

As the Senior, APA Republican in Congress, I want to take this opportunity to celebrate the beginning of Asian-Pacific American Heritage Month. I could not be more proud of the influence and contributions of those who came before me. It is their memory and sacrifices that drive me while performing my duties as the Member of Congress who represents American Samoa and I look forward to continuing the important work that they began.

Mr. Speaker, I ask all Members of the U.S. House of Representatives to join me in recognizing the many contributions that APA's have made to this great nation and I ask that we carry this spirit throughout the entire year.

HONORING CAPTAIN GEORGE  
KLEIN

**HON. ROBERT J. DOLD**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mr. DOLD. Mr. Speaker, today, I rise to recognize Captain George Klein of the United States Army. Captain Klein served during World War II and fought valiantly during the invasion of Normandy. As a member of the 2nd Ranger Battalion, Captain Klein took part in the dangerous mission of scaling the cliffs at Pointe Du Hoc.

On June 6, 1944, Captain Klein led Fox Company as they began the invasion of Normandy. Upon landing, the Company charged the cliffs of Pointe Du Hoc and began to climb the 100 feet to the top. After scaling the cliffs Captain Klein was injured by a German soldier. Thankfully, Captain Klein was given medical treatment and recovered from his wounds in England.

Captain Klein will be returning to the cliffs at Pointe Du Hoc this year in recognition of the 71st anniversary of D-Day. Captain Klein's unwavering courage and gallantry displayed during the landing at Normandy deserves our utmost respect and gratitude. He is truly an American hero, and Illinois' 10th Congressional District is lucky to have him as a resident.

RECOGNIZING CINCO DE MAYO

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Ms. JACKSON LEE. Mr. Speaker, I rise today to recognize the holiday of Cinco de Mayo commemorating the victory of the Mexican Army 1862 over France at the Battle of Puebla during the Franco-Mexican War.

Certain of Victory, 6,000 French troops led by General Charles Latrille de Lorencez attacked the city of Puebla de Los Angeles, but the 2,000 Mexican soldiers led by the Texas-born General Zaragoza defeated the French with 100 casualties as opposed to the 500 soldiers lost by the French.

Cinco de Mayo has evolved in the United States into a celebration of Mexican culture and heritage.

Different traditions surrounding Cinco de Mayo include parades, mariachi music performances, and street festivals and the serving

of foods such as tacos and mole poblano; specifically in areas with a large Mexican-American population.

Houston, Texas, along with Los Angeles, and Chicago are home to the largest Cinco de Mayo celebrations in the nation.

As of March 2014, Latinos made up 38.2% of the Texas population, so it is very important to recognize and celebrate their culture.

Mr. Speaker, I ask my colleagues to join me in the recognition of Cinco de Mayo and celebrate Mexican culture as well as the victory at the Battle of Pueblo.

HONORING THE AMERICAN  
LEGION, PASO DEL NORTE POST 58

**HON. BETO O'ROURKE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mr. O'ROURKE. Mr. Speaker, I am honored to rise today to recognize the American Legion Post 58 located in Northeast El Paso on Vulcan Avenue, also known as the El Paso Del Norte Post. I am pleased to recognize them as a distinguished Veteran Services Organization in my district.

As one of the largest VSOs in Texas, the Paso Del Norte Post's engagement with our veteran community is exemplary. Several of the officers at this post serve or have served on national committees and commissions of the American Legion. In the fall of 2014, a team from the American Legion national organization visited El Paso and worked with the El Paso VA to provide medical care to veterans in need. The visiting group of the American Legion, led by Verna Jones, Director of the Veterans Affairs and Rehabilitation Division in Washington, D.C., also hosted a town hall at the El Paso Del Norte headquarters where over 400 veterans attended.

Post 58 further provided accommodations to their national counterparts for four additional days to assist veterans through their "Veteran Crisis Command Center" where a team known as a "triage team" was available to help veterans get access to the medical care they deserve. The American Legion Post 58's commitment to our community's veterans is remarkable and their team is comprised of dedicated veterans who volunteer their time to serve fellow veterans. The American Legion in my district is currently led by Richard Britton. I thank him for his leadership.

The American Legion Paso Del Norte Post 58 is an asset to our veteran community and El Paso. I thank Post 58 for their commitment to honoring our veterans and for helping strengthen the bonds in the El Paso community.

IN RECOGNITION OF THE 40TH  
ANNIVERSARY OF HAVEN

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mrs. DINGELL. Mr. Speaker, I rise today to recognize HAVEN and its staff and volunteers for their 40 years of service to domestic and sexual violence victims and their families.

