

House. Like many Hoosiers, she worked on her family's farm where she learned a strong work ethic, something she has utilized throughout her life. She has been blessed with three children, four grandchildren and one great grandchild. At the age of 81, she earned her General Education Development degree and was awarded "Adult Student of the Year" by the State of Indiana. A woman deeply committed to the community around her, she continued to serve others by working as a tutor at a local private school until last year and volunteered at the local food pantry.

I want to sincerely thank Mrs. Hunter for her service and recognize her unwavering commitment to her community. It is my honor to offer my congratulations to Mrs. Hunter on this special occasion. I wish her a very happy birthday and many more years of continued health and happiness.

#### HONORING THE MICHAEL BAKER CORPORATION'S 75TH ANNIVERSARY

##### HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

Mr. LIPINSKI. Mr. Speaker, I rise today to honor the Michael Baker Corporation, an engineering firm which is celebrating its 75th Anniversary on May 1.

Founded in 1940 in Rochester, Pennsylvania, the firm's success began with a focus on surveying and civil engineering. Since that time, Baker has added a host of differentiated services including communications, planning, architecture, and environmental consulting to assist its clients' projects. The Michael Baker Corporation has grown to employ more than 5,000 employees in over 90 offices worldwide.

Baker has a storied history of completing landmark projects throughout the world. In 1977, Baker engineers designed the New River Gorge Bridge in West Virginia, at that time the world's longest single span steel arch bridge. Baker's important projects extend internationally and include infrastructure improvements in Afghanistan and a 2,600 mile fiber optic network linking Mexico's major cities with the United States.

Baker employees continue to exemplify their core principles of leadership and the development of an employee and client focused company. All Michael Baker employees, from interns to the Chairman of the Board of Directors, take time to engage in the communities they serve.

I also have personal experience with the Michael Baker Corporation, having worked as a summer intern on a highway construction project when I was studying engineering in college. Lessons from that internship still help me today as I serve on the Transportation Committee.

Mr. Speaker, I ask my colleagues to join me in recognizing the great service that the Michael Baker Corporation and its employees have provided for 75 years. May their dedication and work ethic serve as an example to all.

#### HONORING THE LIFE OF RICHARD CHOI BERTSCH

##### HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

Mr. HONDA. Mr. Speaker, I rise today to honor the life of Richard Choi Bertsch, who passed away unexpectedly last weekend at the age of 56.

Richard was an integral member and leader in the Korean American community. His business acumen matched the respect he garnered from his peers. He dedicated much of his life to important causes, especially the fervent fight on behalf of the so-called "comfort women"—women who were sexually enslaved by the Japanese Imperial Army during the World War II.

Born on August 9, 1958, to his parents, Kenneth and Kyung Bertsch, Richard attended elementary school in Seoul, South Korea. In 1973, he came to the U.S. with his family, where he grew up in Southern California. A graduate of the University of California, Irvine, he started multiple electronics business.

He found his true passion as a civic leader, and he was exceptionally skilled in connecting people of diverse backgrounds and communities. Richard founded the Korean American Democratic Committee and helped found the Korean American Coalition, serving as chairman of its Orange County chapter.

Richard was a selfless individual who cared passionately about justice and the civic spirit. To put it simply, he left a deep and lasting impact on his family and his many friends from all walks of life. When a 2004 South Korean book blamed Jews for the attacks of September 11, 2001, Richard joined with Rabbi Abraham Cooper to fight its publication. Also, in 2008, when police killed a young artist, Richard led the Korean American Advisory Commission to bring the case before federal authorities for a civil-rights violation review.

Just last month, when Los Angeles Times asked about his hopes for the future in Washington, he said, if "The two parties sincerely work[ed] together for the betterment of our country, rather than constantly [being] locked in ideological gridlock . . . it would give some hope to people that politics does matter." Each of us in this hallowed chamber should take these words to heart.

My heart was broken when I learned of Richard's untimely passing. Yet, I believe it is safe to assume, Richard continues to task each of us to continue our service and dedication to the betterment of our community, and this nation.

Richard is survived by his wife Yang-Uk Kim, his sons Sunny and Sunoo, and his daughter Summer. Richard's family, friends, and I will miss him greatly.

Mr. Speaker, it is with a heavy heart, I recognize and remember the life of Richard Choi Bertsch—a man whom I am honored to have called a dear friend.

CELEBRATING THE LIFE OF  
JANINE FOSTER WOODY

**HON. KENNY MARCHANT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

Mr. MARCHANT. Mr. Speaker, I rise today to celebrate the accomplished and honorable life of my good friend, Janine Foster Woody. Sadly, Janine has recently passed away and is mourned by many.

Janine was one of the most dedicated and warm hearted people I was fortunate enough to know for many years. Her endless resume of involvement with local schools and the community are difficult to portray in words. She devoted much of her time to education and helping students and community members alike. It was an honor and a privilege to have known her.

