth to these issues through her unique perspective.

Kathy serves as a member of the National Grant Review Board for the American Cancer Society. In addition to the American Cancer Society, Azevedo also was an original member of United Norconians for Life Over Alcohol and Drugs (Unload) and the founder of the nonprofit group Support Sisterz. Support Sisterz is a group of cancer survivors who help to provide assistance and support to individuals battling the disease.

Outside of her public service, Azevedo is an avid horseback rider and dedicated family woman. She married her high school sweetheart, Danny, and together they have two children and three grandchildren. Her family is her passion and she can often be found on the sidelines of her grandchildren's sporting events. I am proud to call Kathy a fellow community member, American and friend. I add my voice to the many who will be congratulating her on the celebration of her career of serving the city of Norco.

IN RECOGNITION OF STRUGGLE
FOR FREEDOM AND DEMOCRACY
DAY

HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 18, 2015

Mr. BLUM. Mr. Speaker, I rise in honor of Struggle for Freedom and Democracy Day.

Today is a day celebrated by our Czech and Slovak friends to commemorate the difficult road to independence and democracy.

On this day, seventy-six years ago, soldiers from Nazi Germany mercilessly murdered nine Czech students and professors celebrating the independence of the Czechoslovak Republic.

Fifty years later, on November 17, 1989, a peaceful student demonstration honoring those that lost their lives to the Nazis was terminated by riot police, igniting the Velvet Revolution which ended the Communist control in Czechoslovakia and subsequently, the eventual establishment of independent, democratic Slovak and Czech Republics.

Today, we honor and remember those who sacrificed to fight tirelessly against oppressive regimes. The journey to establishing republican governments is perilous and we, as a people, must continue to support democratic institutions in Central Europe and around the world. As a co-chair of the Slovak Caucus and a member of the Czech Caucus, I am proud to support continued political, economic, and cultural ties between the United States, Slovakia, and the Czech Republic.

Wednesday, November 18, 2015

Mr. DeSAULNIER. Mr. Speaker, I rise to recognize Ron Brown of Walnut Creek, California upon his retirement after his fifteen years of service to Save Mount Diablo and over forty years as an advocate in the nonprofit sector. Mount Diablo is the most significant natural landscape in our region, and serves as the landmark that unites much of the 11th Congressional District. Ron was instrumental in attaining voter-approved "Urban Limit Lines" of every city in