HAVEN is a nationally recognized non-profit leader whose survivor-centered services honor survivors as experts of their own experiences. HAVEN empowers nearly 30,000 people each year by providing shelter, counseling, advocacy and education programming.

HAVEN's vision of promoting a world of safe, equal and accountable communities is inspiring and moves us ever closer to eradicating sexual assault and domestic violence, especially against women and girls, who are disproportionately victimized by their partners and others. Their programs educate our community about recognizing abusive behaviors, understanding the problem and our role in prevention, and how we can refuse to contribute to a culture of domestic abuse. I join them in asserting their guiding principle, that we all have a right to live without fear.

HAVEN should also be commended on their recent groundbreaking for a new facility. The new campus will only expand their ability to provide medical, legal, educational, and economic support to survivors and their families. When they opened in 1975, there were no laws to protect victims from stalking or assault. This new facility will serve as a beacon of hope and a statement that their community will support and protect them.

Mr. Speaker, I ask my colleagues to join me today to honor HAVEN for their 40 years of leadership in combating domestic violence and sexual assault. I thank them for their commitment to our community and wish them many more years of success.

HONORING JAN ALDERTON OF THE  
CUMBERLAND TIMES-NEWS

**HON. JOHN K. DELANEY**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mr. DELANEY. Mr. Speaker, I would like to recognize and honor Mr. Jan Alderton, Managing Editor at the Cumberland Times-News, for his incredible career and his retirement after nearly 48 years of journalism.

Jan started at the Cumberland News in 1967 as a proofreader. Eventually, he worked his way through almost every newsroom position. From his coverage of the Maryland General Assembly in the 1970's, to his work as a sports reporter, Jan showed true commitment to his craft, and worked hard to publish the best stories each day.

In 1987, Jan was named Managing Editor of the Times-News for the first time. There, Jan strived to make sure readers of the Times-News had access to breaking stories and the best reporting. His service to the people of Allegany County will be dearly missed.

Local journalism, like that at the Cumberland Times-News, provides a critical service for communities nationwide, highlighting events that aren't covered elsewhere. When it comes to reading hometown news, there's only one place to find it, and that's your hometown paper.

I ask that you and my other distinguished colleagues help me in honoring Mr. Jan Alderton, for his dedication to honest reporting and his commitment to the people of Cumberland. Let's wish Jan a happy and healthy retirement.

IN HONOR OF BOB ROBERTS

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mr. FARR. Mr. Speaker, I rise to bring to the House's attention that Bob Roberts, the President of the renowned California Ski Industry Association is retiring. Perhaps we ought to alert the federal agencies to be on the lookout for the impending consequences. Ski lifts will stop running, avalanches will start falling, snow accumulation will dramatically decrease. My God, Mr. Speaker, how can this country even exist without Bob Roberts at the helm? And it's not even just the U.S. who will be affected, for he is known as the Peace Corps volunteer who put Peru on the map. Will the Andes now disappear without him? Take a look at his distinguished career.

Mr. Roberts began his career in the ski industry in 1969 as operator of Mt. Shasta Ski Area. He held this post until 1975, after which, he founded the California Ski Industry Association. He has stood at the helm of the CSIA for 40 years, working from the ground up to create an organization which has effectively continued to improve and enhance the thriving ski industry in my home state of California. Through successful campaigns such as the "Ski California USA" and an award winning cooperative promotion with Virgin Atlantic Airways, Bob and the CSIA have been able to attract unprecedented levels of domestic and international visitors to California's alpine and cross-country resorts.

Bob Roberts received his undergraduate BA in political science from Stanford University and an MBA in international business from Columbia University. After graduation, he was one of the very first Peace Corps volunteers sent to Peru. During his time in Peru he served in the Andes as a supervisor on the development and construction of a hotel and thermal baths. He then continued his work with the Peace Corps, serving as regional director in Bolivia and then director for the Latin American training center in Escondido, California. Bob's selfless work with the Peace Corps would equip him with a political aptitude, a disposition towards public service and a keen interest in the resort business.

A true icon in the tourism industry, Mr. Roberts was also instrumental in the creation of the California Travel and Tourism Commission. He was elected Vice Chair of the first commission and also served for six years as chair of the marketing committee, directing California's tourism programs.

As well as a tireless advocate for the tourism industry, Bob is also a devoted husband to his wife, Betty, and a father of two, Kirsten and Christopher, and grandfather to five.

