

EXTENSIONS OF REMARKS

SAINT TIMOTHY COMMUNITY CHURCH EXPANSION

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 5, 2015

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and admiration that I congratulate Saint Timothy Community Church in Gary, Indiana, as its congregation and church leaders join together to celebrate the opening of a new addition to the church, the Reverend Dr. Robert E. Lowery Ministry Center. The congregation, along with Senior Pastor Reverend Dr. Alfred Johnson, Assistant Pastor Reverend R. E. Robinson, the church staff, and the board of trustees led by President Greg Jones, will be celebrating the opening of the center with a dedication service led by Reverend Johnson on Sunday, February 8, 2015.

Saint Timothy Community Church was organized in 1926 and has continued to prosper throughout the years. With the deterioration of the existing fellowship hall, church leaders, board members, and parishioners agreed that it was time for a new addition to the church. In order to meet the needs of the growing congregation, the new Reverend Dr. Robert E. Lowery Ministry Center offers church members a variety of amenities geared toward innovative spiritual programs. The new community center houses seven classrooms, a nursery, small meeting rooms, a study area, a full service kitchen, and a banquet hall that seats up to 300 people. The center will also be used for a variety of events and will be available for use by community organizations.

The new center is dedicated to the memory of Reverend Dr. Robert E. Lowery, who ministered to Saint Timothy Community Church for 49 years. Dr. Lowery was a very well-respected and loved pastor, who earned the admiration of many citizens and community organizations throughout Northwest Indiana. His ministry was not only within the church but extended to hospitals, nursing homes, and on the streets. Dr. Lowery's remarkable contributions to Saint Timothy Community Church and to the people of Northwest Indiana and beyond are worthy of our deepest appreciation. His legacy serves as an inspiration to us all.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring Saint Timothy's Community Church and its congregation as they celebrate the opening of the Reverend Dr. Robert E. Lowery Ministry Center. For their commitment to service, and for touching the lives of countless individuals, the church leaders, parishioners, and board members are worthy of the blessings that have been bestowed upon them.

REMEMBERING JOSEPHINE "JOSIE" BETRAS

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 5, 2015

Mr. RYAN of Ohio. Mr. Speaker I rise today to honor and celebrate the life of Josephine "Josie" Betras who passed away peacefully on Sunday, February 1, in the presence of her family at the Saint Elizabeth Health Center in Youngstown, Ohio. Josie was born on January 20, 1926 to her loving parents John and Ida Zidian. As a lifelong resident of the Mahoning Valley, Josie attended East High School, and shortly after her graduation she worked alongside her father at the family's business, the John Zidian Grocery Store.

In 1951, Josie married her husband, Joseph Betras. The two were married for 48 wonderful years and as a devoted wife she supported and encouraged him to pursue his political interest. With her help Joseph built a successful law practice, served as a Mahoning County Court Judge, and a Boardman Township Trustee. Aside from being a dedicated wife Josie believed in the importance of being civically engaged. As a result she became an active member of the Mahoning County Bar Auxiliary, the Lebanese Syrian Club, and the Mahoning County Democratic Party's Central Committee. She also volunteered for the Mahoning County Board of Elections, Saint Marons Church, and Saint Marks Ladies Society in Liberty, Ohio.

Josie and Joseph committed their lives to their family and were the proud parents of two sons, Daryl and David. Her children, grandchildren, and loved ones were her favorite topic of conversation and her greatest source of pride and joy. Josie was a matriarch in our community who delighted in entertaining guests with her glorious Lebanese feasts and I will forever cherish the times we have shared over the years.

Preceded in death by her husband Joseph; parents John and Ida; brothers John, Joseph, and Charles; and her sister Freda, Josie's warm and sweet spirit will continue to live on through the many hearts and families she has touched. Josie is survived by her sons: Daryl and David; her brother Ron; her three grandchildren Joseph, Rosie, and Alexander; and a

RECOGNIZING BLACK HISTORY MONTH

HON. BRADLEY BYRNE

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 5, 2015

Mr. BYRNE. Mr. Speaker, I rise today to recognize Black History Month and to pay tribute to two important African Americans from Alabama's First Congressional District.

While researching the history of some of my predecessors, I discovered that two of the earliest African Americans to serve in Congress actually represented the First Congressional District. Mr. Benjamin S. Turner served in the House of Representatives from 1871 to 1873, and Mr. Jeremiah Haralson served in the House from 1875 to 1877. I believe it is very fitting that we take time to recognize the lasting impact these individuals had on our area, but more importantly the influence they had on our nation.

Both Mr. Turner and Mr. Haralson were born into slavery and not provided a quality education. These men did not let slavery stop them from becoming educated, as both men worked hard to self-educate. After being freed from slavery, Mr. Turner and Mr. Haralson followed different paths to Congress. Mr. Turner became a successful businessman in south Alabama and was elected tax collector and councilman in Dallas County, Alabama. Mr. Haralson worked as a farmer and a minister before being elected to the Alabama State House of Representatives and later the Alabama State Senate. Both men would go on to represent the First Congressional District in Congress as Republicans, the same seat I now hold.

