

confidence in the administration of justice. The more support and confidence victims have in the ability of our justice system to hold those who commit sex crimes accountable, the more likely victims will come forward—which will help ensure that more criminals are properly prosecuted, leading to fewer victims in the future.

As Nicole stated this week: “This law is a chance to help ensure victim’s rights are protected and needs are met before, during and after a sexual assault. Hopefully this law will help victims of sexual assault be more comfortable with coming forward about their incident knowing that there are laws set in place to help protect them during this difficult process.”

We should do all we can to encourage victims to come forward and ensure those victims who do, are afforded permanent protection. My legislation will help this effort and I urge all members to support it.

LEGENDARY COACH

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. OLSON. Mr. Speaker, I rise today to congratulate Ms. Donna Vacek on her long and successful career as head coach of the Lady Oilers, the Pearland girls’ basketball team.

With over 449 career wins and two regional tournament appearances, Ms. Vacek has coached the Lady Oilers to incredible victories over her 29 year career. While she is still in her prime in coaching, Ms. Vacek opted to retire and spend time caring for her family. She is leaving a legacy of victory and determination that will continue to motivate the team in future tournaments.

On behalf of the residents of the Twenty-Second Congressional District of Texas, congratulations again on your exemplary career as head coach of the Lady Oilers. We know that you will continue to set an example in excellence and compassion, and we thank you for leadership.

PROTECTING CYBER NETWORKS ACT (H.R. 1560) NATIONAL CYBERSECURITY ADVANCEMENT PROTECTION ACT OF 2015 (H.R. 1731)

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Ms. McCOLLUM. Mr. Speaker, last week I voted against H.R. 1560. With two bills on the floor with the same purpose to improve public-private cybersecurity information sharing, I simply prefer the alternative legislation, the National Cybersecurity Protection Advancement Act of 2015 (H.R. 1731).

I commend the Select Committee on Intelligence for their efforts to produce quality, effective legislation to increase public-private cybersecurity information sharing. However, it made more sense to me that this information sharing would be channeled through the existing National Cybersecurity and Communica-

tions Integration Center (NCCIC) already in place under the Department of Homeland Security, as provided in H.R. 1731. I am concerned that this bill would provide too many opportunities for mistakes as cybersecurity information would be shared by private entities with any civilian Government agency of their choice. With so many government entities eligible to receive this information, and then pass it on to other government organizations, H.R. 1560 would not ensure protection of private personal information.

A coalition of 18 security researchers and 36 privacy organizations, including the American Civil Liberties Union, have similar concerns, and while I applaud the effort to move forward to address cybersecurity issues, it’s critical to get the privacy protections right.

I recognize the importance of establishing cybersecurity legislation, and support the Administration’s position that information sharing legislation must carefully safeguard privacy and civil liberties and provide for appropriate sharing with targeted liability protections.

Mr. Speaker, I urge my colleagues to join me in opposing the Protecting Cyber Networks Act and support the National Cybersecurity Advancement Protection Act of 2015.

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. FOSTER. Mr. Speaker, I rise today to recognize the spirit of volunteerism demonstrated by Comcast Cares Day.

Since 2001, over 600,000 volunteers have logged over 3.7 million service hours throughout the country during Comcast Cares Day, a celebration that brings communities together to encourage service and promote volunteerism. This year in Will County, volunteers will work with the Forest Preserve District of Will County for a project at Whalon Lake.

I would like to thank the organizers and volunteers of Comcast Cares Day for the work they do in our community and for their commitment to service.

CONGRATULATING THE COPPELL HIGH SCHOOL GIRLS SOCCER TEAM ON THEIR STATE CHAMPIONSHIP

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. MARCHANT. Mr. Speaker, I rise today in recognition of the Coppell High School girls soccer team and their recent victory in the 2015 UIL 6A State Championship game. Coppell defeated then-unbeaten Highland Park High School by a score of 3–0, giving the Cowgirls their second state championship.