Mr. Speaker, I know that I speak on behalf of the entire House in thanking my friend from the Peace Corps for his exceptional service and I wish him the very best in the next chapter of his life.

HONORING THE DAILY BREEZE  
NEWSPAPER FOR WINNING THE  
PULITZER PRIZE**HON. TED LIEU**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 5, 2015*

Mr. TED LIEU of California. Mr. Speaker, I rise today to honor the Daily Breeze newspaper, which won a Pulitzer Prize for local reporting for their investigation into the corruption at Centinela Valley Union High School District.

I want to commend the Daily Breeze for their exceptional journalism and congratulate them on this honor. I was overjoyed to hear that they had received the award. All of the Daily Breeze's editors, journalists, and staff should be enormously proud, and they do great credit to the 33rd Congressional District.

The Daily Breeze excels in many areas, including political journalism, acting as a vital watchdog to address problems in government. Their investigation into the Centinela School District exposed the culture of corruption within the district's administration. Despite the excessive salaries given to the administration's leadership, the district was cutting important academic programs, scoring poorly on student performance evaluations, and hurting the educations of students whose job it was for them to help.

The Daily Breeze's investigation resulted in the removal of the school superintendent and led the FBI and Los Angeles District Attorney to open investigations into the district's shady dealings. Without the Daily Breeze's fine reporting, this waste of taxpayer money and abuse of the public's trust might never have been brought to light.

The paper has served as the voice of Torrance and the entire South Bay area since 1894. For more than a hundred years, the Daily Breeze combines comprehensive national reporting with innovative and hard-hitting local coverage. As a Torrance resident, I have been reading the Daily Breeze for nearly two decades. Whether reporting on government, local entertainment or criminal investigations, the Daily Breeze exemplifies the best ideals of journalism: creativity, civic service, and integrity. I am proud to honor the Daily Breeze leadership, reporters, and employees as they celebrate their first Pulitzer Prize.

DISAPPROVAL OF DISTRICT OF  
COLUMBIA REPRODUCTIVE  
HEALTH NON-DISCRIMINATION  
AMENDMENT ACT OF 2014

SPEECH OF

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

Mr. VAN HOLLEN. Madam Speaker, I rise to express my opposition to H.J. Res. 43, a bill that aims to overturn the Reproductive Health Non-discrimination Amendment Act (RHND) which was recently passed by the DC City Council.

The purpose of the RHND is to prevent DC employers from discriminating against workers for making personal reproductive

health decisions that conflict with the expressed values of their employer. For example, the law prevents the firing of an employee for getting pregnant outside of marriage.

Supporters of H.J. Res. 43 say the bill's intent is to protect the rights of employers who do not want to be forced to support the reproductive decisions of their employees. However, the RHND imposes no new requirements on employers to provide health insurance and does not change the insurance policies of current workers in any way. RHND's aim is simply to ensure that workers are judged based on their work decision-making, rather than on their personal health decision-making.

This Republican bill is not only an assault on workers' rights; it is also an assault on the rights of self-determination of the people of Washington D.C. Why should an Idaho congressman be able to overturn the unanimous decision of an elected body which is simply expressing the will of the DC voters that elected it?

For these reasons, I oppose this bill and I encourage my colleagues to do the same.

ENERGY AND WATER DEVELOP-  
MENT AND RELATED AGENCIES  
APPROPRIATIONS ACT, 2016

SPEECH OF

**HON. DAVID N. CICILLINE**

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 30, 2015*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2028) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2016, and for other purposes:

Mr. CICILLINE. Mr. Chair, I am concerned that the Fiscal Year 2016 Energy and Water Appropriations Bill passed on May 1st limits investment in renewable energy and energy efficiency at the expense of increased investment in fossil fuels, risking the future of America's clean energy future. It is vitally important that the United States continue to make strong investments in clean energy technologies, so that we can move away from reliance on dirty and expensive fossil fuels. By adhering to sequester level caps for non-defense spending risks the future of an American clean energy economy.

In addition to the spending cuts, I am deeply concerned about misguided rider included in the bill that would prevent funding of the National Ocean Policy, which permits better coordination among federal agencies responsible for coastal and ocean planning.

In 2011, ocean industries supported 2.8 million jobs and \$282 billion in GDP. Our 21st century economy depends on our oceans, but there is increasing pressure on and competition for resources. Ocean planning seeks to reduce these conflicts and strengthen the resilience of ocean communities and ecosystems.

In the Northeast, our Regional Ocean Council has allowed our states to pool resources and businesses to have a voice in decision-making and has coordinated with federal partners to ensure all stakeholders have a voice in the process.
