#### INTRODUCTION OF A RESOLUTION HONORING BERRY GORDY

### HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 3, 2015*

Mr. CONYERS. Mr. Speaker, today I am introducing a resolution honoring the achievements of Berry Gordy, Jr. and his musical legacy, Motown Records. By establishing the Motown record label in 1959 in Detroit, MI, Mr. Gordy cultivated the careers of musical legends such as Smokey Robinson, Michael Jackson, Diana Ross, Stevie Wonder, and many, many more. Not only did the music of Motown advance its way to the top of the charts and the front of the music scene with timeless hits such as “Please Mr. Postman” and “Ain’t No Mountain High Enough,” but it also communicated across race barriers and touched people regardless of the color of their skin. In a racially divided and politically charged time, Motown Records, under the leadership of Mr. Gordy, was the first to integrate an all-white sales department and produce music beloved by all.

Mr. Gordy’s accomplishments are reflected in his numerous awards and recognitions including his induction into the Rock and Roll Hall of Fame, his autobiography “To Be Loved: The Music, the Magic, the Memories of Motown,” and the Broadway success of “Motown The Musical.”

Decades after its inception, Motown is remembered as one of the most significant creative outlets of the 20th century, and the music it fostered continues to entertain and inspire us all. Thanks to Mr. Gordy, Motown created a uniquely American sound and defined the American experience for generations. Through this resolution, we recognize and thank Mr. Gordy for creating a timeless musical sound, for being a force of positive social change, and for his countless contributions to American culture.

#### IN REMEMBRANCE OF MAGGIE LOUISE KNIGHT KNOX

### HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 3, 2015*

Mr. BISHOP of Georgia. Mr. Speaker, it is with a heavy heart and solemn remembrance that I rise today to pay tribute to a terrific educator and beloved mother, grandmother and cousin, Mrs. Maggie Louise Knight Knox of Martin County, North Carolina. Sadly, Mrs. Knox passed away on Saturday, November 28, 2015. A Homegoing Celebration will be held on Friday, December 4, 2015 at 11:00 a.m. at the Michigan Park Christian Church in Washington, D.C.

Born on February 3, 1928 to the late Annie Slade Knight and Eddie Knight, Maggie Louise Knight Knox, known as Louise or Lou to family and friends, grew up on the family farm in Martin County, North Carolina. She developed a passion for education early on and immediately upon graduation from Winston Salem State University, she began her teaching career within the Charles County Public School System.

Her abiding commitment to education was reflected in her personal academic achievements, as she pursued a higher level of edu-

cation with her enrollment at the D.C. Teachers’ College. She participated in the Teachers’ Program at Columbia University, culminating in her receipt of a Master’s Degree in Education at Trinity College. Ultimately, Maggie Louise accepted a tenured position as a third grade teacher at J.C. Nalle Elementary School in Southeast Washington, D.C.

After nurturing and educating three generations of students, Maggie Louise retired with more than thirty years of service as an educator. She was considered to be one of the most respected Reading Specialists in District of Columbia Public Schools. Even after her retirement and to this day, she is fondly remembered by many of her students.

Her passion for education mirrored her everlasting faith as a woman of God. Accepting Christ as her Savior at an early age, Maggie Louise began her Christian life in Martin County, North Carolina and continued her Christian journey in Washington, D.C. where she became an active member in Michigan Park Christian Church in 1960. She brought her God-given teaching talents into the church, teaching Vacation Bible School and Sunday school. She was a chairperson of the Diaconate and a member the Christian Women’s Fellowship. As is the church’s tradition, in her eightieth year of life, Maggie Louise Knight Knox was humbly inducted into the Diamond Club.

To Maggie Louise, family was everything. It was on May 5, 1950, in Washington, D.C., that Maggie Louise married her loving husband, Mr. Reese Conway Knox. Devoted and committed to each other, the union of Maggie Louise and Reese produced three beautiful daughters: Regina Louise, Denise Yvette and Edna Teresa.

