

athletic prowess. The Guardians' first game of the 2015 playoffs resulted in a win over Humble Christian School with an astounding score of 80–51. This victory gave the Guardians new energy and inspiration which would carry them victoriously through the two remaining playoff games.

The second playoff game proved to be a difficult obstacle for the Guardians, who were challenged by their 2014 rivals and toughest opponents from Stephenville Faith High School. The score remained close until the final moments of the game. In the last minute of the game, the Guardians proved their commitment and skill by scoring and winning the game with a final score of 52–46. This hard-won victory earned the Guardians a spot in the final playoff game.

The Guardians began the final playoff game confident in both the team's ability and as individual team members. The championship game pitted the Guardians against the San Antonio Sunnybrook Lions. Working together, the Guardians were able to effectively outscore the Lions, and ultimately, Marshall Christian completed the quest for a third straight state championship title with a score of 61–53.

The skilled and committed players who worked so diligently to earn this esteemed honor were David Florence, Dylan Alford, Stephen Florence, Andrew Stokell, Ryan Stokell, Jordan Sammons, Dawson Rapsilver, Jairus Allen, Joshua Florence, William Hency, Matthew Stokell, and Caleb Beesinger. In addition to playing on the state champion team, four players were selected for the All-Tournament Team, and the Guardians were able to count the Tournament MVP within its ranks. The coaches and staff who led this accomplished team to victory were Head Coach Jeff Arrington, Assistant Coach James Allen, Assistant Coach Robert Stokell, High School Principal Duane Shultz, Junior High School Principal Raymond Bade, along with Athletic Director and Elementary Principal Guy Barr III.

The Guardians' success has been attributed to their exceptional ability to work as a cohesive unit, and through an incredible display of this teamwork combined with the team's experience and passion, the Guardians prevailed over their skilled opponents and ultimately finished the season with an outstanding record of 22–6.

Please join me and all of the First District of Texas in congratulating the achievements of the Marshall Christian Academy Guardians. This exceptional illustration of teamwork and sportsmanship should be praised and emulated. It is a distinct honor to share the story and example of these outstanding young men, a story which is now recorded in the CONGRESSIONAL RECORD which will endure as long as there is a United States of America.

#### INTRODUCTION OF A BILL TO REMOVE THE RESTRICTIONS ON CERTAIN LAND TRANSFERRED TO ROCKINGHAM COUNTY, VIRGINIA

**HON. BOB GOODLATTE**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 13, 2015

Mr. GOODLATTE. Mr. Speaker, I rise to introduce legislation to transfer land from the U.S. Department of Interior to Rockingham County, Virginia. For over 25 years, Rockingham County, Virginia has managed a small area of land in my congressional district as if it belonged to the County to meet the needs of the community and serve the public good. Although this land was already transferred from the Federal Government to the County, it was not done effectively. This legislation will finalize the efforts of a previous Congress and fully transfer this land to the County, while continuing to meet public needs.

Since 1989, a little over 3 acres of land and its associated buildings, previously wholly held by the Federal Government, have been maintained by Rockingham County and the Plains Area Daycare Center. In that year, the Department of the Interior deeded this land, which it no longer used, to Rockingham County for public good.

Prior to this official declaration, Rockingham County had already been maintaining the lands around the facility. The land and building had been used as a garage and maintenance facility for the National Forest Service. However, it was no longer being utilized, and the County was performing upkeep on the land.

PL 101-479 was approved in the 101st Congress to allow the buildings on this land to be used for the particular use of a non-profit day care that serves the County. Unfortunately, because of the narrow way Public Law 101-479 was drafted, any extension or maintenance of the physical structures has required approval by the Department of the Interior. Given that the building is used for a child care facility, this impedes the ability of the day care to move efficiently to make any necessary upgrades. The building is currently in need of repairs; however, because of the terms of the deed, the daycare center has been unable to get a loan to complete the needed renovations.

To be clear, the center and the playground are the sole reason that this previously abandoned government land is being used by the public today. The Federal Government no longer has a vested interest in the land.

Mr. Speaker, my legislation, which was approved by the House of Representatives in nearly a unanimous manner in the 113th Congress as H.R. 5162, is a simple formality. I have been pleased to visit the Plains Area Daycare Center on many occasions. By passing this legislation and allowing Rockingham County more authority over the land, it will ensure that more children and more of the community will be served by this land.

I urge swift consideration of this bill in the 114th Congress.

TRIBUTE TO DR. RAYMOND M.  
 MADDOX

---

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 13, 2015*

Mr. MESSER. Mr. Speaker, I rise today to pay tribute to the life of Dr. Raymond M. Maddox, a well-known dentist and respected member of the Rushville community.

Dr. Maddox was a devoted husband, father, and grandfather. He was married to his wife Kay Maddox for 43 years. Together, they had two children and four grandchildren. A lifelong Hoosier, Ray attended Taylor University and graduated with a bachelor’s degree in both biology and chemistry in 1971. After college, he attended and graduated from Indiana University’s School of Dentistry in 1975 to pursue a professional dental career. Dr. Maddox then practiced dentistry in Rushville and Hartford City for several decades.

In addition to his practice, he served in many leadership roles in the dental community. He was the past president of the Indiana Dental Association, delegate to the American Dental Association caucus 7th district, fellow of the American College of Dentists, president of the American College of Dentistry-Indiana Foundation, vice speaker of IDA House of Delegates, and Parliamentarian of IDA House of Delegates.

Although Ray was known as a great dentist and as someone dedicated to his profession, he was respected and loved for much more than that. Members of the community, his family and friends loved him for his ability to create meaningful relationships and brighten the lives of all those with whom he came in contact.

Ray Maddox was my friend. I will never forget his smile, his positive attitude and his strong support of my own career in public service. They don’t come any more loyal than Ray Maddox.

Today, it is my privilege to honor his life and legacy. My thoughts and prayers go out to Ray’s family, and may God comfort those he left behind with his peace and strength.
