

REMEMBERING JIM "LIBBY"
LIBERATORE

HON. THOMAS MacARTHUR

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 16, 2015

Mr. MACARTHUR. Mr. Speaker, I rise today to honor the life of a great man in my district, Jim "Libby" Liberatore, who passed away this month at the age of 60. Mr. Liberatore was a former Burlington Township fire chief, and dedicated his life to emergency services and caring for his community.

It is not often that we come across public servants who not only embody the spirit of service, but who approach that service with passion and excitement. Libby was truly one of those men—he began his career as a volunteer firefighter in 1971 and went on to fill countless positions and duties over the next 43 years. He spent six years as fire chief and received the State Firefighter of the Year Award in 1992.

His friends and colleagues describe him as the key individual responsible for bringing people together. Mr. Liberatore organized educational trips to conventions, encouraged a spirit of healthy competition, and led fundraisers for the fire station. His devotion to those around him never went unnoticed, and the South Jersey community is greatly improved because of his life and work.

It is my sincere hope that Libby will continue be an inspiration to those who knew him, and that we can all strive to reflect the same values of service, love, and dedication he personified. May he rest in peace.

A TRIBUTE TO JEAN MALUCCIO—
28TH CONGRESSIONAL DISTRICT
WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 16, 2015

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Jean Maluccio of La Crescenta, California.

Jean is a savvy businesswoman who helps oversee the Maluccio Company, a local investment firm, but is best known for her unparalleled volunteerism that benefits the entire Crescenta Valley. Jean served as the Executive Director of the Crescenta Valley Chamber of Commerce for more than 18 years, without pay, and continues to have an active role with the chamber as an advisor, and helps ensure the smooth operation of chamber events that include the Taste of the Foothills and Home-town Country Fair. She served as President of the Crescenta Valley Chamber of Commerce in 1994, 1995, 2009 and 2010. Jean was also one of the founders of the Crescenta Valley Fireworks Association, a nonprofit which organizes an annual 4th of July fireworks display, and works countless hours each year arranging for the carnival entertainment, handling site permits, working with security for the event and selling tickets.

Ms. Maluccio has also been actively involved with Prom Plus, where she was on hand to secure donations of food and serve food to guests at the organization's 20th anniversary gala. She also gives of her time with Relay For Life, an annual 24-hour event held at Clark Magnet High School, where hundreds of people walk on the school field to raise funds to fight cancer. Jean not only obtains the donated food to feed the participants, but also stays for most of the 24 hours to ensure that the food is ready when needed. In addition, Jean also volunteers for the Glendale Police Department, working at the Montrose COPPS substation representing the department in many capacities and answering questions from the public.

A strong supporter of our nation's military, Jean was a driving force in raising awareness and helped organize fundraisers for the refurbishment of the war memorial at Two Strike Park in La Crescenta.

I ask all Members to join me in honoring an exceptional woman of California's 28th Congressional District, Jean Maluccio.

HONORING Yael LEVY

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 16, 2015

Mr. ENGEL. Mr. Speaker, my district is blessed to have an incredible array of natural beauty, and community members that work to highlight and preserve this beauty do a wonderful service for the neighborhood. When it comes to Yael Levy, who founded Riverdale Riverfest, the commitment to highlighting the need for expanded access to our scenic Hudson waterway has turned a simple passion into a community calling.

Yael founded Riverdale Riverfest in June, 2010 in hopes of advancing the timetable for construction of the Hudson River Greenway Link, a waterfront park that would connect the Manhattan Hudson River Greenway to the old Croton Aqueduct Trail in Westchester County. The festival has become an annual tradition for many, bringing people from all over the Northwest Bronx to the campus of the College of Mount Saint Vincent, which sits on the Hudson's shores. The festival is a great time for the entire family, and offers everything from stage performances and local vendors to boat rides. By giving the community a taste of how wonderful year round public access to the waterfront would be, the festival has gone a long way toward building the public support necessary to make the Greenway Link a reality.

When Yael is not working to expand river access, she is serving as Deputy Chief of the Appeals Bureau at the Nassau County District Attorney's Office, and teaching New York Criminal Practice at St. John's University School of Law.

A proud mother of three, Yael has loved raising her family in Riverdale, and hopes to someday be able to cycle with them along the Hudson without having to start by leaving the Bronx.

This year, The Riverdale Jewish Community Relations Council is honoring Yael with the Community Builder Award at their annual Legislative Breakfast. I want to congratulate Yael on this wonderful honor, and thank her for all she has done to enhance and promote our beautiful community.

H.R. 648, THE TRAUMA SYSTEMS
AND REGIONALIZATION OF
EMERGENCY CARE REAUTHOR-
IZATION ACT AND H.R. 647, THE
ACCESS TO LIFE-SAVING TRAU-
MA CARE FOR ALL AMERICANS
ACT

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 16, 2015

Mr. PALLONE. Mr. Speaker, I am encouraged that today the House will consider two

important public health bills that deal with traumatic injury. These two bills would reauthorize a number of important trauma programs to help equip states to deliver these critical medical services.

Traumatic injury is the leading cause of death for children and adults under the age of 45. After an accident, the care received in the first hour presents the highest likelihood that the patient will survive rapid intervention after a traumatic injury. Without that immediate care, their survival rates decrease by 25 percent. Trauma systems not only provide rapid intervention at the time of injury but also include supporting equipment and personnel, and a continuum of care, including pre-hospital, hospital, and rehabilitation services.

The first bill, H.R. 648, the Trauma Systems and Regionalization of Emergency Care Reauthorization Act, which passed the House last year, allows for planning and implementing trauma care systems in the States. The bill would also establish pilot projects for innovative models of regionalized trauma care.

The second bill, H.R. 647, the Access to Life-Saving Trauma Care for All Americans Act, reauthorizes two additional trauma programs that will increase the availability of trauma services. Trauma centers should be available for all victims of traumatic injury. Unfortunately, many trauma centers are at serious risk of closure and financial insolvency. In fact, nearly thirty trauma centers have closed in the past fifteen years.

The programs included in this bill will provide critically needed federal funding to help cover uncompensated costs in trauma centers, support core mission trauma services, provide emergency finding to trauma centers, and address trauma center physician shortages in order to ensure the future availability of trauma care for all our citizens.

Mr. Speaker, none of these programs have received funding during the appropriations process in recent years. I hope that our consideration of these measures signals the importance of these programs to Members of Congress. I would like to thank Mr. GREEN and Mr. BURGESS, who are both leaders on trauma care, for their work on these bills.

I urge Members to support H.R. 647 and H.R. 648.
