Thursday, March 26, 2015

Mr. SHUSTER. Mr. Speaker, I rise today to recognize Kenneth R. Mowry, a native of Roaring Spring, Pennsylvania for his recent induction into the Pennsylvania Holstein Hall of Fame. This honor culminates a career spanning over 65 years of breeding and developing some of the most productive dairy cows in the nation.

In the years that followed, the farm's cattle set 52 state records and another 26 national records in dairy production. Not slowing down with achievements, Mr. Mowry also had 12 of his cows featured on the front cover of "Holstein World," a publication dedicated to Holstein breeders.

IN RECOGNITION OF THE 36TH AN-
NIVERSARY OF THE TAIWAN RE-
LATIONS ACT

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2015

Mr. SESSIONS. Mr. Speaker, I rise today to commemorate the 36th anniversary of the Taiwan Relations Act, known as the TRA, and to express the gratitude of the American people for the contributions of the Republic of China (ROC) in World War II.

The Taiwan Relations Act (TRA) was signed into law on April 10, 1979. For 36 years, it has served as the backbone of the extraordinary friendship between the ROC and the United States of America. The TRA was Congress' way of codifying a pledge from the American people to the people of Taiwan that "we will stand with you, always."

The TRA has provided stability to Taiwan, permitting it to thrive and become the economic powerhouse it is today, and to deepen its transition to democracy.

Furthermore, as we near the 70th anniversary of the end of World War II it is just and appropriate that we should remember the great contributions of the ROC to the allied victory. In closing, I would like to point out one of the many heroic contributions of the ROC to the allied victory in World War II:

In April 1942, General Sun Li-jen led a mission to successfully rescue 7000 British soldiers and many other civilians, including Americans, who were encircled by the Japanese Army, in the Burma campaign at Yenangyaung.

We should never forget the contributions of the Republic of China to the allied victory in World War II.

Likewise, we should never forget the importance of the Taiwan Relations Act for the peace and stability, not only of Taiwan, but also for the entire East Asia region.

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2015

Mr. KATKO. Mr. Speaker, I rise today to discuss local broadcasting, and specifically how local broadcasting creates a sense of unity and involvement within local communities. The local broadcasters of Central New York have played a unique role in bringing my community closer together.

As an example, Galaxy Communications, one of our local broadcasters, operates three radio stations in the 24th District and has been working closely with the Humane Society of Central New York. Galaxy Communications has been committed to promoting Humane Society events throughout the year. The Lights on the Lake Dog Walk, annual Woof Stock, Canine Carnival, and 7th Annual Drop-A-Thon events are just a few instances where our local broadcasters have partnered with the local community to raise money and awareness for the greater good of Central New York.

In addition to partnering with local charities, local broadcasting works to strengthen the community by recognizing the hard work, generosity, and achievements of individuals, families, and professionals throughout the 24th District. Whether it's commending the outstanding contributions that our teachers make in the daily lives of our children, highlighting the growth of small businesses, or hosting radio-a-thons and telethons that raise money for community events, local broadcasters give important recognition and support to Central New York and communities across the nation.

I greatly appreciate our local broadcasters' dedication to delivering emergency information when my community needs it and the further efforts of local broadcasters to unify, improve, and support the 24th District through their work on the air.

IN RECOGNITION OF THE CAPE COD CHILDREN'S MUSEUM

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2015

Mr. KEATING. Mr. Speaker, I rise today to recognize the Cape Cod Children's Museum on its twenty-fifth anniversary.

For the past two and a half decades, the Cape Cod Children's Museum has been providing children from Cape Cod and the South Cape's younger visitors with entertaining memories that will last a lifetime. Founded in 1990 by a group of three women from Falmouth, the Cape Cod Children's Museum has since been a staple of the community. Guests of the museum immediately notice the high, vaulted ceilings that have a distinct Cape Cod charm. Under that same roof, children are greeted by wall-to-wall educational and entertaining displays. Be it the pirate ship in the main hall, with exhibits of nautical flags and terminology, or the planetarium, exposing the youth of Cape Cod to the wonders of the stars, the children's museum is an invaluable component of the community.

Since the museum moved into its present location fifteen years ago, parents have eagerly brought their children, confident that they will enjoy everything the facilities have to offer. The museum has always been a must-see for any family.

Mr. Speaker, I am proud to recognize the Cape Cod Children's Museum on its twenty-fifth anniversary. I ask that my colleagues join me in congratulating the Museum for its many years of success, and in applauding their efforts educating and entertaining Cape Cod's children.