The Cowgirls, led by longtime coach Chris Stricker, finished the season undefeated with 28 wins, three ties, and zero losses, making them only the 9th UIL girls soccer champion to finish a season without a loss. What makes this championship victory that much more impressive is the difficult road the Cowgirls had

to traverse, beating nationally ranked teams like Plano West just to get into the State tournament. Not only did Coppell finish the season as the best team in Texas, they were ranked the #1 team in the nation by Top Drawer Soccer. The achievements and accomplishments attained this season by the Cowgirls, listed below, cannot be understated and are deserving of the highest praise.

Seniors: Rachel Johnson #00, Cami Studebaker #6, Grace Vowell #8, Liat Even #10, Christina Liu #12, Rachel Koury #18, Sarah King #21, Tara Vishnesky #22

Juniors: Kristen Racz #5, Maddie Dickson #11, Madeline Guderian #13, Kate Kaiser #16, Ashleigh Little #25, Emma Jett #27, Shay Johnson #31

Sophomores: Kelly Rohe #0, Maddie Weber #1, Erian Brown #7, Tori Teffeteller #26, Sarah Houchin #30

Freshmen: Italia Bradley #3, Tyler Runnels #9, Sydney Andrews #20, McKenzie McFarland #23

Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in honoring this great achievement by the Coppell High School girls soccer team.

TOP 10 COLLEGE WOMEN OF THE YEAR

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. OLSON. Mr. Speaker, I rise today to congratulate Vanessa Alejandro for being named one of Glamour Magazine’s Top 10 College Women of the Year. This prestigious recognition highlights ten young women whose actions lead to positive changes in their community.

Vanessa grew up in Pearland, Texas and was always fond of exploring nature as a child. Upon attending University of Houston, she realized many inner city children fail to have a safe environment to explore nature like she did as a child. As a result, she founded Warriors of the Wild, a nonprofit that teaches inner city kids about science and the environment. While pursuing her academic leadership, she became a cancer survivor. Two years ago, Vanessa was diagnosed with thyroid cancer. She battled cancer like a champion continuing her studies at the same time. Her efforts to help bring the world of science to those with limited access and her success in overcoming cancer are an inspiration to all young women.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Vanessa Alejandro for being named Glamour Magazine’s Top 10 College Women of the Year. We are very proud of her.

MAYOR DONNIE McMANNES

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. POE of Texas. Mr. Speaker, after ten years in office, City of Humble, Texas Mayor

Donnie McMannes will officially bring his stellar public career to an end next month. His tireless efforts have improved our community, and it is with great pleasure that I express my admiration, gratitude and respect to a hometown hero and committed public servant.

Donnie was born in Houston and spent much of his childhood in the Heights area before moving with his mother to Humble in 1945 and attending Charles Bender High School, where he became a football star before graduating in 1953.

After graduating high school, he married his high school sweetheart, Georgia. He was soon drafted into the U.S. Army. His love for football continued while in the service when he played football for the Army in Germany in what was called the Rhine Conference. In 1955, his team went undefeated and won the Rhine Conference Championship.

After completing his service in the Army, Donnie returned home to Texas and to his wife, Georgia. At the age of 23, he joined the City of Houston Police Department.

For 27 years, Donnie put on the badge to protect and serve Houstonians. His long career at HPD included assignments in patrol, investigator, and narcotics. He was promoted to detective in the Burglary and Theft Division, where he served for fourteen years. After retiring from HPD, he continued his career as a Texas lawman, working ten more years for Constable Walter Rankin's Precinct One Constable Office. He is a lifetime member of what I refer to as the "Poe-leece"—a group of my friends in the Texas law enforcement community.

Donnie is the epitome of civil servant. After officially retiring from law enforcement in 1995, Donnie decided to become more actively involved in local government and ran for the position of Council Member with the City of Humble. He served on the Humble City Council for 10 years. He then decided to run for mayor in 2005 and has spent the last 10 years as its mayor.

Under his leadership, he's overseen many successful projects through the Humble City Council, including bringing the City out of debt and into a surplus. Mayor McMannes has given Humble financial flexibility and the ability to start and complete projects, noting that the projects are always "paid for by cash."