As a member of the Dallas County School Board, and chair of the Technology Committee, she worked with various Independent School District (ISD) boards and superintendents to better technological services provided to the ISDs. Janine was also elected to the Texas Association of School Boards' Legislative Advisory Committee and the North Texas Council of Governments. Her hard work and generosity reached far and wide in North Texas.

Janine's involvement in Christ United Methodist Church also brought her great joy; she dedicated valuable time and energy to teaching and volunteering in the church for many years. Her other activities included chamber of commerce Education Committees, Farmers Branch Women's Club, Garland Asian American Festival Committee, Richardson Community Band, and several public service posts, along with many others. Janine was a great role model and someone you would want members of the community looking up to.

Janine received a B.A. in History and English from Northwestern University as well as a Master of Library and Information Science degree from the University of North Texas. A thesis she wrote on ethnic bibliographies was published in the Wilson Library Journal.

As a precinct chairwoman, and Headquarters Chairwoman of the Dallas County Republican Party, she worked hard in keeping people involved and informed on many issues. She organized and maintained events, started clubs, and generally performed above and beyond her civic duties. Janine's work ethic and

ability to keep people involved in the community will be greatly missed.

Mr. Speaker, it is an honor to recognize and celebrate the eventful and prosperous life of Janine Foster Woody. I ask all of my distinguished colleagues to join me.

HONORING THE 75TH ANNIVERSARY OF THE KILGORE COLLEGE RANGERETTES

**HON. LOUIE GOHMERT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

Mr. GOHMERT. Mr. Speaker, the First District of Texas has been blessed as the birthplace of many remarkable individuals who have made notable contributions that have enriched lives well beyond the borders of Texas. One such example was born from a rather simple concept, yet grew into a worldwide movement. It is a great pleasure to stand in honor of the world famous collegiate drill team, the Kilgore College Rangerettes, as they celebrate their 75th anniversary this year.

The Rangerettes have long been considered the personification of talent and precision, the standard of excellence which has sparked an estimated \$8 billion industry and created more than fifty-thousand permanent jobs in the United States, according to one famed economist. The Rangerettes have inspired similar all-female dance drill teams, with an estimated 15,000 high school students and some 1,000 college students across the state of Texas taking part each year; while approximately 75,000 high school drill team members across the nation participate annually. The Rangerettes have been the impetus behind this major industry which has influenced lives and careers around the world.

The precision dance team concept began in 1939, and came to fruition led by the incomparably talented Miss Gussie Nell Davis with their first halftime performance on September 15, 1940. The Rangerettes were originally intended to promote diversity among the student body at Kilgore College while also encouraging football fans to stay in their seats during halftime; but while effectively accomplishing these tasks, they also introduced something astoundingly innovative to the field of sports entertainment. This group of talented young women set into motion a revolutionary model for all future choreographed dance teams. Technical skill and absolute choreographed perfection, along with the incomparable high kick routines, characterized the Rangerettes' routines at their inception, and those words can still be used today to describe the captivating performances of these young women.

The world renowned Rangerettes have toured the United States multiple times, performing for U.S. Presidential inaugurations, professional sports venues, nationally televised parades, collegiate bowl games, and even Indy 500 race events. They have been featured on television, in films, and in widely circulated magazines and newspapers. In addition to the notoriety they have experienced here in the United States, the Rangerettes have headlined several international tours which have allowed them to perform for massive numbers of enthusiastic fans on four continents and in countless cities worldwide.

The commitment to preserving the legacy and rich heritage of the young women who have achieved the honor of being named a "Rangerette" does not end upon graduation, but is demonstrated through the continuing efforts of their Rangerettes Forever alumni organization. Rangerettes now and forever have enjoyed an accomplished and vibrant history of group performances and individual achievement, while bringing visibility and prestige to Kilgore College, east Texas and the State of Texas.

It is a distinct privilege to honor this remarkable organization today since they have been so hard-working, motivational, & inspirational. Please join me in recognizing and congratulating the Kilgore College Rangerettes on their 75th anniversary, a milestone now recorded in this CONGRESSIONAL RECORD which will endure as long as there is a United States of America.

HONORING DOT PONDER

**HON. JIM COOPER**

*Thursday, April 30, 2015*

Mr. COOPER. Mr. Speaker, today I rise to salute Mrs. Dot Ponder, a devoted Nashvillian and this year's Girl Scouts of Middle Tennessee honoree. I also have the great privilege of calling Dot my friend.

For more than thirty years, Dot devoted herself to the Girl Scouts. She registered with ten troops and served hundreds of girls as troop leader, instructor and camp director.

From sharing her love of the outdoors to teaching financial literacy, Dot's energy is endless. But her contributions didn't end when troop meetings were over. She taught civic responsibility and, through her example, she encouraged Girl Scouts to actively engage in their communities. She inspired girls to pursue the highest accolades in Girl Scouting, including the Gold and Silver Awards.

It is an honor to commend Dot Ponder for her contributions to the advancement of girls in our community through her tenure of devoted and humble service to the Girl Scouts of Middle Tennessee.