On a more personal note, Maggie Louise and I are born of the same lineage—the Slades of North Carolina. The union of Simon and Anna Slade produced thirteen children. Of those children, Walter Columbus Slade (grandfather of Maggie Louise) and Robert Slade (my grandfather), were born. Maggie retained many valuable lessons from her youth, but the most important one came from her grandfather, Walter Columbus Slade: “Always stick together.” Maggie fervently adopted this as a guiding force throughout her life and passed that same value to her daughters and grandchildren. The concept of “staying together” is extremely important in our family. We annually gather for reunions throughout the nation and remain close with one another throughout our lives.

George Washington Carver once said, “How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong because someday in your life you will have been all of these.” Maggie Louise was a gentle and loving woman who treated all people with respect. She loved her God. Her wisdom and kindness goes unmatched, and her gentle soul served humanity in a special way. Each day she graced the people around her with an enthusiastic sincerity of presence. The impression she leaves on earth extends beyond herself to those whom she inspired and supported, and for it she will be remembered for time to come.

Mr. Speaker, I ask my colleagues in the House of Representatives to join me and my wife, Vivian, in paying tribute to Mrs. Maggie

Louise Knight Knox for her outstanding achievements, service, and public distinction. We pray that her children, grandchildren and loved ones will be consoled and comforted by an abiding faith and the Holy Spirit in the days, weeks and months ahead.

**MOUNT HOLYOKE COLLEGE RECOGNIZED FOR EXCELLENCE IN INTERNATIONAL EDUCATION WITH SENATOR PAUL SIMON AWARD**

**HON. RICHARD E. NEAL**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 3, 2015*

Mr. NEAL. Mr. Speaker, I want to take this opportunity to recognize Mount Holyoke College and its accomplishments in international education. On November 17, Mount Holyoke College President Lynn Pasquerella accepted the 2015 Senator Paul Simon Award for excellence in international education at a ceremony in Washington, D.C. The week of November 16 marked the 16th anniversary of International Education Week.

Mount Holyoke College, located in South Hadley, Massachusetts, was among five institutions selected to receive this prestigious honor from NAFSA: Association of International Educators. The designation is given to institutions that demonstrate significant progress in expanding the reach and fostering collaboration among students, faculty, and staff in the interest of internationalization.

Twenty-five percent of Mount Holyoke students are international citizens and the college boasts a rich tradition of leadership in international education. Mount Holyoke was among the first institutions to send women abroad for scholarly study. Additionally, the McCulloch Center for Global Initiatives was established in 2004 to serve as a catalyst for comprehensive international education.

According to Eva Paus, Carol Hoffmann Collins Director of the McCulloch Center for Global Initiatives and professor of economics, international education became a strategic priority at Mount Holyoke in 2003, following on a legacy of international engagement reaching back to the early days of the college's founding. The McCulloch Center, which Professor Paus helped found, brought greater cohesion and visibility to international education; and its many initiatives across Mount Holyoke have increased students' understanding of the global world and their engagement with other cultures.

In classes and through off-campus experiences, students and faculty analyze questions from cross-disciplinary or cross-cultural perspectives, making connections between the local and the global, and harnessing classroom learning to solve concrete problems. The many forms of integrative and cross-cultural teaching and learning at Mount Holyoke and abroad support the college's goal of educating women to be the global leaders of tomorrow.

Today, Mount Holyoke is committed to giving all students access to the life-changing experiences that learning abroad often provides. Over the past few years, it has funded nearly all students who apply for a Laurel Fellowship in support of study abroad. Additionally, a 2013 pledge to fund one summer internship or

research experience for every student now makes it possible for all interested students to have an internship abroad.

Mount Holyoke was joined in receiving the 2015 Simon Award for Comprehensive Internationalization by North Central College of Naperville, Illinois, the University of Delaware, the University of San Diego, and the University of Virginia. President Pasquerella participated in a panel discussion on internationalization in higher education with presidents of the other award-winning institutions to promote this vital pursuit. The award is named for noted Illinois Senator Paul Simon.

Mr. Speaker, through courses, conferences, research, international internships, study abroad, collaborations with external partners, and the unique learning opportunities offered by international student and faculty diversity, Mount Holyoke College students acquire the skills they will need for citizenship and careers in today's global world. At a time when the ability to work across national borders is crucial to addressing global problems, I wish Mount Holyoke College and the McCulloch Center for Global Initiatives continued success in their future endeavors.
