CONGRATULATING HUMAN SERVICES ASSOCIATION ON THEIR 75TH ANNIVERSARY

**HON. LUCILLE ROYBAL-ALLARD**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 14, 2015*

Ms. ROYBAL-ALLARD. Mr. Speaker, I rise today to congratulate Human Services Association, a non-profit organization based in my 40th Congressional District, on the celebration of their 75th anniversary.

Human Services Association (HSA) was founded as an outreach effort of the Presbyterian Church in 1940, when floods in Southeast Los Angeles County highlighted pre-existing poverty in Bell Gardens and surrounding cities. While HSA remains affiliated with the Presbyterian Church today, all of HSA's services have been administered on a non-sectarian basis since 1975.

Over time, HSA's services have evolved to meet the needs of the community. In HSA's early years, it operated under the name Westminster Center, and focused on recreation programs and group work. It later changed its name to Bell Gardens Community Center, and became a multifunctional social service agency. Its staff and volunteers provided direct services, and it collaborated with other agencies to provide additional services on-site. In 1974-1975, the organization envisioned expanding its human services into the cities of Southeast Los Angeles by increasing its services and funding capacity. As a result, the organization incorporated, and it adopted the name Human Services Association. Today, HSA is the largest community-based nonprofit organization in Southeast Los Angeles, and

provides clients throughout Los Angeles County with an array of comprehensive services to support individuals throughout their lives.

HSA's programs and services for children and families include: Early Head Start; Head Start; State Preschool; Los Angeles Universal Preschool; Parenting Classes; Child Abuse Prevention & Intervention; Domestic Violence Support Services; Choose Health LA Kids, an early childhood obesity prevention initiative focusing on children ages 0–5 and their families; and a Family Preservation Program designed to protect children by strengthening and preserving families whose children are at risk of abuse, neglect, and exploitation.

HSA's services for seniors include: the Congregate Meals Program, which provides a hot, nutritionally balanced meal to seniors five days a week, as well as social activities at the meal sites; the Home Delivered Meals Program, which offers homebound seniors a daily hot meal and a friendly, reassuring visit; the Home Based Care & Registry Referral Program, which matches workers with senior citizens aged 60 and over who need assistance in the home; and the Alzheimer's Day Care Resource Center (ADCRC), which allows memory-impaired and/or socially isolated senior citizens to spend their days in a caring, supportive environment, and provides English and Spanish support groups to the family members of the participating seniors.

Mr. Speaker, it is with great pleasure and pride that I salute Human Services Association, its Board of Directors, and its supporters. They have played a vital role in providing critical services to Southeast Los Angeles families over the past seventy-five years. I wish HSA continued success as it continues its mission to provide families with compassionate and comprehensive care which promotes wellness and builds strong communities.

CONCURRENT RESOLUTION ON  
THE BUDGET FOR FISCAL YEAR  
2016

SPEECH OF

**HON. JOYCE BEATTY**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 25, 2015*

The House in Committee of the Whole House on the state of the Union had under consideration the concurrent resolution (H. Con. Res. 27) establishing the budget for the United States Government for fiscal year

2016 and setting forth appropriate budgetary levels for fiscal years 2017 through 2025:

Mrs. BEATTY. Mr. Chair, I support the CBC Alternative Budget for Fiscal Year 2016.

As has been highlighted during today's debate, the Federal budget is a blueprint for our nation. It is a statement of our national priorities and of our national values.

Our budget should lay the groundwork to secure a strong middle class, create more jobs, and grow paychecks.

We should be working to create a level playing field for all Americans.

We cannot continue with these short-term fixes which lately have become all too common in Congress.

For instance, in May, the Highway Trust Fund is set to expire—again.

Yet, more than sixty-five percent of America's roads are in need of repair and the American Society of Civil Engineers has given our nation's infrastructure a D in its most recent report card.

We could be creating thousands of jobs—from real estate to construction work—if we got serious about investing in infrastructure.

As the conscious of the Congress. The CBC budget focuses on creating jobs and giving hard-working Americans families a fair-share.

Our CBC budget would provide \$230 billion for our nation's infrastructure—providing an immediate investment to help modernize our roads, bridges, and tunnels, as well as providing dollars to build new and improve existing commuter and public transportation systems.

We cannot delay or rely on short term funding patches that seem to become the norm in this Republican led Congress.

Mr. Chair, when we rebuild our roads and modernize our nation's transportation, we create and maintain good-paying jobs.

That's the best investment we can make of taxpayer dollars. Not only do we keep Americans safe, but we invest in our greatest resource—the American worker. That's what I call a bang for your buck.