Mr. Speaker, these men serve as a great example and an important reminder about our

nation's history. These men remind us of the great American ideal that each and every person, regardless of the color of their skin, should have an opportunity to achieve their dreams. Thanks to the dedication and persistence of men like Mr. Turner and Mr. Haralson, today there are 46 black lawmakers serving in the 114th Congress, including the first-ever female, black Republican.

So during Black History Month, I encourage all Americans to take time to reflect on the past because looking to the past is the only true way to really understand common humanity. Let us remember the impact of Representatives Turner and Haralson and the countless other African Americans from Southwest Alabama who have made a lasting impact on our cities, states, and country.

PROVIDING FOR CONSIDERATION OF H.R. 596, REPEAL OF THE PATIENT PROTECTION AND AFFORDABLE CARE ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 3, 2015

Ms. JACKSON LEE. Mr. Speaker, I rise in opposition to H.R. 596 a bill to repeal the Patient Protection and Affordable Care Act.

This is the 56th attempt by House Republicans to repeal the Affordable Care Act.

After 55 attempts it was my hope that this new Congress would begin its work in a more productive manner. We should be addressing the need to eliminate sequestration, the importance of raising the minimum wage, provide universal access to child care, and the passage of a jobs bill that rebuilds our nation's infrastructure.

Instead we continue to waste precious legislative time on fighting this effort to hurting Americans who need affordable, assessable and available healthcare.

The Affordable Care Act is the law of the land. Instead of attempting to repeal and undermine this law, we should use our time to work together to make improvements where necessary and ensure its smooth implementation.

Many of those most in need of the healthcare coverage provided by the Affordable Care Act live in the Districts of many members on both sides of this argument. Texas, my own state, leads the list of states with the highest percentages of uninsured residents.

Those states with the highest percentage of uninsured base on a report by the Bureau of the Census "Health Insurance Coverage in the United States:

Texas with 22.1 percent, Florida with 20.0 percent, Nevada with 20.7 percent, Georgia with 18.8 percent, Alaska with 18.5 percent, Oklahoma with 17.7 percent, and Arizona with 17.1 percent.

The highest concentration of the uninsured is the poor. The Affordable Care Act provides to states at no cost options for residents to enroll in healthcare programs through Medicaid. Unfortunately, some states like my state of Texas has rejected this important component of the Affordable Care Act for those in the state in most need of healthcare.

Other states that have not adopted the provisions of the law that expand Medicaid include Texas, Florida, Georgia, Alabama, South Carolina, Louisiana, Alaska, Oklahoma, Tennessee, Kansas, Montana, Idaho, Utah, Missouri, Virginia, Wisconsin, South Dakota, Nebraska, Wyoming and Maine.

Instead of focusing on protecting and caring for the health of our constituents, we are allowing partisan games to interfere with serving the best interest of our Districts.

There are 20 days before enrollment in the online Marketplaces will begin, the House majority is bringing this bill to deter the implementation of this key provision of the Affordable Care Act.

This latest attempt to prevent implementation of Obamacare would stop any premium tax credits from being provided until the HHS Inspector General Office certifies there is a program in place that "successfully and consistently verifies" household income and coverage requirements for those applying for these credits.

Conveniently, there is no way that this new requirement would be met in a timely fashion because the HHS IG office does not have the resources, staff or expertise to undertake such a certification. Therefore, since the new requirement will likely not be met, the Affordable Care Act will be drastically inhibited.

The impact of the enactment of this GOP bill would be to delay millions of qualified Americans from getting health coverage. The new requirement would deny millions of our hard-working constituents from getting the premium tax credits they are clearly eligible for beginning on January 1, 2014.

This is how the income verification program under the HHS regulations works to hinder the Affordable Care Act.

To get tax credits to make their health insurance affordable, individuals will have to submit their projected annual household income.

All income data submitted through the Marketplaces will be checked with IRS data, Social Security data, and current wage information.

If there is an inconsistency between income projection claims and proven past income, the Marketplaces will require additional documentation from applicants.

In addition, Marketplaces will check employer coverage information from the applicant and their employer against data from the: Office of Personnel Management and the SHOP Marketplaces (where available) as well as other data sources approved by HHS to verify eligibility for the tax credits.

If applicant information and other data do not match, the Marketplaces will ask for further supporting documentation.

Furthermore, all payments of premium tax credits are reconciled by IRS the following year. The income data submitted is reconciled against the actual wages and health coverage information on the individual's income tax return. If there is an inconsistency, the applicant pays back the excess, subject to statutory limit. There is 100% income verification and reconciliation on this back-end.

I cannot understand the continuous rejection by the Republicans against the Affordable Care act when the idea of everyone paying something towards their healthcare was a Republican idea put into practice in the State of Massachusetts by the former Republican presidential candidate, Mitt Romney.