Congress could certainly stand to gain from following in Mayor McMannes' commonsense, fiscally responsible footsteps. In addition, working alongside many of his Humble-born and bred friends from the '50s, the City of Humble recently finished managing a total restoration project on the old Charles Bender High School building turning it into the new Charles Bender High School Performing Arts Center. As an alum of Charles Bender High School, this project was close to Mayor McMannes' heart, and appropriately, the new facility is immersed in important memories and milestones in Humble's rich roots.

On behalf of the Second Congressional District, I thank Mayor McMannes for his service and wish him and Georgia nothing but the best in their future endeavors.

As a resident of Humble, I can tell you that his presence in the city government will be missed. As Donnie likes to say, "I'm Texas born, Texas bred, and I'll be Texas dead right here on Main Street."

And that's just the way it is.

FBISD ELEMENTARY TEACHER OF THE YEAR

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. OLSON. Mr. Speaker, I rise today to congratulate Melanie Hines of Oyster Creek Elementary on being named Fort Bend Independent School District's 2015 Elementary Teacher of the Year.

Ms. Hines has been a teacher for ten years, devoting the last two years to Oyster Creek Elementary. She prides herself on taking a special interest in each student and is dedicated to preventing achievement gaps in the classroom for all of her students. I wish Ms. Hines the best of luck in her teaching career and am thankful for teachers like her that go above and beyond for their students. Great teachers help develop future leaders.

On behalf of the Twenty-Second Congressional District of Texas, I congratulate Melanie Hines for her commitment to teaching and for earning the Fort Bend ISD 2015 Elementary Teacher of the Year.

RECOGNIZING THE DISTINGUISHED CAREER AND SERVICE OF DR. S. ALAN RAY

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. ROSKAM. Mr. Speaker, I rise today to recognize a dedicated servant of higher education from the state of Illinois, Dr. S. Alan Ray. In June, Dr. Ray will conclude his service as President of Elmhurst College.

During his tenure as President, Dr. Ray has been an exemplary leader and servant of Elmhurst College. He created the first comprehensive strategic planning process in the school's history. The Elmhurst College Strategic Plan 2009–2014 clarified and systemized the College's core values and beliefs and charted a course for the College's institutional growth during those years. He has since created a second strategic plan, with the help of the school's trustees, to lay out the groundwork for academic and institutional growth through the year 2020. Dr. Ray's strategic vision and dedicated execution have strengthened Elmhurst College and better served countless students.

Under Dr. Ray's direction, Elmhurst College has grown significantly. It increased its full-time faculty, greatly increased its minority student population, and launched a school of professional studies, which specializes in graduate and adult education. The College has also completed construction and renovation projects, including the Elmhurst College Simulation Center at Elmhurst Memorial Hospital. The simulation center is a state-of-the-art facility built to improve nurses' clinical knowledge and skills through active, hands-on clinical scenarios.

Dr. Ray's long and distinguished tenure at Elmhurst College has been a time of dynamic growth for the institution and academic excellence for its student population. Elmhurst College has solidified its place as an integral part

of our local community and an excellent place to study and receive training for a successful career.

Mr. Speaker and Distinguished Colleagues, please join me in congratulating Dr. S. Alan Ray on his seven years of service to Elmhurst College and in wishing him all the best for the new chapter on which he is about to embark.

TRIBUTE TO SYDNEY PEARL

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise to recognize Sydney Pearl, a twelve year old author from West Des Moines, Iowa.

Sydney, a student at Stilwell Junior High School recently completed a book about holocaust survivor David Wolnerman. Mr. Wolnerman and his wife Mrs. Jennie Wolnerman are the last known living holocaust survivors in Central Iowa. I applaud Sydney's effort to preserve their story in her book *A Lucky Lie*.

This book is an oral history of Mr. Wolnerman during his time in Nazi concentration camps and his life afterwards. The title comes from the lie Mr. Wolnerman told long ago in 1940, about his age as he was entering
